Youth Organizations Are Desperate for Leaders

Youth organizations periodically have their ups and downs when it comes to getting volunteers to supervise their activities and the Cubs and Girl Guides are now in that predicament.

As a matter of fact the situation is getting desperate and unless volunteers soon come forward to assist it could very well be that the two groups might have to close down.

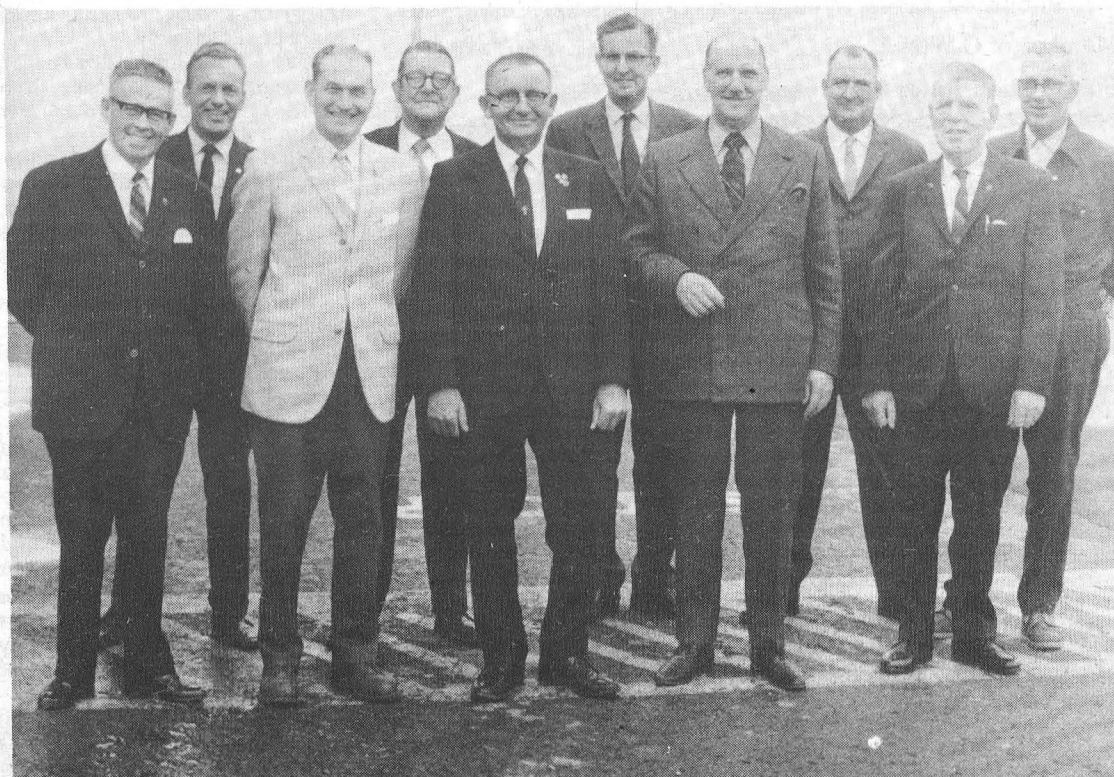

The Cubs need two leaders and an assistant immediately to keep them operating and Ralph Van Allen, chairman of the Scout-Cub Group Committee is hoping that responsible adults come forward so that the group may continue operations.

The Girl Guides also need two leaders to handle a greatly increased membership this year and anyone willing

to help is asked to call Mrs. Marilyn Byers or Mrs. Shirley Kirkby.

Editor's Note: it is to be hoped that volunteers do come forward, and quickly, to avert cessation of operations by either group. There are a few dedicated people still carrying on these groups but the numbers participating in the youth groups has reached the point that more leaders must come forward or the entire program will have to be dropped. Developing and guiding youth in the paths of Guiding and Cubs is possibly more important today than at any time in the past. With ever pressing social problems in our society it is imperative that the moral education received through these youth programs be an essential part of their education.

It would be a sincere loss if they had to be dropped.

25 Year Service Certificates

Local St. Lawrence Seaway Authority employees were presented with 25 year service Certificates at a recent informal ceremony held at Iroquois Lock. Making the presentations was Mr. Roger Belanger, Regional Director of the Authority from St. - Lambert. Pictured from left to right are: O. E. Millward, C. P. Eamon, G. S. Baker, J. R. Contant, C. McPherson, J. A. MacMillan, Regional Director R. Belanger, G. F. Chenier, J. K. Murray and E. T. Fycke. Messrs. Contant and MacMillan work at Cornwall Stores, the remainder are working at the Iroquois Lock.

Lions hear Dominion Textile Speaker

(Lion Al Rogers)

Lion Gord Pulfer announced one hundred percent attendance at the Monday evening Lions Club meeting held at the Civic Centre.

Guest of the evening was Mr. Hubert Chatelais on Montreal, representative of Dominion Textiles products.

The speaker reminded us the name of Robert C. Caldwell was synonymous with quality toweling, for the Caldwell Linen Mills have perfected the art of weaving, dying and printing a vast variety of most interesting material. In fact, part of high fashion today is the coordinated ensemble of towels, matched to sheets and pillow cases, bedspread, and even draperies.

Toweling of high absorbent quality seems to have originated much earlier in Turkey but it is only some seventy years ago that "Turkish" toweling was woven industrially. During the 1914-18 war years the supply of linen products was directed overseas, and terry toweling was sold on the domestic market; as it developed into the sophisticated product that it has become today, this type of material has gained vast popularity.

In 1927 the Caldwell enterprises became part of Dominion Textiles, a group of companies who produce a full range of household products. There are some thirty affiliated plants that employ 7000 Canadians in a 170 million dollar operation annually. Some of the name brands in-

clude: Texmade, Penman, Truprest, and Caldwell.

Though Dominion Textiles has a ten million dollar export trade, with specific reference to textile products, it has been found that low cost products from foreign countries are now available in Canada for less money than the same product can be produced here. This is the reason that causes the need for federal subsidy, especially since Canada buys 19.52 foreign textile commodities in contrast to United Kingdom figure of 10.89 and the United States figure of slightly more than 6.0.

The philosophy behind Dominion Textile operation is to have a valuable commodity to offer the consumer public, to operate at a satisfactory margin of profit, to provide employment for competent trained people and to offer both challenge and opportunity to both staff and labour personnel.

Lion Ed Orlickey thanked the guest from Montreal, and presented him with a tanglibl proof of Caldwell Linen Mills good name.

Lion Bill Rumble recruited staff to assist with the "lazy eye clinic" to be held at the United Church on Tuesday, October 27th between 5.30 p.m. and Eight o'clock. The purpose of the clinic is to give free eye examination to little ones between 3 and six years of age. It has

Seaway Community Services to meet November 5th

An important meeting of The Seaway Community Services will be held in St. Mary's School, Morrisburg, Thursday evening, November 5th, beginning at 8 p.m., and to which all members and supportive groups are invited and encouraged to attend.

A Social Agency, serving the Seaway Valley, this organization has been instrumental in providing Summer Camping enrichment programmes for children of the community during the past three years, and adult cultural programmes.

Meeting on a bi-monthly basis, the organization will provide the opportunity for interested and concerned folk of the Seaway Valley to share in proposed projects for the coming months, relative to the social outreach programme.

On November 5th, a brief will be presented of the recommendations proposed by the Summer '70 Camp Director, for the future: a report heard on the possibility of a "full-time" social worker in the area; and an open discussion held on the possibilities for a Fall-Winter programme by SCS in the months ahead, including plans for Summer '71 Camp.

The meeting will be conducted under the chairmanship of the Planning Committee of Mesdames E. Steele, G. En-

nis, and Messrs. L. Cummings and J. Hibbs. A good turnout of those who are concerned about a social-service programme of personal and cultural enrichment, within

the Seaway Valley, that will give answer to some of the pressing needs of the human community "on our doorstep" is expected.

Promoted to Corporal RCMP

James Ball, son of Mr. and Mrs. Murray Ball of Morrisburg was recently promoted to the rank of Corporal in the R.C.M. Police. Jim has served in the Force for 9½ years and during that time has been stationed in Saskatchewan, Newfoundland, and Manitoba. He is presently posted to "D" Division Headquarters in Winnipeg, Manitoba.

Jim is a graduate of Morris-

burg High School and is married to Judith (nee Garragh) of Morrisburg and Kingston. They reside in Winnipeg.

Mr. and Mrs. Stan McGinn of Edmonton, Alta, have been visiting his father and mother, Mr. and Mrs. Denver McGinn of R.R. #1 Iroquois. While here he also visited family and friends in the area.

when things go wrong

With all of the problems that we now face, a bit of verse is brought to mind. As far as I know it is anonymous, but it has a ring to it and might be applied to any one of us at one time or another in our lives.

