Mrs. A. W. Reveler Honoured By Friends On 88th Birthday

The home of Mr. and Mrs. Thos. Reveler was the setting for an enjoyable event Saturday, February 19, when about 45 guests were entertained in honor of Mrs. A. W. Reveler. The former Henrietta Fetterly, Chesterville, married the late A. W. Reveler in 1887 and has lived on the same farm since that time. She enjoys good health and takes a keen interest in church and community affairs. Her grasp of present day events and problems of world wide interest is only equalled by her ability as an expert needlewoman and housewife. Her life is one of vigorous activity.

Completely taken by surprise when she returned from luncheon with her daughter. Mrs. Geo. MacGregor, to find the guests all assembled. She moved happily among her friends wearing a black crepe gown and a double corsage of American Beauty Roses, the gift of her son, Dr. J. M. Reveler, Toronto. All the members of her immediate family were present.

Tea was served in rooms decorated with a profusion of Spring flowers and flowering plants, the gifts of friends. Mrs. A. B. Allison, Winchester, and Mrs. Colin MacGregor presided at a tastefully appointed table centered with a birthday cake and pink tapers. Mrs. Thos. Reveler, Mrs. E. Thompson, Mrs. Stewart Mattice and Mrs. Wm. Fetterly assisted.

All present signed a guest book and Mrs. Thos. Reveler assisted Mrs. A. W. Reveler in thanking the ladies for their gifts and cards.

Those attending from a distance were her daughter (Eva) Mrs. Stanley Kippen and Miss Natalie Kippen, Maxville; Dr. J. M Reveler, Toronto; Mr. and Mrs. Cecil McIntosh, Winchester Springs; Mrs. Gretta Strader, Morrisburg; Mrs. A. B. Allison, Winchester.

Chesterville Wo's Institute Holds February Meeting

About 70 members and guests met in the Library on Wednesday; Mrs. Shaver president in the chair. Sec.-treas., was empowered to forward balance due to Memorial Hospital thus completing payment of $690. and to obtain advice on Room Maintenance A Fashion Show sponsored by W.I. and by courtesy of Mrs. Colquhoun will be held on March 23. It is hoped Mrs. Doering will be sufficiently recovered from her recent injury to be commentator.

Anyone wishing to donate good used clothing for Unitarian service in Europe may leave same with Mrs. B. Campbell.

A comprehensive report of Teen Town was presented.

A girl's quartette, Una Merkley, Jean Doering, Jean McMillan and Patsy Durant sang two charming numbers. Trained and accompanied by Mrs. C. Allison Graham these young girls added much to the enjoyment of the meeting. It is regretted that for a time Mrs. Gilroy has to relinqush her office of pianist due to ill health.

Mrs. Harry Allison, convener of "Canadian Industries and Agriculture" gave a very entertaining talk on the farmer's wife. She then conducted a quiz on general knowledge of farm subjects which was won by Mrs. W. York and Mrs. McIntosh.

Tea was served by the committee, Mesdames H. Allison, D. Allison, J. McCloskey, W. Carruthers, W. Edgerton, C. McMillan, T. McIntosh, G. Moran, B. Lapp and T. McCadden.

Next meeting to be held March 30, conveners Mrs. B. Campbell and Mrs. F. Shaver.

Helen Ida Whittaker Bride Of Clare McMillan

In a quiet double ring ceremony on Wednesday afternoon last week at three o'clock in Williamsburg, Miss Helen Ida Whittaker, daughter of Mr. and Mrs. Iden Whittaker, became the bride of Mr. Clare Bruce McMillan, son of Mr. and Mrs. Charles McMillan of Chesterville.

Rev. G. Innes officiated at the wedding ceremony.

For her marriage the bride chose a white slipper satin gown fashioned with low cowl collar, long pointed sleeves, a basque bodice and long skirt. She wore a double strand of pearls, a gift of the groom.

Her bridal headdress featured a finger tip embroidered veil held in place with a tri-pointed crown bedecked with three rosebuds and she carried a bouquet of Bettertime roses and buddlea.

The bride was attended by her sister-in-law, Mrs. Johnny C. Whittaker who wore a turquoise taffeta gown with sweetheart neckline and long full skirt. She wore white lace mitts and a gold necklace, a gift of the bride. Her turquoise veil was held in place by rosebuds and she carried Talisman roses.

