Here and There

by Kay Kay

Last week it was a dog that was found and reunited with its owner. This week we have a pigeon on our hands, cooped in the garage at home, just waiting for its owner to come and pick it up.

Now it's not just an ordinary pigeon . . . the kind that fly in and out of th ebarn, swoop into the grain fields and generally speaking leave a mess wherever they go. This one is a purebred, properly tagged, and looking downright tired. It carries tag number 941 on its left leg. It was found at the shopping plaza in Iroquois and after a few attempts at capture, finally was caught. Nothing would do but to have it taken home o be fed and watered until its owner could be found.

Probably got tired and came down for rest and food. It didn't have a message tied to its leg carrying an urgent plea for help, or anything like that. Nope it was just a pigeon out on a trip and we had to call a halt to its wanderings!

If you have a pigeon or pigeons and have any idea who this bird belongs to, don't hesitate to call us at The Post. Before one of the kids figures its "finders keepers" or the old man decides he hasn't had a feed of that kind of meat for quite a while and we get the barbecue started!

A quote from the postal strike: "The strike has certainly cut down on the paper work around here (the Dominion Bureau of Statistics), and that's a traumatic experience for any bureaucracy."

Odd Cuke In Our Window

If you take a look in our window in the next few days you'll see two dandy cucumbers growing together. Courtesy of Harold Dunbar, town.

Most Are Back From Holidays

We couldn't begin to name all the people who were on holidays this summer to various parts of the country but one family we will mention brought home a new member to the family. Mr. and Mrs. Arliss Casselman, Laurie and Richard, enjoyed a trip to the west coast and on the way home stopped at Toronto airport long enough to pick up a Corgi. (Being a dog of course!)

Personals

Mr. and Mrs. Jack Reid, Toronto visited a few days with her cousin, Mrs. Pearl Campbell and Mr. Campbell.

Mr. and Mrs. William Campbell attended the graduating class of the Brockville General Hospital school of Nursing in the Collegiate Institute auditorium where Sheila Irving, daughter of Mr. and Mrs. Arthur Irving, Cardinal, graduated.

Mr. and Mrs. Robert Weagant and children, Danny and Anne of Don Mills, Ontario are guests of Mr. and Mrs. L. J. Gibbons.

Mr. Robertson Gibbons and sons David Duncan and Douglas of Kitchener, Ont., were recent guests of Mr. and Mrs. L. J. Gibbons.

BORN

CASSELMAN — Born at Winchester Hospital, August 7th, to Ron and Linda (nee Barkley) a daughter (Traci Joann) 7 lbs. 1 oz. A sister for Todd.

AT HOME

Mr. John W. and Flossie Merkley will be at home on the occasion of their 25th wedding anniversary on August 18th from 2 to 4 p.m. and from 7 to 10:30 p.m. (Please omit gifts).

OMMISSION

The names of Mrs. Ruby Bell as organist and Mrs. Elaine Hopkins as soloist were mistakenly omitted in the wedding announcement of Mr. and Mrs. R. Johnston last week.

WHAT A COOKOUT!

In the background, beside the new building erected this summer to serve the tourists who visit the area with tents, trailers or by plane, are a group of Master Chefs, busily preparing breakfasts at the rate of one a minute at times. Included in the "cooks" were Ed. P. Thompson, Jack Saver, Allan Fisher. Keith Beaupre, Bruce McKay and Ken Kirkby.

THIS ONE'S A BEAUT!

If one could guess what's on the minds of the fellows looking over this plane, it is quite possible they said "This one's a beaut!" and many a compliment was paid the pilots on their planes during Sunday's Fly-In. Altogether, 65 planes landed and departed from Iroquois after their occupants had breakfast. It was a thorough success!

65 Planes Land For Fly-in Breakfast

Sixty-five separate planes landed at the Iroquois Municipal Airport on Sunday morning, bringing visitors from points around Ontario and Quebec to a Fly-In Breakfast, the second such event held in the community. Last year's breakfast attracted 45 planes.