"When things go wrong, as they sometimes will, when the road you're trudging seems all uphill, when the funds are low and the debts are high, and you want to smile, but you have to sigh, When care is pressing you down a bit, Rest if you must, but don't you quit. Often the goal is nearer than it seems to a faint and faltering man; often the struggler has given up, when he might have captured the victor's cup, and he learned too late when the night came down, how close he was to the Golden Crown.

Success is failure turned inside out, the silver tint of the cloud of doubt, and you never can tell how close you are, it may be near when it seems afar; so stick to the fight when you're hardest hit. It's when things seem worst that you mustn't quit."

We're Canadians First

During the past few years many a non-Quebecer has aimed a vocal opinion of what he or she would like to see done with Quebec, the opinion borne out of many things that English-speaking Canadians feel they want left as is. Bilingualism has been taking a beating in many areas of the country and many a citizen has come to feel the entire program an absurdity where the second language will not be used.

Financial help to Quebec from the federal treasury has been another sore point and other provinces have long felt that too much money has been poured into Quebec.

We could go on with other "grievances" but it would not help to enlighten or change the minds of those who have already made up their minds.

Right now facing our country is a problem that hits at the heart of all Canadians and with the terrorist activities in Quebec threatening the very structure of our society, all Canadians must be involved whether they wish to or not. The problem in Quebec is a Canadian problem and one that must be resolved.

We can no longer push aside in our minds the Quebec minority who have plagued authorities these past few years; we can no longer say that the problem belongs to Quebec and let them solve it; we can no longer mistakenly place the blame on the French for Quebec problems any more than we can cut off Quebec from Canada and float it down the St. Lawrence into the sea.

The terrorists are, as Prime Minister Trudeau said at the weekend, uniting Canadians whether they be French, English or of any other origin. It is Canada that the terrorists are trying to destroy... not just Quebec. French Canadians are no different than English Canadians, nor German, Dutch, Italian, Swiss, Czech, Hungarian or any other. As Canadians we want to improve our lot; we want to dissent when we disagree, we want to support what we believe in... but we must do it within the bounds of the society in which we live. We cannot impose upon others what they do not want, and certainly not with force.

The Canadian Government has taken strong action and we believe that every Canadian believes strong action had to be taken. We don't want our liberties tampered with, nor did Parliament enact the War Measures Act to deprive us of our rights. They took the action they did so that no one else could deprive us of those rights.

We are Canadians first and foremost, no matter what our origin, colour, religious belief or language. There are trying days before us but let us not forget that this is one country and we are one people and that's the way it has to be if we are to survive.

Certainly there are some who aren't happy over bilingualism, over social inequities, over working conditions, over the federal financial pie, over the many things we have come to accept. But let us express our opinions with words and votes and not by guns and bombs. And let those who would take this measure of terror know that as Canadians we all have had it! Long live Canada... all of it!

To the Editor

I'm sure I express the sentiments of all families within our High School District when I write in Congratulations and appreciation of the splendid graduation exercises we were privileged to attend on Friday last.

From the processional of graduates and staff to the strains of Elgar's "Pomp and Circumstance" to the recessional using the same music, the program displayed a dignity that would be hard to match. Having the graduates in gowns, in preference to dresses which focus attention to the girls as mannequins rather than students was, I submit, a step in the right direction. Having the grades remain on platform for us all to see during the presentation of certificates and rewards was gratifying to us ordinary spectators and particularly so to families and close friends.

Another feature worthy of mention was having the speaker at the beginning, before our minds and eyes got befogged with watching so much and so many. All this was accomplished in an orderly manner worthy of professionals. To achieve such excellence I'm sure represented hours of planning and preparation so the staff members responsible are to be congratulated.

The reason I feel impelled to write this letter is that during a long life time I have attended numbers of University Convocations and at least five Commencements in as many different schools yet none has made me more satisfied than our own right here in South Dundas.

AGAIN CONGRATULATIONS.

THE BILL SMILEY COLUMNSMILEY'S
FASHIONABLE VIEWS

By Bill Smiley

Women are in a terrible fret these days, poor dears. The fashion designers have once again thrown them into a dither with their decree from the halls of the mighty that skirts were going down. In length, that is.

For a change, there is a good deal of resentment among the gals. Many are declaring belligerently that they're going to stick with the mini. These rebels run all the way from middle-aged housewives who would look better in a potato sack, to teenyboppers who look great in anything, or almost nothing, which some of them favor.

But I'll lay long odds that, if the designers so choose, there won't be a mini-skirt to be seen within a year.

What does grieve me is that women are such utter sheep, when it comes to style. They do everything but jump through hoops when the designers crack the whip.

When it comes to equal rights, war, the stupidity of men, and other questions of vital importance, women will fight like tigresses for what they believe. They stand united.

I am a great respecter of women in general. They are far more reasonable than men, except when you try to reason with them. They are tender and compassionate, except when they are belting their kids or tongue-lashing the old man for some minor irritant. And they are practical to the point of

being ruthless, except when it comes to clothes.

At this juncture, all their good qualities fly out the window. They become the silly, flirty, indecisive, disunited creatures that they have pretended to be for centuries.

Why can't they be themselves? If I were a woman and had long, tapering, beautiful legs, and a flat chest, I would wear a mini-skirt and be damned to him who first cried: "Hold, enough!"

And if I were short and pudgy, with a big chest, I'd be strongly inclined to wear a maxi Mother Hubbard, hinting at all sorts of mysteries lurking behind the cloth.

If I had bony knees but well-turned ankles, I'd wear a mid-skirt. In short, the skirt is quicker than the eye. It should draw attention away from the less prepossessing aspects (no woman is plain ugly), to the more attractive features.

Now, I'm not just speaking as a man who is ignorant of these things, or uninvolved in them. My wife and daughter have been fighting the battle of the hemline for four years.

"Mom, I can't wear that. It's practically hanging around my knees." This meant that it was

barely covering her pelvis.

"All right, Kim, I'll turn it up one more inch, and that's that."

"Oh, Mom, I'll look like a freak out of the thirties. Why don't you forget the whole thing and go listen to your Guy Lombardo records?"

I think the old lady had the last word. She took the shortest dress she could find, turned it up four inches, and sent it off to Kim at college. It looked more like a blouse than a dress. Even the kid had to admit the only way it could be worn in public was over long pants.

That's another thing they fight over — long pants. When Kim means long, she means trailing in the mud, snow or whatever.

However, my wife is quite happy about the change. She went rummaging through her wardrobe the other night and discovered a whole pile of things that are almost brand new, and just the right length. She'd never got around to throwing them out when the mini came in.

Enough of that. What does please me these days is the dash, flair and élan of men. For two centuries they had been scorned by women for wearing drab

Teach them the wonder of its foliage, the panorama of its seasons, the mystery of ever-renewing life.

Teach them the world God made.

But teach them, too, the God who made the world... the majesty of His Power, the purity of His Holiness... the tenderness of His Love.

Teach them the Christ through Whom our Creator revealed His heart to mankind.

There is no greater tragedy than to cherish a book, but not understand its Author.

Cardinal Pats Exceptional!

Best Ball Players In All Ontario

By Lynne O'Brien (Too late for last week)

Cardinal Pats showed the people of Ontario that some of the best ball players in the province are from the Dundas Fastball League. Pats won the Intermediate "A" Finals of the Ontario Amateur Softball Association to become All Ontario Champs.

A doubleheader on Sunday gave the Pats a beautiful trophy, won by St. Catharines last year, crests and a pennant. A 5-3 win in the first game and a close 6-5 win in the Second game over Kapuskasing gave the Pats all the honors. The trophy was presented to Captain Ed St. Louis on behalf of the President of the O.A.S.A., Clifford Beich, Secretary of Belleville. The crests and pennants were presented by the convener from Belleville. Kapuskasing received a pennant for being finalists.

Ted Hoy pitched the Pats to the 5-3 win with 9 hits, 13 strike outs and 2 walks. Boucher took the loss with 6 hits, 5 strike outs, 5 walks. Kapuskasing grabbed a 1-0 lead in the 1st inning when Vail scored on Dupuis single. St. Louis in the bottom of the first doubled to center

field, Skakum sacrificed to move St. Louis to 3rd. Big Doug Casselman and Jack Hoy walked to load the bases. Dave Stewart's hit was error-ed on by the 2nd baseman, with 2 runs scoring to give past a 2-1 lead. Bottom of the 2nd, Skakum doubled and Big Doug tripled and was awarded home base on an overthrow, with the result a 5-1 lead.

Top of the 4th Dupuis and M. LaBelle had back to back empty bases homers to narrow the lead to 5-3 which stayed for the remaining 5 inning. Each team had 7 left on base.