Mr. Lyle Merkley, cousin of the groom, acted as best man.

Following the ceremony a reception was held at the bride's home which was decorated with spring flowers for the occasion.

Mr. and Mrs. McMillan left by motor for Toronto, Niagara Falls and other Western points.

For traveling Mrs. McMillan wore a Kelly green gabardine suit with brown accessories, a gardenia corsage and a muskrat coat.

On their return they will reside in Chesterville.

FISH ARE BITIN' ASK CHARLIE CRUMP

Our underground informs us that the fish are biting again. Charlie Crump took off the other day for the stretches of ice in the Lancaster area on the St. Lawrence and came home with a juicy mess of fat yellow perch. We hear the best bait for them now is a fish eye, but we just know that we would'nt catch the first fish to get that eye.

NEW POST OFFICE LOCATION GETS RE-MODELING JOB

The one-time tinsmithing shop of Harry McMurray is undergoing a face lifting these days. Under the hands of the contractors, it is becoming the new post office that is scheduled to replace the present one in the Fulton block. When the new bridge construction starts the end of the building occupied by the post office and Mrs. Colquhoun's business will be demolished to make way for the north entrance to the much needed modern span.

BERWICK COUPLE WED 61 YEARS

Mr. and Mrs. John Ouderkirk of Berwick, Ont., received the congratulations of their friends when they celebrated the sixty-first anniversary of their wedding quietly at their home. They have five daughters, one son, 16 grandchildren and 17 great-grandchildren. The daughters are: Mrs. Albert Blair, Crysler; Mrs. William Inman, Berwick; Mrs. Alex MacLeod, Crysler; Mrs. Willard Presley, Newington; Miss Elva Ouderkirk, at home. Their son is Mr. Henry Ouderkirk, of Crysler.

"Jacob Mountain" Subject Rotary Talk By Anglican Rector

The Rotary Club of Chesterville heard a talk on the life of Bishop Jacob Mountain, last Monday night at the regular meeting. The Rev. L. G. B. Adams rector of Holy Trinity Anglican church was the speaker.

Introduced by A. A. Acheson, Mr. Adams opened his remarks by recalling to his listeners that Mountain Township is named ofter, not a mountain, but Bishop Jacob Mountain, one of the first Anglican bishops to administer an area in Canada. The township is thought to have been named in 1794 by Lord Simcoe, a good friend of Bishop Mountain's after the Bishop had been appointed Bishop of Quebec in 1793.

The Reverend Adams gave a brief outline of the interesting and busy life of Mountain ranging from his birth in England in 1749 to his life in Upper and Lower Canada in later years. The Bishop had a diocese that stretched from the Gaspe Peninsula to the present site of Windsor and Detroit. Bishop Mountain was an untiring traveller and covered his diocese from end to end many times. He travelled by sail, canoe, wagon, cutter and horse back.

In conclusion the speaker paid tribute to the godly qaulities of the man and showed that Bishop Mountain had earned respect as a well-loved pioneer.

The speaker was thanked on behalf of the club by L. A David.

Valentine Tea By W. A. Of Trinity United Church

The Women's Association of Trinity United church held a very successful Valentine Tea on Thursday, February 17th, at the home of Mrs. Harold Hamilton.

The ladies were received by Mrs. W. O. Dixon the president, and the hostess, and enjoyed their tea in the spacious livingrooms which were beautifully decorated with spring flowers.

Mrs. Wright and Mrs. Byron Campbell presided at the tea table which was centred with red roses and red tapers.

Soft music was furnished throughout the afternoon by Mrs. J. Fyke, Miss Kay Durant, Mrs. Wright and Mrs. E. Johnston.

The conveners were Mrs. Hugh Smith and Mrs. W. B. Hamilton with a committee of Mrs. Belsher, Mrs. D. Durant, Mrs. H. Durant, Mrs. H. Kittle, Mrs. C. Thompson, Mrs. K. MacDonald, Mrs. M. Merkley and Mrs. Geo. Barclay assisting

EUCHRE AND DANCE OF TRINITY GUILD

A very successful and enjoyable evening was spent in playing euchre in the Community Hall, Monday evening, sponsored by the ladies of Holy Trinity Anglican Guild.