It was up early for the crew who prepared the food and those who checked in the planes and looked after the parking arrangements. And it took a whopping pile of eggs and bacon and beans' not to mention dozens of rolls and hundreds of cups of coffee to feed them.

Around 400 eggs and 30 lbs. of bacon, and many pounds of beans were served between 8 a.m. and just after noon to keep up with a steady stream of visitors. Many people from the village, as well as Fred Cass, MPP, Chesterville, came out early for breakfast and to watch the planes. Before the day was over dozens had taken a flight over the village, the locks and the dam, and dozens of others just sat in cars and watched the planes coming and going all day. The last plane left just at dusk.

Organized by plane enthusiasts and interested village citizens the Fly-In was staged to promote the village and create interest among flyers in coming to this area not only on this occasion but future occasions.

BERTHA HUTT

Interred at Sprucehaven

The funeral service for Bertha Hutt, wife of the late Peter Hutt of Irena and Haddo was held on Thursday, August 1st in the Chapel of the Fairbairn Funeral Home, Brinston.

The service was conducted by the Rev. Gordon of Williamsburg

Mrs. Bertha Hutt was the daughter of the late Samuel La Porte and Catherine Cooke.

She and her husband Peter farmed for many years at Haddo and Irena and in 1944 retired due to ill health.

She leaves to mourn her loss one sister, Mrs. S. A. Thompson of Iroquois and two brothers, Wilfred of Lunenburg and Lloyd of Winchester, also one nephew Donald S. Thompson of Iroquois.

Interment was at Spruce Haven, Brinston.

The pallbearers were Roy Tousaw, Billy Gibbons, Ford McCaslin, James McGinn, Roy Ennis, Harvey Barkley.

Fire Siren To Ring Often

During the next few weeks village residents may be startled by the noise of the fire siren. Every Saturday at noon there will be a testing of the equipment, which means sounding the alarm.

Don't be alarmed.

Wed In States

Miss June Marie Willis, daughter of Mrs. Elbert C. Golder, Dover, Del., was married to George Laing McIntosh, son of Mr. and Mrs. John W. McIntosh, Watertown, Route 1, Saturday, July 20th at 11 a.m. in Concordia Evangelical Lutheran church with Rev. John N. Campbell, pastor, officiating.

The bride wore a floor length sheath gown of peau de soie and beaded Alencon lace, ending in a chapel train. A peau de soie bow held her short net veil. She carried a bouquet of white daisies centred with an orchid.

Mrs. Colette Littlefield, Camden, Del., was matron of honor, and Miss Sharon Sue Willis, Dover, Del., was bridesmaid. Edward Mereand was best man. Ushers were Irwin McIntosh and Stephen Golder, Dover, Del.

A reception was held at the Country inn, Sackets Harbor road. The couple lives at Watertown, R.R. 1.

Mrs. McIntosh is a graduate of Dover High School. Mr. McIntosh is a graduate of Hounsfield Central School.

Mr. McIntosh is a grandson of Mrs. Lloyd Miller, town.

Will Be Missed In District

There passed away at Winchester District Memorial Hospital on August 5th, 1968 one of our most respected and beloved senior citizens, Mrs. Margaret Gillespie.

She was born at Hanesville, February 8th, 1876, daughter of the late Charles E. Dewland and his wife Mary Ann Barkley.

She was twice married. Her first husband was the late David Christie of Pleasant Valley. She then married John Gillespie of Ventnor. He predeceased her in May 1942.

She was a faithful member of the United Church and taught Sunday School until recent years.

She had been in ill health for the past two years. Most of this time she had been cared for by her grandaughter Mrs. Ruby Larabee. She had been in Winchester Hospital since May 22nd.

Her two brothers Charles and Will Dewland and one sister Mrs. Ed. Collison predeceased her in 1967.

Also her stepson Steward Christie died in 1952, and her daughter, Mrs. Dorothy Moses died in April, 1962.

