ALEXANDRIA, ONTARIO, THURSDAY, JULY 3, 1975

SINGLE COPY 15c

PARK OPENING A BIG SUCCESS—A burning sun replaced last year's driving rain for Alexandria's annual July 1st parade, Tuesday. Main Street was a real hot spot but a large crowd lined the walks to watch the parade go by. The camera caught Alexandria's majorettes strutting their stuff just after the enlarged Glengarry Pipe Band had

headed the parade down street. The afternoon attendance on the park was good and there was a record turnout that night as more than 5,000 crowded onto our park for a night of fun.

—Photo by Mrs. Mervyn MacDonald

Area youths accident victims

Two young men from the area met death tragically on Sunday afternoon when their car left the road and struck a tree on Cote Ste. Catherine Road, about one mile south of St. Telesphore.

Dead are Pierre Sauve of North Lancaster, the driver of the car and Serge Bureau of RR 2, Alexandria. Another passenger, Sylvain Campeau of Dalhousie, is in Valleyfield hospital.

Pierre was the son of Germain Sauve and his wife, the former Georgette Leroux of North Lancaster. Born in Beauharnois, he had moved to North Lancaster with his family and attended Glengarry District High School. He had been employed with Freuhauf Trailers in Montreal for the past few years. He would have been 19 years old on July 18th.

He leaves to mourn, his parents, two brothers and four sisters: Bernard, Marc, Danielle, Helene, Chantal and Josee.

The funeral is being held at St. Margaret's Church, Glen Nevis, today where the mass will be offered by Rev. Patrick Breton at 3 p.m.

Pallbearers are: Rick Bowen, Andre Campeau, Gerald Prieur, Gerald Laferriere, Yvon Goulet and Denis Sauve.

Serge Bureau was the 21 year old son of Rosaire Bureau and his

Pierre Sauve

Serge Bureau

wife, the former Raymonde Phaneuf. He was born in Weedon, Que., and came to Dalhousie with his parents where they lived for 12 years before coming to Alexandria three years ago. He had attended Glengarry District High School and had since been associated with his father in the dairy equipment business.

In addition to his parents, he is survived by one sister, Sylvie. The funeral was held at Sacred Heart Church yesterday where Rev. Raoul Poirier offered the mass at 11 a.m. Pallbearers were: Andre and Richard Campeau, Norman Bureau, Jacques Bureau, Roland Phaneuf, and Andre Goulet.

Expect Alexandria tax bills in mail by end of July

Final tax bills for the town of Alexandria should be out by the end of July, reports Clerk-Treasurer D. O. Collin. Deadline for payment will probably be Aug. 15th.

Rates were set at last week's meeting when council used a portion of last year's surplus to reduce its own levy for town purposes. Rates are still up some five mills, residential; and four mills, commercial.

Rates for 1975 with last year's in brackets.

Public school—

Residential 119.61 mills (114.88)

Commercial 137.54 mills (134.18)

Separate school—

Residential 121.49 mills (116.18)

Commercial 139.63 mills (135.63)

For residential public school supporters that means taxes will amount to \$396 on the average Alexandria home assessment of \$3,500 while residential separate school supporters will pay about \$425 on the same assessment.

Total residential assessment in Alexandria is just over \$2.5 million while commercial and industrial assessment is set at \$2.53 million.

Council foresees local expenditures of \$692,411 while the 1974 actual expenditure total was set at a much higher figure \$839,955. Council members said the reduction of major sewer installation and road repair projects.

Alexandria's revenues will be supplemented by provincial and federal government grants total-

ing \$274,481 with the province's equalization grant and roadway incomes being the largest revenue items. Total revenue is budgeted at an estimated \$922,537 which includes government grants and levies to be applied to school support, county support, etc.

The two largest expenditure items within the budget are transportation services at \$254,000 and protection to persons and property fixed at \$124,433. Lowest item is conservation of health, which only applies to the town's annual levy for support of Glengarry Memorial Hospital, set at \$4,500.

Councillor Archie MacDougall asked that a \$5,000 provision for "industrial development" be investigated by the town clerk in order to determine exactly what the money is meant for.

Dolor Collin, clerk-treasurer, said much of it was in charges for advertising, but Mayor Massie contested that, saying there "was no way" the town had or would spend that much on advertising.