The Rector, Rev. Leon B. G. Adams thanked all those who helped to make the evening a success.

At the close of the euchre the president, Mrs. John Sutherland, on behalf of the Guild thanked all those present and especially the Women's League of St. Mary's Church for making the evening such a success by postponing their euchre party.

Mr. Garland Sharkey presented the prizes as follows: Ladies: 1st prize, Mrs. James Fyke: Consolation, Mrs. Dan McMillan. Men: 1st prize, Mr. Lyle Marcellus; Consolation, Mrs. Jamieson.

Lunch was served by the Ladies of the Guild.

LOCAL SKIERS ENJOY CAMP FORTUNE

Last Sunday between 40 and 50 ardent outdoor enthusiasts boarded a bus here in Chesterville and took off for the ski slopes at Camp Fortune near Ottawa. The young people were from the High School and others who wished to go along. Everyone had a grand time according to reports. It did appear though that sometimes it is possible to get a little lost and Ray Cass demonstrated that when he and Bob Bolster took the wrong trail and caused some anxiety for a while.

Mr. J. R. Potvin of the High School staff was in charge of the group.

ATTENDS CONVENTIONS

Reeve Charles McMillan and Councillors James Brannen and Haldane Durant with Clerk Harry C. Hummel attended the annual conventions in Toronto of the Good Roads and Municipalities. Mr. Turner and Mr. Doering were unable to attend.

BURNING HAY STACK ENDANGERS BARN NEAR ELMA

Shortly after midnight last Thursday a stack of hay very near the barn of Brock Barkley at Elma, was discovered to be on fire. Prompt action by Messrs. Brock and Dwight Barkley with the assistance of neighbors who had seen the reflection saved the barn after some strenuous work. The cause of the fire is unknown.

Mrs. Annie McNairn Dies At Cornwall

The death occurred Wednesday in Cornwall, of Mrs. Annie McNairn, at the home of her daughter, Mrs. William Gow.

Born 60 years ago in Elma, she was the daughter of Edwin Beach and the late Nellie Shaver.

In 1915 she married John McNairn of Gallingertown, and had lived there since her marriage.

Her father, Edwin Beach, lives at Hurdman's Bridge.

Surviving, besides her husband and father, are two sons, Malcolm of Almonte; and Edwin (Ted) of Berwick; five daughters, Mrs. Les Presley, Morrisburg; Mrs. Floyd Heagle, Aultsville; Mrs. George Marcellus, Froatburn; Mrs. Malhon Gow, Colquhoun; and Mrs. William Gow, Cornwall; a brother, Rev. H. M. Beach, of Finch, and two sisters, Mrs. L. E. Strader, Hurdman's Bridge, and Miss Jean Beach, of Ottawa.

The body is at the home in Gallingertown, from where it will be taken Friday at 1.30 p.m. to Colquhoun Church for service.

Burial will be in Colquhoun cemetery.

A Drumlin On A Till Plain Common Site In Dundas Section Of South Nation Valley

In recent geological times, the whole of Eastern Canada was covered with a lump of ice several thousand feet thick that made up a huge glacier extending from the polar regions to the Ohio River in the south. That glacier was responsible for much of the present day land formation in this section of the country. The enormous glacier carried with it in its slow relentless passage, great masses of rock that had been torn out from the ridges of rock surrounding the depressions in the land. These rocks were ground finer and finer and when the glacier finally melted there was deposited on the land disordered masses of this lumpy and pulverized material. The geologists call this material "till" and the form in which it was left a "till plain".

Sometimes the "till" was deposited in long piles that have a characteristic shape. They are called "drumlins". These "drumlins" are four times as long as wide and are one-quarter to a mile in length. They are low, oval hills having gently sloping sides and a steep slope at one end, and are spotted all over Dundas in what is called the "Dundas clay plain". A prominent one is to be seen just west of Winchester. It has a barn backed up against the steep sloping end. There are several on the way to Ottawa in the Vernon area that can be recognized from the highway. These drumlins are of considerable importance in the drainage of the Nation River Valley as pointed out in the Interim Report. They are usually good soil, as they are high and sloping and make for good drainage. The "drumlins" of this countryside were usually the first parts of the land cleared by the pioneers, in the original settlement of the land. A thriving stand of beech and maple was a sure sign that there was a fine spot to clear for wheat growing, and usually the land turned out to be part of a "drumlin".