She leaves to mourn her loss her daughter-in-law, Mrs. Myrtle Christie, of Prescott and a sister-in-law, Mrs. Leaphy Dewland of Brinston, several nieces, nephews, grandchildren and great grandchildren.

The remains rested at the Fairbairn Funeral Home at Brinston. The funeral was held in Brinston United Church on Wednesday, August 7th. at 2 p.m. with Rev. Hibbs conducting the service.

The choir sang the favourite hymns of the deceased.

Burial was in Spruce Haven Cemetery.

The pall barers were Brooks Hanes, Ralph Brinston, Percy Gilmer, Delmar Adams, Gordon Cooper, Gerald Munro.

The many floral tributes and donations to the Heart and Cancer Fund and the UCW testified to the esteem that Mrs. Gillespie was held.

20 Mile Hike

Those Boots Are Made For Walking!

This Saturday you can pull on a pair of your best "walking shoes" and head out on a twenty mile hike. Right from Iroquois Shopping Plaza, down to the Brinston Road, North to Dixon's Corners passing through Stampville and Irena, then West to Hainsville, then South through Haddo and into Iroquois Shopping Plaza.

The first steps will be taken at 9 a.m. and already there are over 300 who have picked up and signed entry forms. The forms are available at The Iroquois Post and from the Legion Hall, as well as from all service stations in Iroquois, Morrisburg and the surrounding area.

Prime reason for holding the Walkathon, as it has been officially dubbed, is to provide funds for the Legion Branch and its Ladies Auxiliary to put an addition on the Legion Hall, on Dundas Street. The Legion Hall, by the way, will be closed during the duration of the walk.

Many hours' planning has gone into the walk, including the setting up of an ambulance service, with St. John's Ambulance personnel in attendance. Eats and drinks will be provided along the route, as will cars for those who may be forced to drop out from fatigue and sore feet and legs.

First aid stations will be set up at intervals along the route, and all in all, every effort is being made to take care of any emergencies that may arise. Ontario Provincial Police officers will also be in attendance to assist along the route where necessary.

One last word to those who have or will be entered: get as many sponsors as you can and make every step pay off for the Legion's new addition. (Any Ladies Auxiliary or Legion member wishing to donate sandwiches, etc., are asked to call Mrs. Cora Easter at 652-4427, and they will be picked up.

Let's step out folks!

Mr. and Mrs. Edwin Johnston

Brinston Couple 55 Years Wed

August 11th was a red letter day for Mr. and Mrs. Edwin B. Johnston of Brinston, as they celebrated their 55th wedding anniversary at their Brinston home. Mr. and Mrs. Johnston were actually married on January 29th, 1913, but circumstances made the August date more practical.

During the day the couple were At Home to their friends and neighbours, as well as relatives who came from as far away as Peoria, Illinois. During the afternoon and evening they entertained several hundreds people, with daughter Laura M. Johnston, and son and daughter in-law, Mr. and Mrs. Lawrence Johnston receiving the guests. They were assisted by Mrs. Wm. McQuaig and Mrs. Dora Wylie.

The couple were wed at the Anglican Church in Iroquois, the bride being the former Clara Armstrong. They farmed east of Brinston until about ten years ago when they moved into Brinston and retired.

Their family consists of a daughter Laura, son Lawrence and grandchildren Eleanor, Linda, Laura, Susan and Anne.

Visitors came from Jasper, Brockville, Groveton, Ottawa, Kingston, Kemptville, Williamsburg, Winchester, the immediate area, and from DeKalb Junction, N.Y.

The Post and its readers extends best wishes to the couple on behalf of its staff and readers.

Now Who Gained By All That Hullaballoo?

Looking over the effects the strike had on the country and the raise in pay that the postal workers received, and the hardships that were placed on too many people leads us to some interesting conclusions.

First of all, the government provided these workers with an alternative to strike action in an act of parliament; they could go to arbitration if they wanted to. They could have settled this whole thing long before they did. It leads us to believe that perhaps the government was wrong in providing the postal workers with the opportunity to hold up the entire country at its pleasure.