Canvassing for fire victim

Neighbors are canvassing in aid of R. D. MacLeod whose barn was destroyed by fire. Anyone who was not reached and who wishes to donate may leave their contribution at the Bank of Nova Scotia in Alexandria, we are informed.

Trio charged in several break-ins

Three local youths will appear in court next Monday charged with several offences including the vandalism at Perpetual Se-cours school on June 23rd.

In addition, they face charges of break and entry at Crevier's Diner on June 6th, and in the paint shop at Glengarry Transport Ltd on Main St. North. They are also accused of stealing a car from the Paint Shop.

The trio was also responsible for a break and entry at the Green Valley school two weeks ago and police are continuing their investigation.

12 Ontario Scholars at GDHS

Glengarry District High School is proud to announce the following 12 Ontario Scholars for the school year 1974-75:

STEWART DEWAR—son of Mr. and Mrs. Edward Dewar, St. Telesphore, registered at Queen's University—Faculty of English.

LUCIE HAMELIN—daughter of Mr. and Mrs. Paul Hamelin, RR 1, North Lancaster. Enrolled in a Library Technician's Course at Sheridan College, Oakville.

MADELEINE LALONDE—daughter of Mr. and Mrs. Maurice Lalonde, Alexandria. Registered at Toronto University—Faculty of Dentistry.

JOCELYN LORTIE—daughter of Mr. and Mrs. Remi Lortie, RR 1 GlenRobertson, has been accepted at Ottawa University (Cornwall Campus)—Arts Course.

HELEN MACDONALD—daughter of Mr. and Mrs. Campbell MacDonald, RR 1, Dalkeith, enrolled in the Arts and Science Course at Queen's Univ.

MICHAEL MACDONALD—son of Mr. and Mrs. Ranald MacDonald, Park Ave, Alexandria. Michael plans to attend Waterloo—in the Mathematics Branch.

VALERIE MCGILLIS—daughter of Mr. and Mrs. Gerald McGillis, Alexandria; Enrolled at Carleton University—Arts and Science.

PAULINE OUELLETTE—daughter of Mr. and Mrs. Raymond Ouellette, Green Valley, Ottawa University—Faculty of Business and Commerce.

CARMEN POIRIER—daughter of

Mr. and Mrs. Rene Poirier, RR 1, Williamstown, Ottawa University—Faculty of Science.

LUCINDA SABOURIN—daughter of Mr. and Mrs. Solomon Sabourin, Alexandria. Queen's University—Faculty of English.

Another request sewer services received from Lochiel resident

Some members of town council will meet with Lochiel Township officials to decide on a policy for provision of town sewer services to residents of the township requesting such services.

Council recently received a petition from residents of Boundary Road East requesting services and last week council considered a similar request from a businessman in adjoining Lochiel.

Mayor Massie reiterated his often-repeated argument that Consolidated Textiles Ltd and Alexandria had to begin extensive work on the sewage lagoons before a large number of homes, both in and out of town, could be accommodated with sewer facilities.

The Lochiel resident, Hubert Sabourin of Sanilet Ltd., asked that pipes be installed at his expense and that he be permitted to hook onto the town's sewer lines.

A town official said this was the third or fourth time council had been contacted for such services, either through petition or other means. The same official noted it will be necessary for council members to meet with Lochiel Township representatives to work out details.

"There must be an agreement between both municipal governments before those residents can request service from us," said the official. He also explained that if these are granted, they would be

installed with residents footing the bill.

"The charges would be sent from Alexandria to Lochiel township council and that council would have to collect the money from those hooked up to Alexandria lines," the official said.

Glengarry residents named to the Order of Canada

Dr. J. Russell Harper of the Second Concession Kenyon, and Dr. Wilfred Johnston of Martintown, are among 62 new appointments to the Order of Canada announced by Governor General Jules Léger at Ottawa.

Dr. Harper, one of Canada's leading authorities on the history of Art, is named an officer of the Order of Canada.

Dr. Johnston, a retired dentist who moved to Martintown from Montreal in 1971 and is now farming on a full-time basis, becomes a member of the Order.

The investitures will take place in the fall.

Now busy writing a book on the early Canadian painter, Kreighoff, Dr. Harper spends part of the year lecturing on the history of Canadian Art at Concordia University in Montreal. He spends about half the year at his home in the Second Kenyon where he is now working on his latest book.