SAVING STANDING GROWTH AND CONSERVING WILD LIFE

Cutting and hauling of firewood is the main activity on the Larose and Limerick Forests and on the Eastern Forest Station. The intention is to salvage dead or dying material and carry out an improvement cutting intended to improve the stand left. The firewood is sold to local buyers and any sawlog material will be sawn for departmental use.

In Lanark County there is a good deal of interest in the diminishing number of deer. Hunters in the western side of the county are greatly concerned about the increase in the number of hunters and the poor hunting last fall, when too many small deer and does were killed. Farm Forum Groups have passed resolutions requesting a shorter hunting season, six days only. for 1949. It would be advisable for all interested parties to get together and decide what regulation they desire and to do it soon so that the lawmakers may be able to implement their desires for the next season.

One of the most dangerous seasons for bush fires comes just after the snow has gone, and before the spring growth has started, that is in late March, April and early May. The grass, ferns and dead leaves may dry very quickly and fire can run easily in such material. We have grass and bush fires every spring some of which do a great deal of damage. Last April, a fire on the Sand Hills at Constance Bay, in Torbolton Township run over an estimated 1,000 acres and killed a promising second growth bush besides endangering a few hundred summer cottages. In the villages, towns and cities protection from fire is accepted as a municipal ed in townships. Few of these municipalities have laws controlling the setting out of fire, men appointed to take charge of fire fighting, nor equipment to use in an emergency. Even the principle that the municipality has a duty in this respect is not often accepted. Any groups of people who feel that they have a mutual interest in their danger from grass or bush fires might ponder these facts and take action now to organize before the fires start.

Oxford Township Junior Farmers are starting an interesting forestry project. In their broadcast over C.F.-R.A. on February 4th, they discussed County Forests and decided that everyone should have a chance to see their own Limerick Forest. Accordingly they plan to organize a Field Day in the spring and take all the school children in Oxford Township and Kemptville out there. The boys and girls will have a chance to plant a few trees and to see how their property is growing. This is an ambitious project for a Junior group as it involves a good deal of organization. They expect to get hearty co-operation from other bodies and hope to make this field day a big event.

LIFE

By John Dale Kempster

LIFE surely is a see-saw thing;
We never know just what 'twill bring.
Sometimes it lifts us "high in air"
Where skies are blue, and all is fair
Sometimes it "bumps" us down to earth
Mid gloomy days of little worth;
But never mind how dark the clouds
Nor blue the thoughts, that come in crowds,
We know somewhere the sun is shining
And every cloud hath silver lining;
So lift your head, throw out your chest,
Put on a smile and do your best.
Stand firm in will, there's naught can break it,
For after all, Life's what we make it.

Church News

MOREWOOD UNITED CHURCH

The services at Morewood United Church were conducted on Sunday by the minister. The subject of the morning sermon was "The Master Key of Life." The text Gal. 2:20, "I am crucified with Christ, nevertheless I live, yet not I but Christ liveth in me and the life which I now live in the flesh I live by faith in the Son of God who loved me and gave himself for me." It was stressed that multitudes today are in moral and spiritual confusion. Life is an interrogation mark. Life has no meaning. This moral and spiritual confusion is the result of rejection of God, loss of faith in Jesus as the eternal Son of God and the Saviour of mankind. Since many have rejected God of Christian faith they have put in His place gods of their own making or desire, the taking of false gods must result in more confusion, frustration and chaos. Faith in Jesus Christ as the Saviour from sin to righteousness is the key to the true meaning of life that gives purpose to life here below and assurance of blessing hereafter. Saving faith is faith in the faithfulness of God who loves man with such constancy that nothing except sin alone can separate man from the heavenly Father. The words of Paul give assurance, "I am persuaded that neither death, nor life, nor angels nor principalities, nor powers, nor things present, nor things to come, nor height nor depth, nor any other creature shall be able to separate us from the love of God which is in Christ Jesus.

The anthem by the choir was "Shine Forth" by Alfred Judson adapted from Mendelsshon. Miss Ellice Smith organist and choir leader.