The deed has been done and fortunately a settlement was reached at a time when we had just about reached the end of the rope. Like all small businesses we couldn't afford the extra costs of long distance calls, the trips by car, the lack of money coming in because we couldn't get bills out, the almost complete stoppage of news and of national advertising. And we are speaking only of one small business in one small village of Canada. Multiply that many thousand times and a few more days would have caused irreparable harm to many a small businessman and his employees.

Is this a true democracy? Can one group of people dictate to another group of people without the one being wronged having any say repealing or amending the act that gives any group such power to control or destroy another.

The mails are almost back to normal in most areas of Canada but we will not easily forget what could have been. It may serve us well in the future.

We Could All Help A Little

This Saturday, the Iroquois Legion and the Ladies Auxiliary will sponsor a Walkathon. The purpose, of course, is to raise money. The aim is to raise money to build an extension to the Legion Hall so that the groups can make better use of their building. At present it is not suitable to use for wedding receptions and the like but an addition, with adequate kitchen and other facilities could bring the two groups into a position of being able to make a great deal more use of the existing facilities and in turn, provide another service in the community.

To get into the act, all you have to do is sign up for the 20 mile walk or sponsor someone else to walk for you. It's as simple as that! Forms are available at all service stations in the area or at The Iroquois Post.

The walk is from Iroquois plaza to Dixon's Corners, to Hainsville, and back to Iroquois. You'll pound a lot of pavement if you walk all the way but you'll be helping someone every step of the way. There's consolation in that . . . plus a lot of sore feet.

SUGAR AND SPICE by Bill Smiley

We get letters

Teachers get some pretty funny notes from parents, explaining the absence of a pupil. Usually it's because the harassed mother or father stabs down anything at the last minute, as the kid, heading for the door, and already late, screams in dismay; "Oh I gotta have a note."

Thus you get such things as, "Please excuse Jane's grandmother for being absent due to her illness." The baffled teacher finally figures out that granny had the 'flu and Jane had to stay home and look after her because Mom can't miss a day at the shoe factory, because that's the only way she can muster enough money to buy Jane some decent clothes so she can go to school, so she can be a real whiz and help out Granny and Mom.

Sometimes the notes are not so funny. "Please excuse Jim for being late as he had to appear in court this morning for drunk and disorderly, but it was the other guy's fault."

Well, teachers aren't the only ones who receive sad and funny letters. The rest of the column will be made up of sentences taken from actual letters received by the Toronto Welfare Department from applicants for aid and assistance.

They may explain why English teachers look so stunned so much of the time. The sentences will be in quotation marks. The comments will be whatever comes to mind.

"I am very annoyed that you have branded my son illiterate as this is a lie. I was married to his father a week before he was born." She didn't mean illiterate. She meant illegible.

"In answer to your letter, I have given birth to a boy weighing ten pounds. I hope this is satisfactory." Really, what could be more satisfactory?

"Unless I get my husband's money pretty soon, I will be forced to lead an immortal life." And good luck to you, Missus. There should be a lot more of that type of positive thinking in the world.

"Mrs. Jones has not had any clothes for a year and has been visited regularly by the Clergy." No comment.

"This is my eighth child, what are you going to do about it?" What, indeed? It's certainly time somebody did something. Or stopped doing something.

"I am glad to report that my husband who was reported missing is dead." Now there is a sentence of which Hemingway would be proud. Not a syllable too much or too little. The emotion is retrained. Note that she said "glad", not "delighted".

And here's one with the same theme, but a different twist. "Please find for certain if my husband is dead, the man I am living with can't eat or do anything until he finds out." There's drama for you. There's tragedy. Think of the poor devil, starving to death, unable to smoke or drink or pick his teeth or pull the fluff out of his belly-button.

Here's another that shows a nice respect for bureaucracy. "In accordance with your instructions, I have given birth to twins in the enclosed envelope." And they thought The Pill was a big deal!