1½ hours later the 2nd game got underway, with Pats grabbing a 2-0 lead, when St. Louis walked, Jack Hoy's bunt was error-ed, Skakum sacrificed to score St. Louis. Big Doug singled to score Hoy. M. LaBelle homered in the 2nd to narrow the lead 2-1. In the fifth, St. Louis bunted, J. Hoy sacrificed to move him to 2nd. Skakum doubled to centre, Big Doug singled. Bases loaded Dave Stewart doubled to right field and Pats took a 4-1 lead. In the 6th Larry Patterson sent a first pitch over the fence for a 5-1 lead. M. LaBelle scored in the 6th, with 3 runs for

Glowing tribute was paid to Eastern Ontario Hydro commissioners with a combined total of at least 155 years of "dedicated service to the people of the Province of Ontario" at the annual meeting of the Eastern Ontario Municipal Electric Association. Long service certificates were presented to -- back row, left to right, H. A. Cilmer, (former Iroquois Councillor and hydro commissioner now retired); Gerry Joly, Alfred Hydro; Raymond Tourangeau, Alfred Hydro; OMEA President D. C. Huggill, of Sault Ste. Marie, who made the presentations; O. E. Rothwell, Lanark PUC and Reeve E. J. Leeson, of Havelock, a Hydro commissioner for the last quarter century. Front row, W. R. Armour, Carleton Place Hydro; C. Kapuskasing in the 7th to tie the game at 5-5. Dupuis tripled to center field driving in 2 runs and scored himself on an error to the first baseman. In the 9th, Dave Stewart homered 210 feet over right field to give Pats a 6-5 win.

Big Doug Casselman pitched 5½ innings allowing 4 hits, 1 walk, hit 1 and struck out 7. Ted Hoy finished the game with 3 hits, 1 walk, 2 strike outs and hit 1 batter. Raymond and Boucher took the loss with 10 hits, 5 walks and 12 strike outs.

Pats have had a long and successful season winning 9 first place finishes and 12nd place in 11 tournaments and \$2775. In the Ontario series they took Madoc 2-1, Toronto 2-0 and Woodstock 2-0.

Cardinal Pats, All Ontario Champions, lost their league finals 6-0 to Domville Aces Monday in Cardinal in rainy weather.

Aces took the first game 5-2, Pats tied the series with a 3-2 win, and then a 1-0 20 inning game. Aces won the 4th game 1-0 in 10 innings and 4-1 in the 5th game.

Pats swamped the Aces 9-2 in the 6th game to even the series 3 apiece and force the 7th and final game.

Top of the 2nd, Kingston doubled, Hare tripled to drive Kingston in, Porter singled to score Hare and Aces led 2-0. In the 3rd, Thompson singled and Freeman homered to take a 4-0 lead. In the 9th, Skakum singled and Dagleish homered to take a 6-0 win. Pats threatened several times but couldn't score, with each team leaving 8 men stranded.

Alec Skakum took the win with 3 singles, 2 walks, 15 strike outs and hit 1 batter. Ted Hoy took the loss with 8 singles, 2 doubles, 1 triple 2 homers, 5 strike outs, and 1 walk.

Aces received the F.M. Cass trophy, Pats the shield for finishing first, at the end of regular play. Williamsburg Pioneers won the Trophy last year after defeating Cardinal (who led the series 3-1) 3 games straight, the last 2 in 16 innings each. Pats have won the trophy 5 times, including 1968 since it was put up in 1959.

Pats have had a long and successful season, playing 93 games and losing only 18, with Ted Hoy the main pitcher, under the coachmanship of King Lloyd Casselman. Players Are: Ted and Jack Hoy, Larry and Ron Patterson, Rick Farmer, Little Doug Casselman, Earl and Allie Cameron, Ed. St. Louis Gord Woods, Mike Skakum, Ed Orzel, Dave Stewart, Tony McDonald, and batboy Ed St. Louis, Jr.

Interesting speakers at Knox WMS Thankoffering

A large attendance of Ladies from the community churches and sister Auxiliaries of the Presbytery filled the church hall for the annual Thank-offering Meeting of the Knox Presbyterian Women's Missionary Society, Wednesday Evening, October 14th. Associate groups from Iroquois United Church and St. Cecilia's Roman Catholic Church, and representative W. M. S. groups from South Mountain, Morrisburg, Winchester, and Dixon's Corners complimented the attendance of congregational women's groups for an evening of mission education, centred around the theme

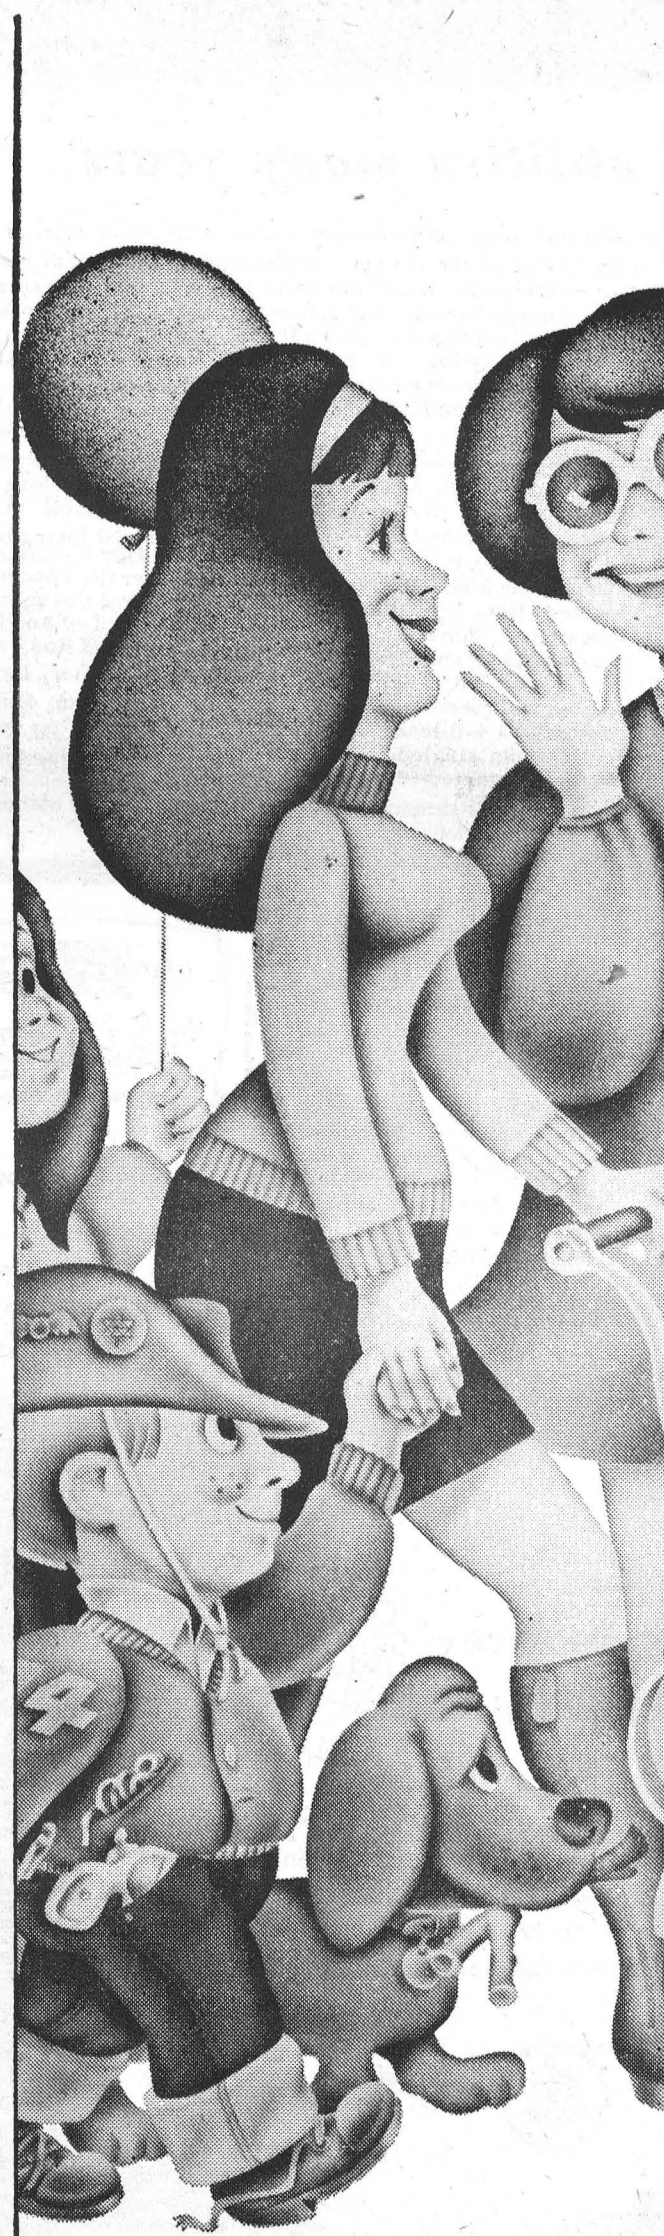

"A Ministry of Personal Enrichment". Mrs. J. W. Moke, President of the Knox Auxiliary presided over the meeting, assisted by Mrs. J. B. Fenton and Miss Nina McGowan, who gave leadership in the responsive reading "A Litany of the Country and City" and in the Thanksgiving Prayer. Mrs. Ruby Bell was pianist for the Thanksgiving Hymn selections, and Mrs. Ivan Doney of Knox Church, Morrisburg, was guest soloist, rendering the beautiful solo number "Sweet Hour of Prayer". The hall was decorated in a harvest setting of corn-stalks