BANKS ON WHEELS

Mobile banks are becoming increasingly important among products of the United Kingdom caravan industry Five of the big banks now use them: Westminster, Lloyds, Midland, National Provincial and Martins. These caravan banks are used at present chiefly for agricultural show, exhibitions and other events at which temporary banking facilities are needed. Another and growing use is however, the replacement of small branch offices in rural areas. In many such areas banks open once weekly but the buildings, being permanent, are thus largely wasted. One mobile bank can replace several branch buildings of this kind, thus freeing the buildings for more effective use.

Mrs. A. H. McMillan Passes At Avonmore In Her Eightieth Year

Mrs. A. H. MacMillan, a lifelong resident of the district, died at her residence in Avonmore, on Saturday following a brief illness. She was in her 80th year.

The former Roseonna Steele, she was born in Finch, the daughter of the late James Steele and Catherine Sickes. In 1890 she was married to A. H. MacMillan, a prominent farmer of the district, who died in 1940.

They had celebrated their 50th wedding anniversary in September, 1940.

A member of St. Andrew's Presbyterian Church, Mrs. MacMillan was active in women's associations.

Surviving are two daughters, Mrs. Douglas Rupert of Lunenburg, Ont., and Mrs. Aden MacIntosh, Lumsden, Sask.; two sons, Dr. A. Currie MacMillan, Regina, and Dr. James H. MacMillan, Grimsby, Ont.; one sister, Mrs. Rebecca Cameron, Finch; eight grandchildren and two great-grandchildren.

The funeral was held from her late residence Tuesday afternoon to St. Andrew's Presbyterian Church where service was conducted by Rev. Donald C. MacDonald at two o'clock.

The body was placed in the vault at Paul's Hill cemetery to await burial in the family plot in the Spring.

STOP EASIER.. QUICKER.. WITH *CHRYCO Cyclebond (RIVETLESS) BRAKE LINING

UP TO 75% LONGER LIFE!
Because they're "rivetless" CHRYCO Cyclebond brakes provide thousands of *extra* miles of brake life.

MORE EFFECTIVE BRAKING!
The absence of rivet holes means greater braking area . . . *more actual braking surface to contact the drum.*

GREATER ECONOMY!
Drum scoring is practically eliminated, since dirt and grit rarely collect on its unbroken surface.

See us about your CHRYCO Cyclebond brakes to-day.

MOTOR TROUBLE?

Listen to the motor on your pump, washing machine, fan, vacuum cleaner, sewing machine, or on whatever work it is doing for you. It should start quietly and with little effort. It should purr along while running. If not, have it brought in. It costs far less if corrected in time.

IN MEMORIAM

LATTA—In fond and loving memory of a dear mother and grandmother, Mrs. John Latta, who passed away February 22, 1942.

When the Lord said "You have finished,
Come up higher mother dear."
You have won a crown in heaven
By your love and kindness here.
We remember well our sorrow
As we stood beside your bed
Our deep and heartfelt anguish,
When we saw that you had gone.
The home is dark without you,
Mother, we miss you everywhere.
—Lovingly remembered by daughter Alice Hall and granddaughter Lottie Smith.

NOTICE OF MEETING

At the Shareholders meeting of the Morewood Union Cheese and Butter Co. Ltd. it was decided to invite producers to an open meeting to discuss the possibility of opening the above plant.

As the Concentrated Plants are acquiring a surplus of manufactured products, and due to the economic conditions of the world today, we feel with cheese selling at 30c per pound with a 2c bonus for No. 1 quality, the cheese market is more stable today than ever before.

Come out and discuss this problem March 4th, 1949, in I.O.O.F. Hall, Morewood, at 2 p.m.

Crop Improvement Association Will Sponsor 100-bus. Club

An executive meeting of the Dundas Crop Improvement Association was held at the Agricultural Office, Morrisburg, on February 17th at 2 p.m.

John Wells, the President opened the meeting and the minutes of the last executive meeting were read by the secretary H. W. Graham.

The secretary was asked to send a letter of sympathy to John MacRae of Kemptville, for the death of his father which occurred recently.

Delegates to a January meeting at Kemptville, gave their reports.

Douglas Parks of Kemptville, outlined tests he intended making in the Counties of Leeds, Grenville, Stormont, Dundas and Glengarry with varieties of hybrid corn for grain and ensilage. Men co-operators in different parts of this county expressed willingness to assist with this project.