Another mom writes, "I cannot get sick pay. I have six children. Can you tell me why?" There's a beautiful logic there somewhere, if you could just put your finger on it.

"I haven't any children as yet as my husband is a bus driver and works day and night." But think of all that overtime.

And finally. It sounds like an old chestnut, but teachers actually get notes like this. "I want money as quick as I can get it. I have been in bed with the doctor for two weeks and he doesn't do me any good. If things don't improve, I will have to send for another doctor."

This is Medicare?

REPORT

What may have been a successful bank robbery came to an abrupt end in Morrisburg area last Saturday evening. Prov. Const. L. Heidinga, while on routine patrol on 401 highway, gave chase to a speeding car. After a lengthy persuit he called ahead to a cruiser driven by Prov. Const. Steve Fraser, who assisted in stopping the speeder. The presence of liquor in the vehicle and the producing of a phoney drivers licence aroused the suspicions of the officers leading to a thorough investigation. The result was that two Montreal men, Larry McClemens and Bernard Pion, were arrested and turned over to Metro Toronto Police Department, who charged them with armed robbery of an Imperial Bank of Commerce Bank in Toronto. Over $12,000 was recovered from the vehicle and will be returned to the bank. But for the alertness of these two officers, the robbers may have simply been issued a traffic ticket and successfully completed their evil deed.

On the highways last week officers patrolled 11,310 miles of highway and secondary roads in a total of 751 duty hours. During this patrol 115 traffic charges were laid with 58 warnings being issued. Ten property, damage and one personal injury accidents were reported and investigated. One person suffered minor injury.

Investigations into infractions of the Liquor Control Act of Ontario produced two charges under that Statute. Investigations were conducted in 36 other occurrences including 3 thefts and 6 disturbances.

A total of 10 hours was spent in the courts with 60 convictions being registered.

Camp Opens at Glen Becker

The South Dundas Community Summer Camp opened at Glen Becker and attendance jumped very quickly to about 60 children We have been fortunate to have a good number of volunteer leaders. The children are divided into "Animals" and "Fish", the "animals" being the senior group Within the "Animal" group there are Horses, Giraffes, and Bears; the "Fish" are further divided into Porpoises, Sunfish, Black Bass, and Goldfish. Mary Casselman, Winchester, is senior leader for the Fish and Wilma Angus, Winchester, is senior leader for the Animals.

Each day at camp begins with a devotions period. Father MacDonald, Morrisburg, and Rev. Bell,, Elma, led these periods for our first week. Devotions is followed by an exercise period, then we break up into groups for academic work. The academic work continues until approximately 11:30 a.m. when we begin sports and active games.

Most of the children stay for lunch. All who stay are provided with a glass of milk.

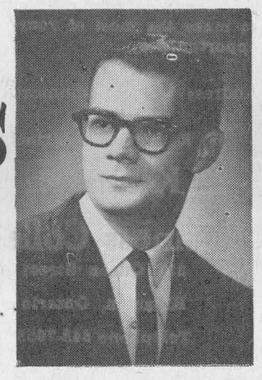

The craft period begins immediately following lunch. The preschool groups leave at 2:00 p.m. while the others continue until 3:00 p.m. with quiet games, singing, and sometimes other active games. We all meet as a group just before leaving, and sing songs which we all know, or talk about things of interest to all at camp.

The programming is based around weekly themes: the circus, farm life, Indians, and the oceans. A closing programme will be presented for parents and others interested in the camp Thursday August 29 at the camp site east of Glen Becker.

Something to Think About

With 7 months gone by in 1968 the accident rate in Dundas County is down from last year. Remember — ACCIDENT is just a word until you have one, why not keep it that way.

BELL LINES

Look what an important month August has been. Columbus sailed from Spain in August 1492. Talking motion pictures were shown for the first time in New York City in August 1926. The first message by Atlantic cable was sent in August 1858. Word War 1 began in August 1914. World War 11 ended in August 1945. The Red Cross was established at Geneva, Switzerland in August 1864. The world's first Long Distance telephone call was made August 10, 1876 between Brantford and Paris, Ontario.