The resume of Dr. Harper's activities reads:

Dr. Harper was born on a farm near Caledonia, Ontario. From 1942-46 he served overseas with

Woman died at Lancaster park

Lancaster OPP were called to Glengarry Park east of Lancaster early Sunday morning when a park attendant reported that a woman collapsed. Police say Mrs. Lilian Duncan, 41, of Montreal died of natural causes. Mrs. Duncan and her husband were camping at the park over the weekend.

Barn at Laggan, local industry both hit by fire Thursday

Alexandria firemen had a busy day Thursday of last week when they were called to an early morning barn fire and then spent most of the day fighting another blaze in the big shavings shed of Hubert Sabourin, Sandfield Street.

R. D. MacLeod of Laggan, lost his big barn to flames of undetermined origin at 1:45 a.m. Thursday. The loss, estimated at more than \$50,000, included 17 calves, the bulk tank and other dairy equipment, silo unloader, fertilizer spreader and barn cleaner.

Three calves managed to escape the flames which had a head start when first noticed.

Alexandria firemen were called but the fire had made such headway by time of arrival they

had to content themselves with preventing spread of the flames to house and outbuildings.

Mr. MacLeod has no definite plans for rebuilding yet. His Holstein herd of 35 is being housed in the nearby McNeil barn.

Firemen were called out again at 11:30 a.m. when the big shavings shed of Hubert Sabourin across from Alexandria Moulding plant was hit by fire. Members of the brigade fought fire in the sawdust bin overhead until 5:30 p.m. They were called back that night and again on Friday to quell stubborn flames.

It was the second fire in a matter of months in the shavings shed and the loss is estimated at \$15,000.

the RCAF, then returned to Canada and received a MA from the University of Toronto. Since that time he has devoted his life to studying Canada's cultural past, particularly in the fields of Canadian art, archaeology and social history. He has worked at the Royal Ontario Museum, the New Brunswick Museum, the National Gallery of Canada as the Curator of Canadian Art, and at the McCord Museum, McGill University. Since 1968, he has lectured on Canadian Art at Concordia University.

Dr. Harper prepared the initial archaeological report for the Louisbourg restoration project, and has published many books, some of which are: Painting in Canada: A History, Portrait of a Period: Notman, Paul Kane's Frontier, Early Painters and Engravers in Canada, and A People's Art. In 1974, Dr. Harper was appointed Curator of Canadian Art at the Art Gallery of Ontario.

He is a widely known authority on Canadian art, both for his curatorial contributions to Canadian collections and for his documentation of Canadian art history. He was presented with an honorary D. Litt. by the University of Guelph in recognition of his work.

Dr. Wilfred Johnston helped found a clinic which made eyes, ears, noses and other features for wounded veterans of the Second World War. The review of his activities reads:

No sidewalks for Harrison Cr Pipe band won Class 4 honors

A petition for a sidewalk on Harrison Crescent was refused by town council at its meeting last week. Fern Seguin, chairman of public works, reported costs were excessive and the petition did not have the support it implied.

"We've talked to many of those who signed and several said they did it to please those who were passing the petition around, he said. Deputy Reeve Florence Villeneuve also noted that some petitioners did not live on the street.

Mr. Seguin said costs for improving the street conditions along Harrison Crescent were in a tight budget and that a sidewalk could require a further sinking of between \$25,000 and \$50,000 into the project. "That's simply an expenditure that we can't afford at the time," he said. Total cost at present is \$80,000 for the entire scheme.

The councillor also pointed out that if a sidewalk were to be installed it would require the further widening of the street by two and a half feet.

"That would mean that residents along the south side would lose two and a half feet of lawn but if we went to the north side then we'd have to cut down four mature trees," he commented.

Mr. Seguin also said, and councillors agreed, that many of Alexandria's nicest streets are "without sidewalks."

Heavy loss in collision

No injuries were reported in a car-truck collision which resulted in total damage estimated at \$6,000 about five miles west of Alexandria Wednesday morning of last week.

A spokesman for Ontario Provincial Police at Maxville, said the car, driven by Jacques Lefebvre of Alexandria, and the milk tank truck, driven by Rosaire Samson of North Lancaster, collided at the intersection of Dornie Road and the Fourth Concession Road at 10:40 a.m.

Pipe band won Class 4 honors

Glengarry's senior pipe band won the Canadian Open championship in Grade 4 at the National Games held in Ottawa on Saturday. The band placed first in both piping and drumming competitions and one of its drummers, David Danskin Jr., placed second in solo drumming.