About ten other projects were discussed and the necessary co-operators secured.

A new project to be known as the "Hundred Bushel Club" was formed to encourage high yield of corn. This will be conducted as an open competition, prizes offered, and an Achievement Day held. It was suggested a start be made with an acre or two. A committee of Allison Graham, William Graham, Clarence Wallace, Glen Cunningham and the president and secretary was appointed to draw up rules and regulations governing the contest.

The Late William Barrington

Mr. Wm. Carlyle Barrington of 27 Lorne St., Smiths Falls, passed away suddenly at his home Friday morning, February 11th, in his 49th year. He was the son of the late George Barrington and his wife Nancy Hyndman.

He received his education in Morewood Public and High Schools. Twenty-seven years ago he married Luella Colquhoun of Chesterville and they resided at Morewood until six years ago when they moved to Smiths Falls. In religion he was a member of Trinity United Church.

He is survived by his wife and three children, George of the R.C.A.F., Edna and Donald at home. One brother, Samuel Barrington of Morewood.

On Sunday at 1.30 p.m. a short service conducted by Rev. Osterhout of Ottawa, was held at his residence after which the remains were taken to the home of his brother at Morewood. The funeral service conducted by Rev. Copsey, assisted by Hev. Heustin was held on Monday, February 14th, at Morewood United Church. A solo, "The Old Rugged Cross' was rendered by Frank Casselman.

Interment was at Maple Ridge cemetery. The pallbearers at Smiths Falls were Gordon J. Barnard, George Carleton, Arden Kerr, Allen Thompson, George Bell and Wm. McCullah. At Morewood, Keith Carruthers, Thomas Reveler, Ellis Thompson, Charles Gardner, Archie Carruthers, Stewart Mattice.—Comm.

Notice Regarding the Limited Suspension of Lighting Regulations 7:00 p.m. to 7:00 a.m. Monday to Friday 7:00 p.m. Friday to 7:00 a.m. Monday

Regulations 4, 5 and 6 (under the heading "Part III Lighting") of the Regulations Respecting the Use of Electricity in Ontario Put Into Effect September 14, 1948, and Amended October 13, 1948, Are Suspended Between the Above Hours.

Continued improvement in water conditions, coupled with unusually mild weather, now enables the Commission to meet normal demands during night hours and on weekends. In view of this, the lighting restrictions set out in regulations 4, 5 and 6 (under the heading "Part III Lighting") of the Regulations made by the Commission under the Power Commission Act, are suspended each night from 7:00 p.m. to 7:00 a.m., Monday to Friday inclusive, and from 7:00 p.m. Friday to 7:00 a.m. Monday. However, during the daytime from 7:00 a.m. to 7:00 p.m., Monday to Friday, resources are still inadequate to meet power demands fully. The Commission therefore requests that the Regulations be strictly observed during these hours and that voluntary conservation be continued.

The Hydro-Electric Power Commission of Ontario and the Municipal Systems wish to express their sincere appreciation to all Hydro users who were affected by these Regulations. Your splendid co-operation provided invaluable aid during the critical period of the power emergency.

IN THREE short years we have added over 405,000 telephones, put in hundreds of switchboards and trained thousands of people to extend and improve your telephone service.

We are adding more telephones to meet the continuing demand for service just as fast as equipment becomes available.

All this is being done in the face of rising costs. Yet, up to now, there has been no increase in the basic telephone rates established 22 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing the best telephone service at the lowest possible cost.

"Look, Dad, here's how it works"

THAT whole new world which comes into view for every youth starting his first job is a fascinating one for a young man who enters the service of the Bank.

Suddenly he discovers that banking is a business which does many things for many people.

Take the collection service for example. He learns that a Collection Bill is not simply a dry-as-dust document, but is actually part of an economical and efficient way by which the Bank speeds up payment between buyers and sellers in a host of commercial transactions.

Young men who start a banking career learn quickly that banking is useful in keeping money at work, and that good banking rests on good personal service. You'll find this point of view makes banking at The Bank of Nova Scotia a pleasure.

Improvement of Fall Fairs Live Topic At Annual Convention

Crop improvement, use of better seeds, soil conservation, improvement of fall fairs and a host of other problems were dealt with at the most largely attended series of meetings in history, at the King Edward Hotel in Toronto.