flowers, and a table of produce in a "horn of plenty" setting. A large replica of the globe centred the worship area, symbolizing the worldwide emphasis of the church mission. Guest speakers for the evening were Misses Lois Cooke and Anne Drummond of the Deaconess Order, serving the inner-city ministry of the Presbyterian Churches in Canada, known as Tyndale Neighbourhood House, Montreal. Both ladies presented a comprehensive story of the mission need for renewal within the total Church for mission outreach to the global soc-

iety we live in, illustrating their talks with coloured slides and diagrams. An informal question period followed their presentation. Mrs. Marie Mearns introduced the speakers and Mrs. Katherine Perry expressed the thanks and appreciation of the Auxiliary and the visitors to both guest speakers and Mrs. Doney, guest soloist. The Rev. John Hibbs, pastor, pronounced the benediction at the close of the meeting. Collection officers for the evening were Mrs. W. Safford and Mrs. C. Murphy.

A social time followed, with refreshments being served by the host Auxiliary, the President extending the right hand of fellowship to all the guests on their departure.

The
charge card
for people
who said
they'd never
use one.

We designed the Chargex Card with this in mind. You see, Chargex* is basically a family charge card for everyday use. And we put a family-type limit on it. So you won't "get carried away". But, this way, you really don't have to worry about spending more than you should.

The main purpose of the Chargex Card is to be there when you need it for family shopping and household necessities. (It'll buy shoes for the kids or even pay for prescriptions.)

In fact, there are lots of ways you can count on your Chargex Card to help you out around the house.

You can budget on it.

Chargex can help you organize your household budget. Simply by taking a lot of the confusion out of budgeting. With Chargex, instead of getting a whole lot of different bills each month, you get one billing covering everything. It lets you know what you bought, when you bought it and how much you paid. Simple. (And again, there's a sensible limit so you won't overspend.)

Bargain hunt on it.

When you carry your Chargex Card, you can take advantage of sales and special prices. Like when you're short of cash and spot a bargain, you can grab it.

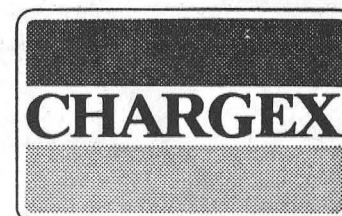

Save the day on it.

You'll find it's nice to have your Chargex Card around when little emergencies crop up. Unexpected things like car repairs, or when the dryer breaks down and you've got a whole load of clothes in the washer.

Don't pay interest on it.

You can have all the advantages of Chargex absolutely free. You simply pay off any purchases within 25 days from your billing date. Up until then, there's no interest charged. And by the way, Chargex has no annual membership fees.

So, while your Chargex Card won't let you go out and buy the world, it sure makes life a lot easier around the house.

"THE PEOPLE AT CALDWELL'S"

Who makes it run?

Yarn Preparation Department

The Yarn Preparation Department has 29,400 sq. ft. of processing space, which includes several processes

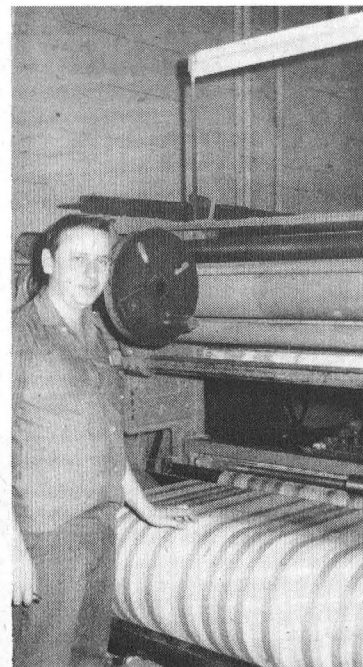

in getting the yarn prepared for the manufacture of towels. Shown below are a few of the people at their various occupations vital in keeping Caldwell's operating.

Slasher Tender

Meet Kay McKee, who is a Warper Tender. Kay has been with Caldwell's since September, 1966. She is married and lives at 213 Victoria Street, Iroquois. The Warpers wind yarn from cones onto a section beam in either white or patterns, producing approximately 60,000 pounds weekly. Great skill is required in producing these section beams. The production from this process goes to the Slasher Department, which is the next process in the Yarn Preparation Dept.

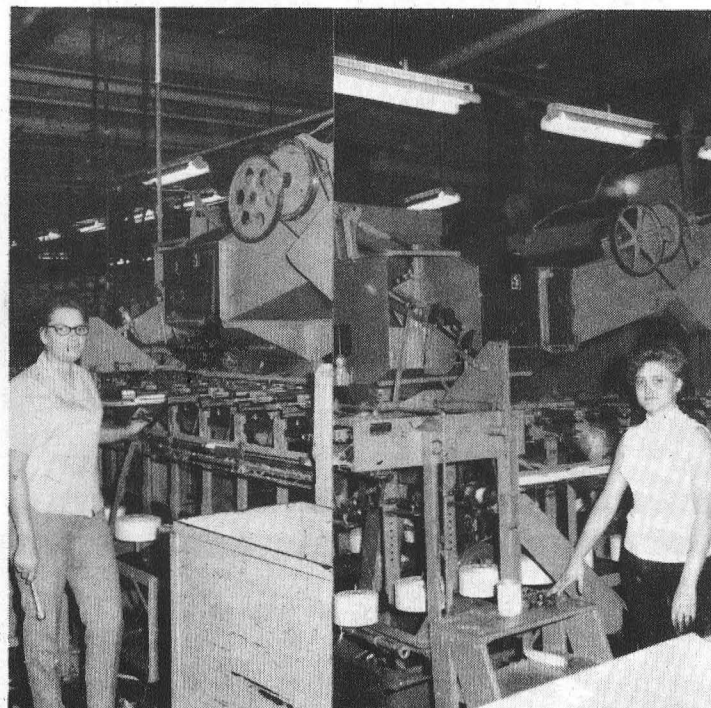

Warper Tender

Meet Bryce St. Pierre, who is a Slasher Tender. Bryce has been with Caldwell's since August, 1963.

The purpose of the Slashing operation is to add a sizing compound to the warp yarns, strengthening the yarns for weaving. The weekly production is approximately 75,000 pounds of yarn on loom beams in either white or patterns.

Quilling Tenders

Meet Lorraine Yates and Linda Keeler, who are Quilling Tenders. Lorraine has been with Caldwell's since August, 1960 and Linda since July, 1968.

The Quillers wind yarn from

cones onto bobbins, which is packed into filling cans for the Weaving Department. The weekly production is approximately 42,000 pounds of various yarn counts and colours.

Pictured above is Norma Carlough of our Yarn Preparation Department receiving her 5 year pin from Mr. G. Pulfer, Department Supervisor.

Our Congratulations and appreciation to Norma for her service to Caldwell's.

OPP REPORT

Now that birds are on the wing again and the fall season is with us, this is a most suitable time to remind duck hunters of their obligations to the law and for conservation and safety.

The following are some basic facts that every duck hunter should know and observe.

All firearms must be unloaded and should be cased while in transportation by car to the hunting area.

It is illegal in Ontario to shoot migratory game birds from a power boat unless it is beached, anchored, or secured to a fixed hunting blind.

It is legal to use only a shotgun not larger than #10 gauge and containing no more than three shells in the magazine.

Use only boats of sufficient size and stability that the movements of a retrieving dog will not capsize it.

It is advisable to hunt in pairs so help is immediately available in case of an accident.

When shooting in pairs, hunters should sit close enough together to prevent getting in front of each other's gun muzzle.

When hunting from a boat, each person should wear an approved life jacket.

The observance of these suggestions will help make your hunting safer and much more enjoyable.

Ontario Provincial Police in Dundas County patrolled 11,344 miles while working 1,180 hours. During this time officers laid 49 charges while issuing 31 warnings under the Highway Traffic Act of Ontario.