August 18 this year sees introduction of Econo-Pak service which offers a package of Long Distance calling to individual line residence customers. This new service provides 60 minutes of Long Distance calls a month from your telephone to any number of points that you might wish to call within your home province provided that they are served by Bell Canada dial telephones. Charge for the total 60 minutes in only $10. All calls will be timed on a per minute basis. Econo-Pak service rates are available between 12 noon and 8 p.m. any day in the week. For full details just call your Business Office at Brockville.

My "spies" are at work again and word they are sending back from visits to Man and His World in Montreal glow with enthusiasm. It's Expo without the jostling crowds but all the sparkle and world-in-miniature interest of last year. Two of the more eye-catching buildings have changed character inside this year. The former British Pavilion, now topped by a gigantic flag of Montreal, features the Music Belfry and has become a meeting-place for music lovers. The other section of the building has become Cars of Yesteryear where exhibit-s pay tribute to the pioneers of the automobile. The 20-storey geodesic bubble which last year housed the American exhibit has been transformed into a fascinating aviary and garden area —really, an exotic indoor park. Some 800 birds of 150 different species are housed in enormous cages. In fact, in one section, visitors walk into a tropical garden to be greeted by flamingoes, peacocks, toucan birds with their huge beaks, and dozens of other brilliantly colored birds from tropical lands.

Several new exhibits are fascinating visitors this year. The Humor Pavilion gives a fun-filled look at the lighter side of life: Dolls representing people from the five continents and the way they dress provide a lesson in History and is a veritable museum of man in the Mirror of Man Pavilion. The Telephone Pavilion now has two sections. Canada 67 brings back the thrilling Walt Disney Circle-Vision 360 film. The other section of the building is now Montreal 326 and recalls the 326th anniversary of the city of Montreal.

Poland and Ireland are two new participants in Man and His World. And for those who wish to relive Expo 67 there is a memorial pavilion where the great moments are remembered. A collection of flags of the participating countries, costumes worn by the hostesses of the various nation pavilions, slides, photos, reports and newspaper clippings are all there. Again this year Man and His World seems to be the place to visit for a comfortable, quick voyage around the world.

LEAGUE LEADERS
DEFEAT IROQUOIS 2-0

The league leading Chesterville Nestles defeated Iroquois Legion 2-0 Friday, August 9th, in Iroquois, in a regular league game in the Dundas Intermediate Fastball League.

Left fielder, Guy scored the visitors first run in the top of the second inning.

Both teams were held scoreless until the top of the seventh inning when pitcher Stan Woods scored Chesterville's second run.

Iroquois had many scoring opportunities but could not get the hits at the right time to score men that were on bases.

Iroquois Legion now possess a 7-7 record for 14 points and second place.

The Legion team plays their next home game Friday, August 16th at 7:00 p.m. in Central Park as Cardinal are the visitors.

IROQUOIS LEGION
DEFEATS BRINSTON

The second place Iroquois Legion won their seventh game of the 1968 season by defeating the 3rd place Brinston Bears 9-5.

Brinston took a 1-0 lead in the opening inning on a run by Casey as Iroquois were held scoreless. Both teams played tight ball in the second inning and held each other scoreless.

Iroquois Legion continued to play solid ball in the 3rd inning, holding Brinston off the scoresheet for the second straight inning. In their bottom half of the 3rd inning, Iroquois took over a 3-1 lead on runs by Summers, Ousa and Jack Coulter.

Then Brinston Bears roared back to tie the game at 3-3 on runs by Cowan and Markell in the top of the fourth inning.

This sparked Iroquois on to a powerful attack on the Brinston pitching staff of Casey and Cliff Warren for 6 big runs and the Bears downfall. These runs were scored by Gord Summers, Ron Potvin, Alex Dusa, Roy Lapier, Tom Wallace and Jack Coulter.