Individual conventions were held by the Ontario Crop Improvement Association, the Ontario Plowmen's Association and the Ontario Association of Agricultural Societies. Outstanding experts from the Ontario Agricultural College, Guelph, as well as several from the United States, addressed the gatherings during a week of meetings and several joint sessions were held.

Outstanding among these was the annual banquet held Thursday night under auspices of the Ontario Association of Agricultural Societies. Nearly 900 turned out for the dinner when Hon. L. B. Pearson, secretary of state for external affairs, was guest speaker. The spacious Crystal Ballroom of the King Edward was taxed to utmost capacity and an overflow dining room had to be set up. The public aldress system carried the addresses to the overflow gathering.

A notable feature of the week's meetings was the unexpected appearance of Hon. Thomas L. Kennedy, Ontario Premier and Minister of Agriculture at a luncheon gathering. Mr. Kennedy was not on the program and with the opening of the House planned for Thursday, he had been unable to get to any of the meetings.

However, just as lunch was beginning on Wednesday the genial Minister walked into the room. He had found he had an hour or so to spare. The entire audience rose to its feet. There was a whoop of applause and a hearty cheer. Ontario's best-known man of agriculture took a vacant seat at the head table.

When called on to speak later, Col. Kennedy voiced the hope that those present would learn something from the addresses being heard. He also expressed the hope that they would pass on any knowledge gained to their neighbours. He then told how he had just returned from "a busman's holiday" during which he had visited 15 states across the border. He had witnessed contour plowing along the Mississippi as a means of soil conservation.

"We want to avoid getting our land in the shape that it will need such care," he said. "But we can't do anything without your co-operation Let us turn our attention to preventing erosion and let us protect the top soil and thus practice soil conservation in a real sense".

The Premier said that crops in the past year had yielded more bushels per acre than ever before. For this reason, Ontario farmers had much to be thankful for.

"You are the people I love – the people whom I serve and you are the people with whom the future of our agricultural industry rests," he said. "Let us pass on to our neighbours what we have learned here at this convention and maintain our land so that we may hand on to our children the heritage that is rightfully their's".

W. P. Watson, Ontario Livestock Commissioner addressed a later meeting of the Ontario Association of Agricultural Societies. He warned against opening the local fall fair to the world.

"Seventy-two cents out of every dollar of farm income in Ontario comes from livestock or its products," he warned. "For that reason alone, livestock should occupy a foremost place at all fall fairs. One of the major decisions of any fair board is the territory to be served by the fair and as the greater part of the income obtained comes from within a reasonable distance of where the fair is held, it should not be difficult to plan the area to be served."

He urged that the township, or at least the county, is ample territory to serve by any fair. It was possible, he said, for an exhibitor to purchase livestock purely for show purposes and walk away with all the major awards at a fall fair.

He also urged some plan for training younger men as judges. There is a real scarcity of good judges for fall fairs, he said.

At the plowmen's meetings, reports were received of the Ontario plowmen now in England with Elliot Moses as manager, who are representing Ontario in plowing matches over there. Several prizes have already been won by them.

FUNERAL OF THE LATE JOHN M. KITTLE, WELL-KNOWN GRANTLEY FARMER

John M. Kittle died suddenly at his home in Grantley on Monday, February 14. Mr. Kittle was widely known throughout Dundas and Stormont where he farmed all his life. Born in Berwick 73 years ago the eldest son of John and Jane Kittle He was twice married, first to Clara Carr, who died 30 years ago and would have been married 25 years February 27 to Eva Fetterly Gordon, who survives with one daughter, Miss Doris Kittle, two step children, Mrs. C. W. Warner, Smiths Falls, and Byron Gordon, Ottawa, also one sister and three brothers.

The funeral was conducted by Rev. H. Beach in Grantley United Church with burial in adjoining cemetery. The pallbearers were: Wm. Fader, Mason Robinson, Reg. Darling, Willis Darling, Glen McMillan and Jas. Hesson.

The host of friends who called at his late home attested to the high regard in which he was held by all who knew him. Of a kindly, quiet disposition he was an unfailing friend to all in time of need. As Rev. Beach in his funeral oration said "Nor gave he pain to any man".