CARD OF THANKS

I wish to take this opportunity to thank all those who remembered me with cards, treats and visits while I was a patient in Winchester Memorial Hospital, and Ottawa Civic.

To the nurses, doctors, and staff I wish to offer a hearty "Thank you" for all the services and kindness shown me.

Has UNICEF Taken The Fun Out of Halloween?

This year, about 3/4 million children all across Canada, most of them under 12, will become, for a few short hours, the most important part of international aid in Canada.

In Iroquois the Brownies will canvass Wednesday, October 28th, from 3.30 to 5 p.m.

At Hallowe'en, armed with their familiar black and orange boxes they collect, along with Hallowe'en treats, a major part of UNICEF'S Canadian income, mostly in pennies and nickels. The money they raise -- last year about \$666,000 -- goes to help children much the same age as themselves in the developing countries of the world with long term programs of education, health care, nutrition and, where necessary, emergency aid.

Each household will only be canvassed once.

Before they start collecting, a great deal of activity takes place behind the scenes. Boxes have to be distributed and the young collectors have to be told the reasons why they are collecting and the good their money will do. Many volunteers and organizations assist in the work of preparing the children for their important night. Afterwards comes the task of counting and banking the money.

All this sounds most worthy and commendable, but quite

frankly, don't the kids find this serious stuff a bit of a drag? Wouldn't they be happier if we just left them to collect sacks of candy?

Probably the best answer is to let the children speak for themselves. Here are excerpts from just a few of the many letters that UNICEF received from them after last year's Hallowe'en campaign:

"On Hallowe'en night, I thought about you more than candy"

"for the ones who are sick and the ones that have no clothes I hope you get some"

"soon as you get the money I hope you will be happy for the rest of your life"

"On Hallowe'en we were given UNICEF boxes to collect money. We counted it and rolled it. We took it to the bank. They counted it and said we were right. We hope you have fun with your money"

"I was a ghost"

If you need further proof that children have MORE fun with modern style Hallowe'en -- that they have learnt the joy that comes from sharing with others -- take a look at the face behind the collecting box on October 31.

Maybe the rest of us could learn something from them.

Other countries have pollution problems too -- and they're even bigger than ours.

WMS and Ladies' Guild met at South Mountain

The Fall Thank-Offering meeting of South Mountain Auxiliary to W.M.S. was held in the Fellowship Hall of St. Andrew's Presbyterian Church with Knox W.M.S. Iroquois as guests.

Mrs. Arnold Shaver, Presid-

ent was in charge assisted by the Secretary Mrs. G. Blow.

The Supply Secretary, Mrs. Don Scott read a letter stating that our Bale of Clothing had been received at Kenora and was much appreciated.

Making a Comeback

Pamela Tyrrell is only five years old and still having trouble tying her shoe laces. When the little fingers just can't make the laces hold, Pamela goes to her daddy, who ties a perfect bow. This is not as easy as it seems because the little girl's daddy lost his sight and his left arm in a mining accident ten years ago. Through the efforts and financial assistance of Workmen's Compensation Board and the CNIB Michael Tyrrell is almost self sufficient. He is now working towards his Master of Social Work Degree.

"Glad Tidings" renewals were received. "Thanksgiving" was the theme of the program. Psalm 136 read in unison was followed by Prayer by Mrs. Blow. Mrs. Lorne Boyd and Miss Jennie Cameron presented the program assisted by Rev. J.J. Hibbs who showed the film "This Sustaining Bread"

Cards of Thanks

I would like to say a sincere thank you to all my friends relatives and neighbours for all their lovely cards. Flowers and gifts while I was a patient in Winchester Hospital. To those who were so thoughtful and took my wife to the Hospital. Special thanks to Dr. Rosenquist, Dr. Diemert, and Dr. Dwane Justus. And also the nurses and orderlys on the first floor for their wonderful care.

Special thanks to Rev. Mar-dock for his prayers and visits. To Rev. Leroy and other ministers who called and prayed. All these acts of Kindness will never be forgotten and may the Lord Bless each one of you.

Gordon Casselman.

Many guests at October meeting Iroquois W.I.

The October meeting of the Iroquois Women's Institute was held in the Civic Centre with sixty-three members and visitors in attendance. The Institutes of Matilda, Morrisburg, Williamsburg and Riverside Heights were all represented. Mrs. Lottie Merkley was pianist for the Institute Ode, followed by the Mary Stewart Collect. President Mrs. Vi Hare read three poems - An Irish Blessing, A Smile, and Thanksgiving in her address of welcome.

Secretary Mrs. Ruth Ewing read minutes of previous meeting which were approved following one correction. For roll call many lovely tea towels were received for our kitchen, and each member told a home remedy used in grand mother's day.

Correspondence was read and dealt with, and we were advised this is the 50th anniversary for the Wington Women's Institute in England and a suitable gift had been provided.

Treasurer Mrs. Moffatt gave a detailed statement, and received dues of one member.

The cooking demonstration to be given by Mrs. Seeley, Mrs. Eckford and Mrs. Sixty was discussed and motion made and approved that we hold this demonstration on "Gunpowder Day" November 5th, in the Civic Centre, from 1-5 p.m. if the hall is available to us that day. All ladies of the community are to be invited by notices and posters.

Home Economics, Health and Safety Convener Mrs. Vivian Seeley introduced her program on the Versatile Potato with a Thanksgiving poem from an old Golden Rule Book. Her demonstration table was centered by Mr. and Mrs. Potato, a very attractive couple; and the Hallowe'en candles were set in potato candle holders surrounded by fall leaves.

The many types and grades

of potatoes available to us in all forms, including dried and frozen, were described as "The cook's best friend". The statement "potatoes are NOT fattening" was verified when calorie comparisons were made with other everyday foods. Potatoes are the only single vegetable recommended in Canada's Food rules for daily serving.

From a Canadian Emigrant's cookbook we were told how our ancestors made their

starch from potatoes; and pictures of artistic potato prints were shown. We were advised to always use only coarse salt in cooking potatoes, and to cook them in jackets as often as possible.

Mrs. Seeley demonstrated many unusual dishes using potatoes, some of which were tasted during demonstration, others were held until lunch time. She proved they can be used at any meal and in every course. We were told of potato Candy, and shown potato salad with glaze; potato pancakes; Norwegian lefsas, potato muffins and biscuits, sweet potato pudding, potato chocolate cake, potato fruitcake and potato doughnuts.

Mrs. Davis's comments on the motto - "One - third of the food we eat keeps us alive, while the other two - thirds keeps the doctor alive" was enjoyed by everyone.

Cartoons of "Trevor the OPP Safety Bug" were supplied by Constable O'Brien and were posted on a bulletin board for all to see.

A loving and lovable old couple in rocking chairs and a mini-skirted "teenager" created a few laughs when the president, convener and secretary spent a few minutes on stage. Two contests - A Farmer's Loveletter, and A Hallowe'en Cat - were conducted by Mrs. Ewing and won by Mrs. Smith of Morrisburg, and Mrs. Summers of Iroquois.

Following "The Queen" the hostesses, Mrs. Moffatt, Mrs. Sixty and Mrs. Banford served the lovely lunch they and Mrs. Seeley had provided. Mrs. Norton extended them a vote of thanks and each visiting W.I. also expressed appreciation for such an interesting and educational evening.

Seaway Footballers Action

N.D.S.H.S. vs SEAWAY.

Last Wednesday afternoon under muddy conditions the Seaway Spartans tied North Dundas 0-0. Both offensive teams threatened in the first half, but each time the Defensive teams held "tight".

The game provided excitement with fumbles and tough physical contact. Late in the fourth quarter the Spartans looked as if they might score but that drive was snubbed out. The tie sets the stage for "a must" win in Brockville next Wednesday.

Brian Keyes.

SOCCER.

On Thursday the 15th of October, Seaway and Prescott met in a soccer game. In the first half of the game Kevin Baldwin scored from the left outside; then, in the second half, we had another score from Tony Menkhurst.

Seaway won their first soccer game 2-0 over Prescott. James Adams.

VOLLEYBALL

On Saturday October 17th at Seaway District High the Junior Volleyball Team played host to Brockville, St. Lawrence, Thousand Islands, and South Grenville. St. Lawrence dominated the volleyball tournament going the distances with a record of 4 - 0.

South Grenville and Thousand Islands were dead locked with a record of 3 - 1. Seaway's seven-man team placed third with a 1-3 record defeating Brockville two games straight.

Mr. Stevens presented the St. Lawrence team with the Junior Volleyball Trophy. Jeff Scully.