Brinston scored a run in the fifth inning by Casey to give Iroquois a commanding 9-4 lead after 5 complete innings of play.

The visitors finished the scoring in the top of the sixth inning on a run by Cliff Warren. Iroquois did not use the bottom of the 6th inning as the game was called by darkness on the decision by game umpire Garry Hall.

A fine turn out of local fans turned out to see this fine game of fast ball. Iroquois have now won 7 and lost 6—thus a 3 point lead over 3rd place Brinston. Tonight (Wed., Aug. 14th) Iroquois are playing in Brinston at 7:30 p.m.

Cardinal will visit Iroquois on Friday, August 16th at 7:00 p.m.

IROQUOIS LEGION
WINS 6-3

The Iroquois Legion Fastball team won their 8th game of the season in the Dundas Fastball League by virtue of a 6-3 victory over Cardinal on Monday, Aug. 12th, in Cardinal.

Bud Perry started pitching for Iroquois and was relieved by Gord Summers in the 3rd inning.

Summers opened the scoring for the Legion in the top of the first inning and Cardinal were held scoreless.

Iroquois were held down to no scoring in their half of the second inning.

Kavanaugh tied the game at 1-1 after 2 full innings of play. Randy Thompson put Iroquois ahead 2-1 in the top of the 3rd inning. Cardinal bounced back and took over a 3-2 lead on runs by J. Murray and Bill O'Brien.

This started the Iroquois Legion on to a 3 run rally and a 5-3 lead in the top of the 4th inning with runs by Summers, Bill Duval and Dale Roberts. Cardinal were scoreless to end the 4th inning.

Cardinal kept Iroquois at bay in the 5th inning and the Legion team kept Cardinal also off the scoresheet. After 5 complete innings of play Iroquois held still a 5-3 lead.

Iroquois scored their final run of the game by Dale Roberts. Both teams were scoreless in the 7th inning.

The Iroquois Legion remain in second place 3 points ahead of Brinston Bears. The next games for the local team will be 7:30 p.m. in Brinston and Friday night in Iroquois at 6:45 p.m. against 4th place Cardinal.

Fatalities Down In June

Traffic fatalities in Ontario during the month of June, 1968, took a sharp drop of 12.1 per cent over the total during June of 1967 — and figures for the first six months of this year showed an overall reduction of 6.7 per cent.

"The number of fatalities from January 1st to June 30th of 1968 was the lwoest it has been during the comparative period for the past four years," Hon. Irwin Haskett, Ontario's Minister of Transport, announced today. "There was also a significant reduction (3.6 per cent) in the number of fatal collisions on Ontario's highways during the same period".

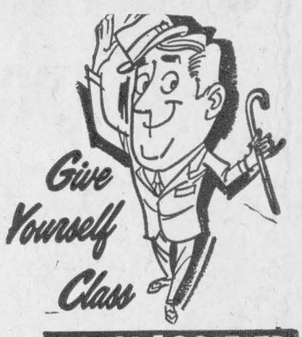

Here are the figures for the six-month period, made public today: Fatalities, 636 (1968); 682 (1967), fatal accidents, 540 (1968) and 560 (1967).

Included among the fatalities were (figures in brackets show 1967 figures for the same six months); 256 drivers (263); 200 passengers (196); 144 pedestrians (181); 19 motorcyclists (26); 3 motorcycle passengers (just half of the 6 in 1967); and 13 bicyclists (more than double the 6 recorded in the same period of the previous year).

"The figures for the first six months of this year are encouraging Mr. Haskett said. "And I would like to thank all the drivers of the Province who have helped bring about this reduction in the number of fatal accidents."

"At the same time, I urge all drivers to help protect themselves and other users of the road by making sure they know the traffic laws and that they obey them at all times."

Lay A Block For The Legion Building Fund!

A Walkathon is going to take place on August 17 starting at 9 a.m. from the Shopping Plaza. Forms may be picked up at most places of business in town as well as the Legion Hall on Saturday morning.

The route will be twenty miles and it is hoped that almost three hundred marchers will take part.

