Cannamore 5, Chesterville Seconds 4

Chesterville Seconds were trimmed on Tuesday night at Cannamore by the score of 5 to 4. The game was fast and the hard checking of the Cannamore boys held the lighter Seconds at some disadvantage. Up to within twelve minutes of the finish the score was tied at three each, which just about represents the play during the game. In the last twelve minutes Cannamore got by for a couple moregames while the Seconds only managed to notch one. The return game will be played here shortly when with better lights the local boys will find the nets more effectively.

Schneider-Pruner

The church of Our Lady of Grace, Dickinson Landing was the scene of a very pretty marriage at 8.30 o'clock Wednesday morning, January seventh, when Ellen Anastasia, youngest daughter of Mr. and Mrs. Patrick Pruner, became the bride of Mr. Joseph John Schneider of Cleveland, Ohio. The marriage ceremony was preformed by Rev. Corbett McRae, parish priest of Dickinson Landing, the wedding mass being sung by Rev. Father Cameron of Cornwall. The bride who was given in marriage by her brother Mr. Almer P. Pruner, was beautifully attired in a sand colored silk georgette gown over heavy brown satin and wore a large black velvet hat trimmed with ostrich tips, the underbrim being of cloth of gold. The bridesmaid, Miss Mary McMahon, cousin of the bride, was dressed in mauve silk with large black picture hat. The groom was supported by Mr. Edward J. Pruner, of Smiths Falls, cousin of the bride. Mrs. Frank Clarke presided at the organ playing Lohengrin's and Mendlessohn's wedding marches at the beginning and end of the ceremony, respectively, and during the Mass she sweetly rendered the Ave Marie.

Upon leaving the church the wedding party motored to the home of the bride's parents near Farran Point where a sumptuous dinner was served, the dining room being beautifully decorated with evergreens and vines. Is Chesterville Your Home Town?

It is unfortunate that the citizens generally did not accept the invitation of Reeve Hamilton, last Friday evening, in a common sense "get-together-meeting" for the good of Chesterville. The invitation, we believe, had no other motive than an endeavor to get the citizens together at the beginning of a new year to discuss any and all matters that might be brought up, in a heart-to-heart manner, leaving all petty jealousies aside, and only considering what could be done to the advantage of Chesterville as a whole in the year 1920. The invitation was ignored by all citizens with the exception of perhaps a dozen, who put in an appearance between the appointed hour of eight o'clock and an hour and a half latter. Has it come to a point with our citizens that they do not care a snap of their fingers about the town they have selected to be their home town? It must be so or surely a sufficient number to be representative would have pride enough in it to at least accept an invitation to discuss with the head of the town what might be done for its betterment. If our own people think the welfare of Chesterville is not worth an hour of their time what do they think the opinion of outsiders must be?

Wilburn Edgerton has Arm Broken

Tuesday afternoon Wilburn Edgerton of Grantley, had a very narrow escape from death. With Thomas Loucks he was working in the bush felling a tree with the intention of bringing it down in a certain position but in falling it lodged in an adjoining tree and the butt swinging around knocked Edgerton against a log pinning him there by the right arm which was broken between the elbow and shoulder. Loucks had very great difficulty in releasing Edgerton and taking him to the house, where surgeons were quickly summoned and the fracture reduced.

Successful Social Events

The musicale and tea at the home of Mrs. Hooks last Wednesday afternoon was a very pleasant and bright event. This is the second of a series arranged by the Women's Institute, the proceeds which are to be used for local purposes have been most satisfactory. The first one at Mrs. W. G. Bolster's resulted in $34.50 being added to the treasury and from the one at Mrs. Hook's $63.00. This is very encouraging to the Institute as is also the fact that their work is recognized and appreciated as the following letter shows.

To The Women's Institute.
Ladies:—

I am instructed by the Nestle's Food of New York, to give to charity the sum of fifty dollars ($50.00) received by the Maple Leaf Condensed Milk Company, from the Lords Day Alliance to defray expenses of expert witnesses called to attend the trial of The Maple Leaf Condensed Milk Company, for the operation of their Chesterville Plant, on Sunday, which was to be held at Winchester, on November 4th, 1919, but, which was postponed, due to the lack of evidence on the part of the Alliance.

Upon investigation, I find that your worthy organization through your ceaseless efforts to care for the sick and needy, in our midst, and your loyalty and patriotic efforts to do your bit during the late war, has placed you in the position justly earned to receive this gift.

It is with pleasure, I have the opportunity of recognizing your splendid organization and trust that you will all be spared to futher the objects aimed at for a long time to come.

Attached please find cheque for fifty dollars ($50.00) for which the writer will be pleased to receive a receipt. Very truly yours,

HEBER HOOKS,
Superintendent.

"You got nothing on me, ma'am." retorted the man. "I've been walking for 59 years."

The Standing

	Won	Lost	Draw
Finch	1	0	1
Merrickville	1	1	1
Berwick	0	0	1
Winchester	0	0	2
Chesterville	0	1	1

During the past week two games were played one a drawn game and the other a win for the home team. On Friday night Winchester went to Merrickville and held the league lenders to a tie game at 2 all. Tuesday night Merrickville hooked up with Finch on the latter's ice and were handed the first decisive defeat in the league, that is buy a margin of more than one goal, the score being five to three with the Finch boys apparently eased up. Finch now leads the league.

To-morrow night Finch plays on Chesterville ice and it is up to Chesterville to win this game if they are to stay in the race. Good practices have been held all week and our boys are going fast with every confidence that they will put the race in a three cornered tie for first place on Friday night. The game will start sharp on advertised time at 8 30. There is plenty of accommodation for the large crowd expected and the game can be seen from all sides.

Berwick Defeats Fast Aberdeen Sextet

The fast Aberdeen team from Ottawa were given a surprise when they invaded the Berwick Arena on Friday evening. Visions of a leisurely work-out soon vanished when they saw the Berwick "Whirlwinds" in action. The final score stood Berwick 12, Aberdeens 6.

The game was very fast and much closer than the final score indicated. During the first period the visitors ran wild and play centred around the Berwick nets. H. Miller and Hutt bombarded Jeaulnt, each scoring a goal. Berwick now cut loose and L. Hutt scored after one of the most spectacular rushes of the evening. The play for the remainder of the period was very fast with Aberdeens shading the locals Three more tallies were made and the period ended Aberdeens 4, Berwick 2.

The second peroid was marred by mishaps to the visitors, Miller their sterling defense man was struck by the puck and forced to quit. McIntosh fell and was severly cut by a skate while Pasch also stopped the rubber with his cranium. Without these three men Aberdeens were unable to withstand the combined rushes of A. Ouderkirk, L. Hutt, H. Ouderkirk and Braithwaite. The period ended Berwick 7, Aberdeens 4.

The third period provided the fastest hockey ever seen in Stormont. Aberdeens started strong and successful tallies by Hutt and McIntosh made it look as though the visitors might yet win out. But Berwick came back strong and inside of ten minutes notched six goals. Weakened by the loss of three of their best men Aberdeens were unable to penetrate the Berwick defence. The final score stood Berwick 12, Aberdeens 6.

The line up was as follows.—

Berwick		Aberdeens
Jeaulnt	Goal	Meillen
LaFontaine	Point	Pasch
L. A. Hutt	Cover	H. Miller
A. Ouderkirk	Centre	Gagien
Braithwaite	R. Wing	W. Hutt
G. Ouderkirk	L. Wing	McIntosh

Substitutes, Berwick—M. Foster, G. Alguire, H. Ouderkirk, H. Shaver.

Substitutes, Aberdeens—Campbell, W. Miller, I. Pasch.