HEART OF DARKNESS

In the play Romeo and Juliet that we are studying, I feel that the lovers' tragedy does not affect me personally. The story of their star-crossed love concerns people only from an emotional angle. How can I be concerned over a play written ages ago in Verona?

This Monday morning I feel much more deeply the tragic death of a fellow - student from Seaway. His death was only last night, and therefore a thing of the present. He lived in the same area, has a sister and brother at school, and drove over the same roads.

Yet his death is not as much of a concern to the great majority of the people. See Page Eleven

A Letter of Concern

With the current atrocities that are happening in a world where Christian love and understanding appear to be overshadowed by the spirit of evil in the hearts of men, we ask ourselves what we can do about such terrible behaviour.

The response that I want to offer is one that you can do something about, personally. In the face of terrible violence, you and I need to renew within our own lives the Christian practice and affirmation of brotherly love that takes us first before God both privately and corporately and then sends us out as servants of God among men. Our example for this pattern of conduct is none other than Jesus Christ in whose name we are baptized.

We have a most urgent need to each our little children, at home, in school, and in church school a sound belief in God, and to offer them a solid set of Christian values by which to shape their lives. But chiefly we need to offer them the vital teaching of our own Christian commitment and quiet witness.

I appeal to you to renew as a sharp necessity in the face of terrible evil your life of personal prayer and Scripture reading, and your daily practice of the presence of Christ. Jesus himself was a revolutionist, but His was the revolution of love, forgiveness, peace, and personal freedom for those enchained by their own sins. Let this be our kind of revolutionary commitment. Can you imagine my deep concern and shame to see in the newspaper the picture of a child whom I baptised twenty years ago now holding an F.L.Q. banner! Parents, do you see what I mean by instilling the teachings of Christ by our own example? And I share with you your cry for help!

In the choice of good or

been found that a child with a "strong eye" tends to take over the work of the weaker eye, and if the 'lazy' eye is not discovered early, it can lead ultimately to loss of vision in the weak eye. The clinic will be conducted by professional personnel with the Lions giving a hand where needed.

Lion Dan Robertson sighted the Donkey Base Ball event as one of the most successfully supported endeavours, with twenty-seven Lions taking an active part. There was an attendance of roughly eight hundred people, and the sum of four hundred dollars was realized for the lighting of the ball park.

News that Mr. Frank Rooney is a patient at Winchester and District Memorial Hospital brought the members sympathetic concern, and all of us wish Lion Frank a good recovery.

The Iroquois Lions Club is in search of a good Pianist, male preferred, and we hope to have him on duty for the November second meeting. Our Lions not only roar, they want to sing; and one hopes that there will be some subtle distinction between the two achievements!

Double Ring Ceremony Hulbert United Church

On Saturday October 10, in Hulbert United Church Marilyn Ruth daughter of Mr. and Mrs. Delbert Fawcett, South Mountain, became the bride of Laverne Bruce, son of Mr. and Mrs. Leslie Bruce of Bancroft.

Rev. James Stewart officiated for the double-ring ceremony. The bride entered the church while relatives and friends sang the hymn "O Father all creating" with the wedding music played by Mrs. Howard Mellan. Barry and Brent Fawcett, twin brothers of the bride sang the Lord is my Shepherd and O

Perfect Love during the signing of the registrar.

The church was beautifully decorated with autumn flowers in keeping with Thanksgiving.

The bride wore a floor length gown of white velvet held in place with a crown of seed pearls and crystal, she carried a cascade bouquet of white carnations and red roses. Mrs. Myles Lewis sister of the bride as Matron of honour wore a floor length gown of red satin with lace jacket. She carried a basket of gold poms, wheat cat tails

and oak leaves.

The groomsman was James Hannah of Brantford nephew of the groom - ushers were Ray Bruce, Bancroft brother of the groom and Bud Fawcett brother of the bride.

Following the ceremony a reception was held at the brides home Hulbert, where the guests were welcomed by mother of the bride wearing a navy blue dress and coat ensemble her corsage was of white carnations.

The groom's mother assisted wearing a pink lace dress matching accessories and a pink and white carnation corsage.

For a wedding trip to Western Ontario the bride changed to a white wool dress and matching coat with orchid corsage.

Guests were present from Bancroft, Ottawa, Cornwall, Osgoode, Montreal, Stirling Kingston, Trenton, Spencerville, Cardinal, Allanburg, Pittston and Kemptonville and North Gower. Mr. and Mrs. Bruce will reside at 240 Bradford Street, Ottawa.

Prior to her marriage, Marilyn was honoured at several showers - given by Mrs. Mae Serviss, Mrs. Carl Link and friends at Metrop-

HOCKEY

Morrisburg Combines, Cornwall Flyers, Embrun Panthers, and Prescott Barons will participate. League games will open in Cornwall November 13th at 9 p.m. with Prescott as the opposition. Training camp will open in Morrisburg on Friday, October 30th at 8.30 p.m. It is hoped that as many of the local boys interested in playing with the Combines will turn out for practice. Management wants to build a team around the Combine Veterans that are in the locality. Combines will host Embrun at the Community Centre on Friday November 6th at 8.30 in an exhibition game at which time many new faces will appear on both Embrun and Morrisburg. Combines and in fact the whole league will be strictly on an amateur basis, we therefore appeal to the fans to support us at the gate as sticks and all equipment needed to provide entertainment for you is a costly proposition.

Seaway

From Page Seven, as that of Pierre LaPorte yesterday morning in the Province of Quebec. Canada's problem brings world wide sympathy and individual, Canadian concern. Students at Seaway, let us hope and act as Canadians, and in these tragic times strive for the future "that good may be the final goal of ill."

Laura Butcher.

October 15th, the girl's basketball teams (senior and junior) versed Osnabruck at Ingleside. The Seniors played a very competitive game but lost 20 - 39. In the Juniors' game, our girls were victorious by a score of 47-20. Special note should be made to the outstanding players of this game.

Anne Summers, a Junior player, scored 24 points and Arlene Summers a Senior player scored 12 points. The next game will be played at Seaway, we wish both teams good luck.

On Hallowe'en we usually remember to lay in a good supply of candy, but don't forget the pennies! Nearly 3/4 million children, all over Canada, will be collecting coins for other youngsters in real need, all over the world. They are playing their part in helping. Make sure you can, too.

Have your pennies ready at Hallowe'en. The witches and goblins at your door are collecting coins for others as well as candy for themselves. About 60 percent of all preschool age children suffer from malnutrition. UNICEF assists nutrition programs in Asia, Africa, Latin America and the Middle East.

SMILEY

(from Page 2)

blues, browns and greys. Lately they're as colorful as jungle birds.

Just the other day, a friend of mine whom I thought a confirmed bachelor, was married. He was clad in an Edwardian jacket, with lace collar and fringes of lace peeping out at the cuffs. The jacket was decorated with autumnal flowers of all shades. How about that? Presumably he also wore trousers, which were not described. Probably green velvet.

Well, I have to buy a new suit this week, first in four years. I haven't quite decided whether it will be maroon with a mustard stripe, or off-mushroom with purple checks. But it will probably turn out to be grey.

Mrs. Bryan Duval Hosts Hainsville UCW

The October meeting was held in the home of Mrs. Bryan Duval October 6th. The president opened the meeting with a reading on "October". The minutes of the previous meeting were read and approved. The roll call was given, the collection was received and dedicated followed by the business session.

Mrs. Wilbert Safford was in charge of the programme, the

first part of which was related to "Thanksgiving" the second part was based on "The Bible". "Sing to the Lord of Harvest" was sung in opening followed by prayer. The scripture taken from Colossians 3: 1-17 was read by Mrs. John Cutler. The Meditation "Be ye Thankful" was read by Mrs. John Vanderweide. A poem "Thanks to God" was read by Mrs. Graham Fossitt and a reading "Two Magic

Words" was read by Mrs. Walter Murphy. Hymn no. 577 "Come ye Thankful people come" was sung. Prayer by Mrs. Bryan Duval followed by a Bible Quiz by Mrs. Safford. "The Bible, there it Stands" was read by Mrs. Cecil McDermott. "The timeless Word in a Changing World" was read by Mrs. Robert Hanes. "Read your Bible through again" was read by Mrs. Newell Hanes.

A poem entitled "The Bible in the Schools" was read by Mrs. Maude Fader. As a closing thought we were exhorted to "Search the Scriptures". "Praise God from Whom all Blessings flow" was sung and prayer closed the meeting.

A vote of thanks was extended to the hostesses for the use of the home and the lunch provided.

Your Workmen's Compensation Board. Protection is our job.

We help in many ways

Accident prevention The Accident Prevention Associations of Ontario work with management and labour to reduce the hazards of the work environment, and to establish safe work habits through safety education.

Medical expenses However long he may require it, a worker is entitled to all the necessary medical care relating to his injury.