Both the senior and junior bands from Glengarry took part in the Scottish Spectacular Saturday evening at Lansdowne Park.

One band official expressed himself as most pleased with the band's victory. He noted the Glengarry band is trained as a concert band rather than for competition.

Hear complaint on by-law

A town resident's complaint that a construction bylaw is being flagrantly violated will be investigated by the road superintendent, council decided at its regular meeting Tuesday.

Leo Lauzon, through a letter from his lawyer alleges that a neighbor's building was erected within the four-foot limit set through the bylaw as a distance between adjoining buildings.

It was noted Mr. Lauzon recently was refused permission to erect the same type of structure within the four-foot limit.

The letter informed council that it "should provide an even-hand interpretation of the law" if its bylaw enforcement is to be effective.

The neighbor Jack Trudel whose building is in question, wrote council that so far as he was concerned the bylaw allowed for adjoining buildings to be as close as 13 inches apart.

Road Superintendent Jean-Guy Levert was authorized by council to determine the exact property line by witnessing a land surveyor's examination of the site.

The town fathers refused to assume any of the surveyor's fees though and added that would be up to Mr. Lauzon.

Two \$1000 prizes won here

Paul Roy, proprietor of Paul's Florist Shop in Alexandria was the winner of one of the \$1000 prizes drawn by the Lions at the Dominion Day celebration. Another \$1,000 prize was shared by Harry Main and Archie Stewart both of Alexandria. Mrs. Morrison of Apple Hill won the giant Panda.

Band association gets grant

A \$5,000 grant has been awarded to the Glengarry Pipe Band Association by Hon. John Munro, minister responsible for multiculturalism. Announcement of the grant was made Monday by Stormont MP Ed. Lumley and Denis Ethier, MP Glengarry-Prescott-Russell.

The grant was awarded to help support and expand the Celtic Cultural Development Project. At the present time, approximately 120 young people take courses in piping, drumming, fiddling, and highland dancing from the association. With this financial assistance, it is hoped that most of these students will be of instructor calibre within five years.

Martintown Rumor Mill

by Arthur Buckland

Last week Fred Booth held his annual recital in the Martintown public school. There was a fine display of musical talent. Highlight of the night was the Martintown rock band with Mike MacMillan, Terry St. Onge, Allan McGregor, Shawn MacPhail and Jimmy Lalonde.

Unfortunately, many parents were not present to see their offspring demonstrate the results of their year of music lessons. Good work Fred and students!

Public school principal Ken Emond sent around an informative memo. Mrs. Mason, that vivacious grade 2 and 3 teacher, has retired to have a baby. Wendell Lafave comes to our school to teach in the portable classroom as the new teacher.

Athol and Pearl Edgar are celebrating their 55th anniversary soon (Mrs. Edgar won't tell me the exact date.) Mrs. Edgar is active in Martintown social life and one of her main interests is Amnesty International. Give her a call if you would like to help in some small way.

Athol, our former mailman, is also a veteran of World War 1. Recently he scored a 93 for 9 holes of golf. That's better than any score I've ever made on two holes. Congratulations to a well respected area couple.

The UCW St. Andrew's Strawberry Tea was a great success.

Last week I attended the Governor General's garden party at Rideau Hall. I was amazed at the state of health of our

Governor-General Leger; he has made an amazing recovery.

Thousands of people lined the garden paths to see him and perhaps get a handshake or exchange a greeting with him. He shook hundreds of hands and survived the party very well.

The armed forces 35-piece band played many enjoyable tunes to add to a fine afternoon with the "other half". Colonel Patterson, former CIC of the Glengarry, Stormont and Dundas Highlanders, was there.

A tour of the house, grounds and greenhouse is well worth a trip to Ottawa; if after, as our editor has suggested, you have explored Glengarry first.

Mrs. Arthur Smith, Lancaster involved in the local ecumenical Bible School this Summer. Give her a call (347-3435)

July 13th is the date that about 35 Glengarryians go downeast for a vacation of camping, dancing, music and...

Sylvester MacDonald and his clansmen John Job, Jackie Smith, Thwyla MacDonald and our own Lyle MacMillan will be enjoying a busman's holiday for two weeks down East as they play in several spots down there.

Pipe-Major John MacKenzie and violinist Joan McDonald will be joining Sylvester's band for the trip.