The money collected will be used to put an addition to our hall.

First Aid stations will be set up along the route as well as an ambulance with St. John's Ambulance personnel. Eats and drinks will be provided along the route.

Nurses will be in attendance as well as transportation for anyone not being able to walk. We hope not too many will drop out.

Get out and secure sponsors; they are all needed no matter how small the donation.

Any Ladies Auxiliary member wishing to donate sandwiches etc. please contact Mrs. Cora Easter at 652-4427 and these will be picked up.

An Executive meeting will be held on August 14 at 8 p.m. with the Ladies Auxiliary present in order to finalize plans for the Walkathon on Saturday, August 17.

THE PARKING LOT KEPT FILLING UP

At one point in the mid-morning on Sunday the parking area for planes was well filled and this is just a partial view of the planes that were in. Some of them were home-made craft, as well as twin-engined expensive models.

Stopped Hazard

One of the greatest hazards is a stopped vehicle, W. E. Smillie, manager, commercial pyrotechnics for Canadian Industries Ltd. stated following an extensive survey of police and safety officials.

In today's afst-moving express way and rural road traffic, a stopped auto is a dangerous fixed object. Even when the automobile is properly pulled off on a shoulder, the motorist should warn other drivers, and for this purpose police and safety officials urge the use of flares, Mr. Smillie said.

A stopped vehicle on an expressway is considered very dangerous by police, but one of the worst situations, they point out, is when the motionless auto is on an over-pass, or raised section. In such situations the stopped vehicle is directly in the path of following traffic since there is no shoulder on which to park.

Other situations which are considered particularly dangerous, occur when the stopped vehicle is just over the brow of a hill, around a bend in the road, or close to an intersection.

Police officials estimate that one out of every three accidents involves a stopped vehicle, Mr. Smillie pointed out.

Whether a motorist stops his car due to mechanical failure, because of accident, or merely to check a map, he or she, has created one of today's greatest highway hazards, he said.

Police officials recommend that in every instance where a vehicle is stopped on, or beside, a highway, flares should be used to warn following traffic. They suggest that the motorist leave the auto on the side away from the traffic, light a flare and walk back with it, approximately 100 paces along the highway. This action protects the motorist and warns following traffic at the same time. A second flare should be placed three paces behind the stopped auto, and another, 100 paces in front of it.

These precautions, police officials point out, should be followed during the day as well as at night. Police contacted in the survey included the Royal Canadian Mounted Police, provincial police, autoroute, metro and city police. All police automobiles, even detective cars, are equipped with flares, and they are mandatory for trucks.

Mr. Smillie said the 15 minute red flare with stand was recommended for motorists, and are available from automobile supply houses and auto accessories sections of department stores.

Flares have an advantage over other warning devices because of their versatility. They operate as a self contained unit, independent of a power source and may be placed wherever needed. They also light up the immediate area, and operate under any weather conditions. Finally, they signal a universal message — danger, Mr. Smillie pointed out.

If you must stop your automobile, Mr. Smillie suggested motorists follow these recommended safety rules.

Signal first. On a thoroughfare or expressway with paved shoulder, pull off at traffic speed and slow down on the shoulder. On roads with unpaved or soft shoulders, signal a right turn, slow down, and pull off carefully.

Be sure you get completely off the roadway, as far from the traffic lanes as possible. If the position is at all precarious, get passengers out of your car and to a safe spot, and set out the flares.

At night, keep your headlights on with beams lowered. Also switch on the dome light. Do not obscure tail lights while working on the car.

a new electric refrigerator can do a lot for your kitchen—and the time you spend there

Sure, a modern refrigerator will look well in your kitchen. Better than that, it gives you extra dollars on shopping days. The large freezer section lets you stock up on food specials, and cut down on food costs. An automatic defrost or frost-free model will save you the time and effort of messy defrosting. See how a new electric refrigerator can brighten up your kitchen *and* bring down your shopping bills. See your appliance dealer soon.