Compensation If a man is off work because of a job accident, we send him a tax-free compensation cheque every two weeks.

Vocational rehabilitation If a worker requires rehabilitation services, including job retraining, before he can return to work, we will provide them. There is no limit to the amount of time and money we are able to spend to help a man get back on the job.

Help us to help you

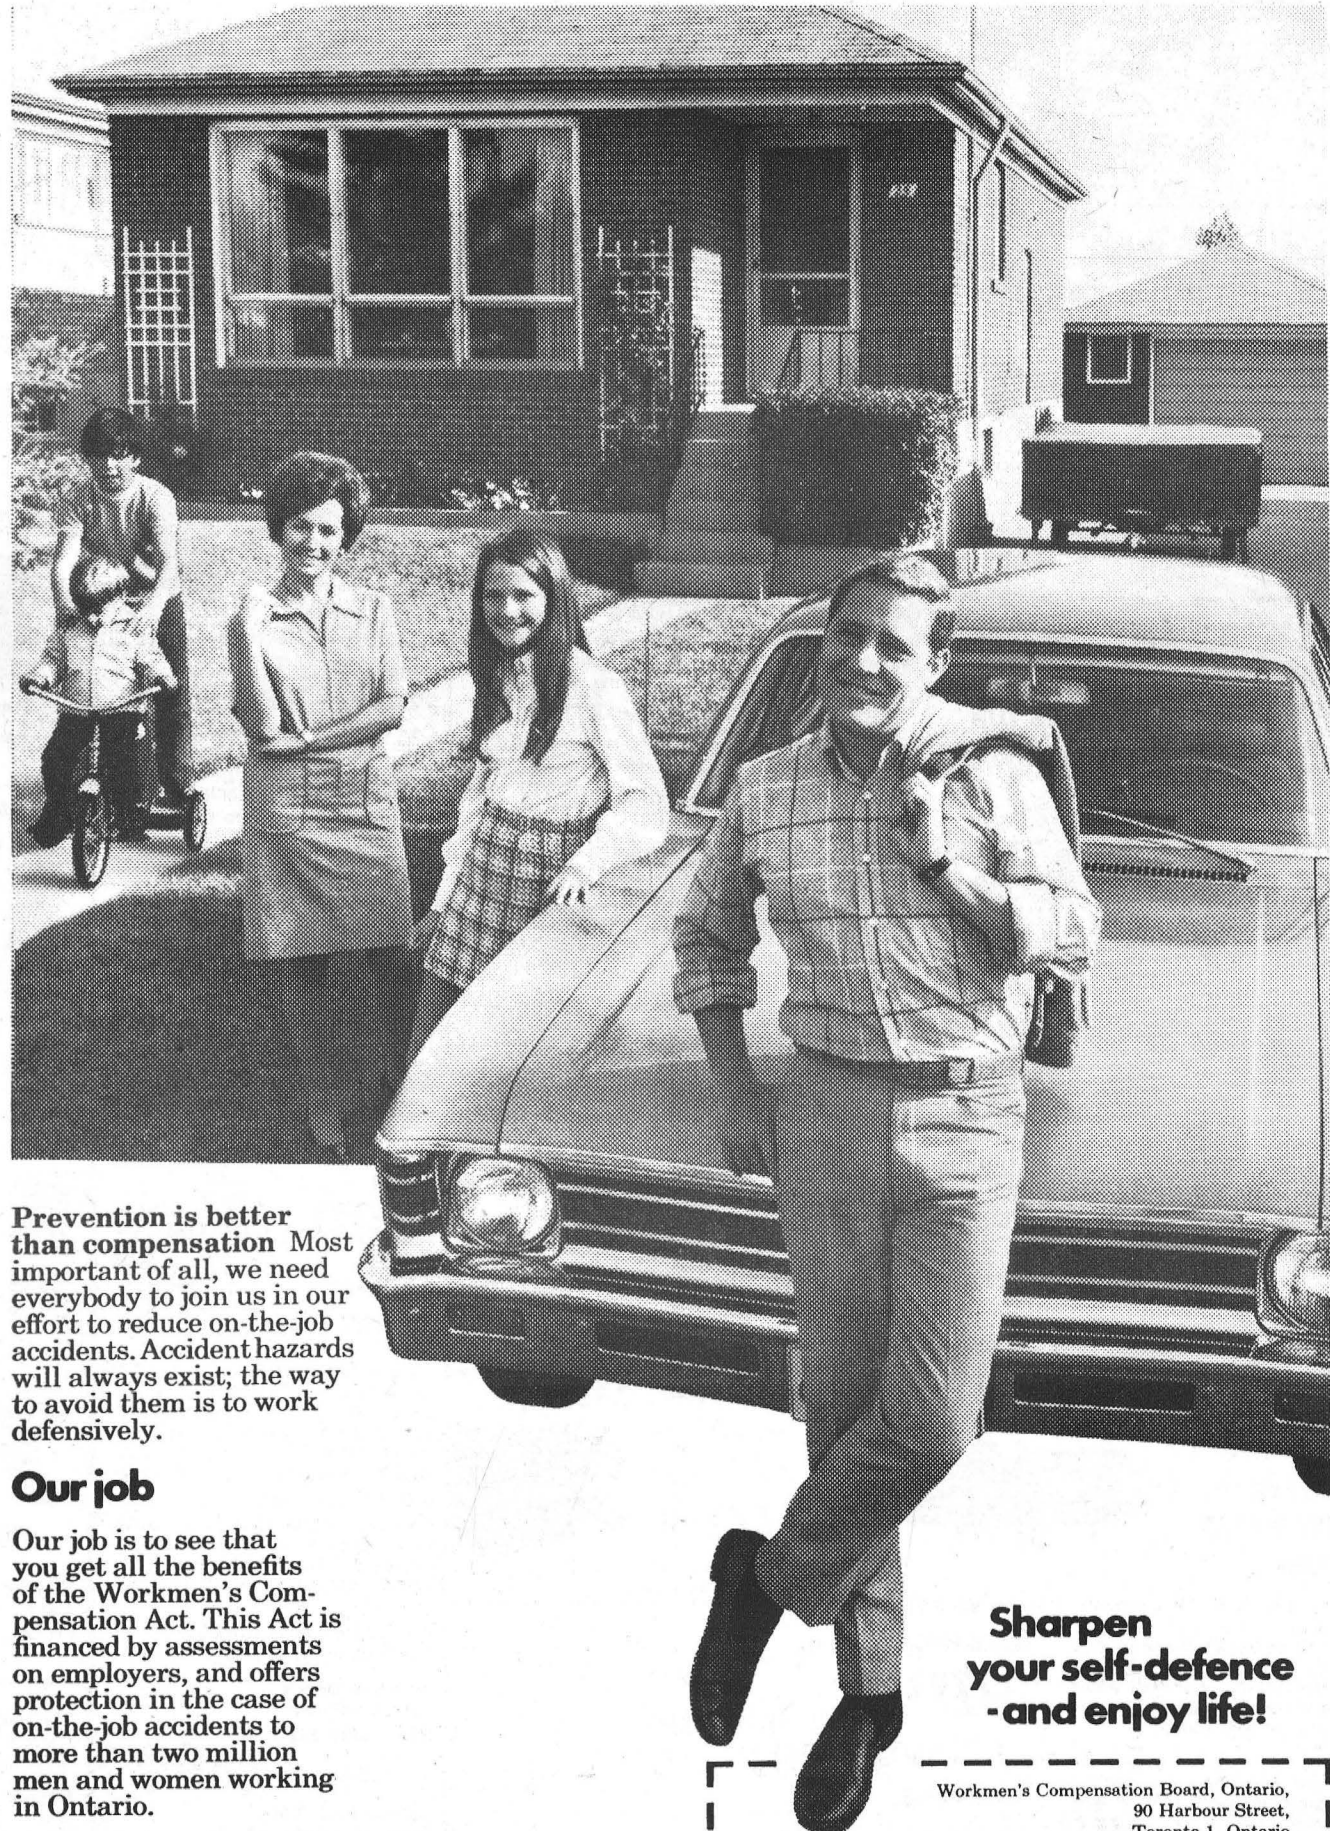

We give every claim the same fast, fair and thorough attention. But to give everyone all the help they are entitled to in time of trouble, we need the co-operation of many people.

We need a prompt report of every accident

We can act on a report from the injured man, from his employer, or from his doctor. From the day we hear of the accident, we can put the first compensation cheque in the applicant's hands in five days.

The disabled worker needs your goodwill

Whether you're an employer or a fellow worker, give him a chance to show what he can do. It's a man's abilities that count, not his disabilities.

Prevention is better than compensation Most important of all, we need everybody to join us in our effort to reduce on-the-job accidents. Accident hazards will always exist; the way to avoid them is to work defensively.

Our job

Our job is to see that you get all the benefits of the Workmen's Compensation Act. This Act is financed by assessments on employers, and offers protection in the case of on-the-job accidents to more than two million men and women working in Ontario.

Sharpen your self-defence - and enjoy life!

Thanksgiving Services At Hulbert United Church

The Church Service at Hulbert United Church on Thanksgiving Sunday morning, was both impressive and well-attended, when the combined congregations of Brinston United and Hulbert United Churches worshipped together.

The Hulbert Young People under the sponsorship of Lois Flegg and Bruce Aldridge had decorated the church in keeping with the Thanksgiving theme; they also furnished the special music for the service, with Lois Flegg as organist and Mrs. Sam Keyes as Junior Choir director.

During the service the sacrament of Infant Baptism was performed by Reverend James Stewart; David Christopher Airth, son of Mr. and Mrs. Douglas Airth of Agincourt, Ontario, and David John McCargar, son of Mr. and Mrs. William McCargar of North Gower were baptized, following their presentation to the minister and the congregation by Mrs. Nelson Scharf, representing the church elders.

Both of the children's mothers grew up in the Hulbert community, and had been active workers in church and Young People's work previous to their marriages; Mrs. Airth was the former Margaret Sullivan, daughter of Mr. and Mrs. Donald Sullivan, while Mrs. McCargar was formerly Elaine Ellis, daughter of Mr. and Mrs. Mac Ellis. On the previous afternoon (Saturday) another former Hulbert girl, Marilyn Fawcett, had been

married in the same church by the same minister, making the Thanksgiving week end rather unique in the life of the Hulbert Church.

Following the baptismal service and special music by the choir, Rev. Stewart spoke most fittingly on the significance of infant baptism in the life of the church and of the individual; with it, he combined a short message on the Thanksgiving theme.

Cardinal welcomes

Dr. G. T. Chang

The Village of Cardinal welcomes Dr. G. T. Chang and his family to the community where he has started his practice as a General Practitioner in association

with Dr. A. Stewart Allen.

Dr. Chang was born in Hongkong and attended Preliminary schools there and in Canton, China. The outbreak of the Sino-Japanese war forced him to flee to West China along with thousands of other Chinese students. He entered the West China Union University, in Chengtu where he graduated in Medicine in 1944. That University was largely staffed and financed by the United Church of Canada.

After graduation he interned at the United Church of Canada's Mission Hospital, Chengtu and Lingnan University Medical College Hospital, Canton. Later he held an appointment with the Department of Health in Hongkong for some years.

Dr. Chang first came to Canada in 1955. He spent the next three years taking a Rotating Internship in the Montreal General Hospital and became a resident physi-

cian at the Grace Dart Hospital for Tuberculosis. In 1956 he became a Licentiate of the Medical Council of Canada.

After his return to Hongkong he opened his private practice in that city. Political change in China which have infiltrated into Hongkong made him decide to return to Canada and he arrived in Toronto as a landed immigrant with his family in the summer of 1969. He has held an appointment for the past year on the resident staff of St. Joseph's Hospital, Toronto in the departments of Internal Medicine and Pediatrics.

His wife, Mrs. Chang is a graduate nurse who was

engaged by the Hongkong Department of Health for many years.

PLEASANT VALLEY

Mr. and Mrs. Hilliard Gilmer and mother spent Monday with Mr. and Mrs. William Bolton, Prescott.

Mr. and Mrs. William Davidson and children were Thanksgiving guests of Mr. and Mrs. Lee Kennedy.

Mr. and Mrs. Hilliard Gilmer and mother spent Wednesday in Prescott.

Mr. and Mrs. Mansel Wallace and Mrs. Lizzie Wallace visited Mr. and Mrs. Earl Gilmer on Saturday evening.

Mr. and Mrs. Sammy Cowan and children spent Thanksgiving with her parents here.

Saving used stamps

The Ottawa Bible Society has asked us to save used stamps for resale, and the Iroquois Bible Society has named representatives from each congregation to whom you can bring your used postage stamps.

Anglican Lydia Mustard, Presbyterian Bill Barnhardt Jr., R.C. Mrs. Jim Rigby, United Church Miss Edith Bender. Simply tear or neatly cut, depending on the time you have and how you do things,

stamps from your incoming mail, and bring them to your congregational representative well before November 15th, which is the date of Rev. Mr. Bridle visit to our churches. His visit marks the occasion of launching the annual Bible Society Campaign.

In the 1960's we have given some fifty-two hundred dollars for the support of the Canadian Bible Society in Iroquois and community, shall we do less in the "seventies"?

This is where you're sure of prescriptions at reasonable cost!

Is the PARCOST symbol displayed at the pharmacy where you get your prescriptions filled?

If it is, you can be sure your pharmacist is interested in helping you obtain prescriptions at reasonable cost. Concern about both quality and cost of drugs, and interest in the patient who pays the bill, is the whole theme of the PARCOST program.

A copy of the PARCOST Comparative Drug Index that your Ontario Department of Health has sent to your doctor, is in constant use in pharmacy dispensaries. This authoritative Index of quality

drugs enables your doctor and your pharmacist to see at a glance the differences in cost of various manufacturers' drugs of the same formula and strength . . . and to be aware of cost when prescribing or dispensing your prescription.

As the PARCOST program gains more and more support from physicians and pharmacists, the end result will be to lower the average cost of prescriptions in Ontario.

You can help hasten this day by always getting your prescriptions filled at a pharmacy where the PARCOST symbol is displayed.

The Hon. Thomas L. Wells, Minister

Laity Sunday observed

The annual Laity Sunday Services were observed at Knox and St. Andrew's Presbyterian Churches, Iroquois and South Mountain, Sunday, October 18th, with lay members of both congregations conducting the services and bringing the laymen's address entitled "Getting the Word Around".

Messrs. Ray Smollett and William Barnhardt Jr. of the Knox congregation, and Messrs. Ted Robinson and Wayne Scott of St. Andrew's, appointees of the respective Kirk Sessions, presented an impressive sense of shared responsibility in the Ministry of the Word, commented on by the Minister, the Rev. John Hibbs, in the closing moments of the services. The Knox Senior Choir, under the direction of the Minister, with Mrs. Ruby Bell, organist presented the stirring anthem selection, "A Pentecost Hymn", in modern folk song.

At the close of both services, the lay participants greeted members of the congregation on their departure from the sanctuary.

Laity Sunday is observed in the Presbyterian Church in Canada in recognition of the shared responsibility of lay representatives and the clergy in the act of Public Worship, and particularly the ministry of the Word.

Next Sunday, October 25th, the Sacrament of Baptism will be administered during the morning worship at Knox Church, Iroquois, and the Knox Junior Choir will give leadership in the ministry of music, offering the beautiful anthem selection, "Joy-bells Ringing" by H. Tucker.

Ontario. Is there any place you'd rather be?

Ontarians are the kind of people who wouldn't be here if there was any place better. We are people who came from a hundred lands and stayed to build. People with backbone and brawn and a hunger to succeed. Men and women who've created a standard of living in decades that other lands worked centuries to build. If we have a flaw it's our chronic modesty. Ontarians may be proud to be Ontarians and Canadians... they just seldom tell anyone. From an economic point of view that's wrong. The more people we have boosting Ontario and Canada the better it is. And we've got a lot to boost with. Our education system is a good example. In the 60's we saw a need for higher learning; by 1970 we'd built five more universities and

doubled student enrolment. The Community College was born in the same period and twenty were established in just three years. These new colleges of applied arts and technology offer diploma courses in everything from biochemistry to air traffic control. We need a vigorous economy of course, to support these important programs. And, that's where you come in. Though our productivity has doubled in ten years and our incomes in twelve, Ontarians don't sit on their successes. There's a demanding decade ahead full of challenges and opportunities to make the quality of our lives better yet. To meet these challenges we've got to believe in ourselves. Which, when you think about it, isn't such a bad idea.

Everytime you boost Ontario... Ontario and Canada get a little stronger.

Government of Ontario  John Roberts, Prime Minister.

Tuesday, October 27

6 TO 8 P.M.

An eye Clinic test could prevent blindness in your child...
Won't you take time to attend this clinic. This eye clinic, sponsored by Iroquois Lions Club, in cooperation with the Public Health Service is to test for condition known as AMBLYOPIA (more commonly known as the lazy eye) in which the central vision of one eye does not develop in sight.

YOUR FUTURE TAKES SEEING

If amblyopia is discovered by the age of three and definitely before age six, the deficient eye may be treated and corrected. After the age of six there is little hope that amblyopia can be corrected.

This Clinic is a Free Service

This clinic is for children THREE to SIX YEARS OF AGE. We urge you to take advantage of this opportunity because