Rae and Alex MacCulloch will be heading down there also, with our 12 beloved Glengarry MacCulloch dancers. Marcel Lanthier, who will be publishing a direct mail bulletin of interest to Glengarryians soon, is also taking the trip.

Remember to remember our Highland Games dance on July 25 at Yon Bonnie Glen. We expect to have a 204 piece band. For this we need at least 200 people to join with The Brigadoons. Instruments will be supplied. Keep that date open.

Thanks to money raised at our carnivals and dances and donations, we have just purchased \$1,000 worth of playground equipment. It was erected by some community-minded people: Donnie Ross, Glenn and Joe Lafave, Bernie Lafave, Don McCaig and Ray Howes.

I've heard that older boys are misusing this equipment. The consequences of destroying public property could be serious. People worked hard to get that equipment there.

The new slide and merry-go-round will not cost us anything in increased taxes or whatever. It was money raised by your Martintown Recreation Committee.

Martintown Mac Says enjoy summer. Visit a friend. Hope you had an opportunity to give Canada a hug on her birthday.

Had luncheon for grandmothers

On Thursday, June 19th, all the grandmothers in the Martintown Women's Institute were treated

Hint judicial review of road project may be sought

Decision by the United Counties to proceed with reconstruction of the South Branch Road and ignore an expropriation inquiry clearly demonstrates a lack of concern in the democratic process of government.

The committee has hinted it

to a lovely luncheon. This was put on by the non-grandmother members and took place at the home of Mrs. Donald Thomson. Special guests were Miss Bessie Cumming, District President and Mrs. Wm. C. MacLean, area past president. Other guests included Mrs. Phyllis MacDonald, Mrs. Eleanor McPhadden, Mrs. Marie Kitchen and Mrs. Marion McCaig. There were prizes won by Mrs. Gerie Campbell, Mrs. Helen Watling, Mrs. Alex Lagroix, Mrs. Gordon Ross, Mrs. Ken Emond, Mrs. Rupert Newbury, Mrs. Eugene Lapierre, Mrs. Susan Clark, Mrs. P. MacDonald and Mrs. Leslie West.

The business period in the afternoon was attended by 34 members with a new member joining. Mrs. Beverly Runions. Miss Bessie Cumming spoke and gave a few highlights from the Officers' Conference. Members belonging to the University Women's Book Fair asked for books that anyone might want to give away.

An executive meeting will be held at the president's home on July 14th. All executive members are asked to please attend as the plans for the dinner at the fair will be discussed. Time is 7:45 p.m. at Mrs. Douglas Murray's.

Mrs. Jennie McLennan thanked Mrs. Thomson and her hostesses, all the non-grandmothers, for the enjoyable day.

September meeting will be in the evening at the home of Mrs. Jim Conboy on King's Road. Roll call... a childhood book I liked.

could ask the Ontario Supreme Court for a judicial review of the decision of the council. Such an application, it is understood, could not be heard until September or October, if it is made.

This was the contention today in a statement issued by Duncan J. MacDonald, Cornwall lawyer, acting on behalf of the South Branch Road Committee.

United Counties council decided on May 21 to widen the road to 100 feet. The \$300,000 project is expected to start soon.

The three-page statement charged United Counties council, by its actions, has lost the confidence of a great many of those that put its members in office.

"Deep regret was felt that the report of the inquiry officer, appointed by the province of Ontario, was not followed," the statement said.

It continued, disappointment with council's decision is based on two main grounds.

"...first that in the present day, where governments are inviting citizens' participation and input into decisions affecting particular communities, counties council is turning its back and does not want any participation," the statement said.

The statement charged the council ignored a petition with over 500 names.

"One could have hoped that in a country where so much emphasis is placed on our historical past and the retention of things of natural value, that some of the members from Glengarry would have been concerned," the statement added.

The statement also claimed that the reason given by some members that their whole road widening program would be in jeopardy if they widened the road to 86 feet "is very flimsy indeed."

Three classes of people, it continued, will be affected by the road widening. They include people who use the road, people who live on the road and whose land is being "forcibly taken" and the people who admire the road for its esthetic beauty and historical value.

The statement further charged a number of statements made in the press by some members of council and county officials were not in accordance with the evidence of the inquiry and were made after the inquiry.

Some members, the statement explained, had claimed the road is the cause of many accidents, some of which have cost lives.

However, the statement continues, police report for the years 1972, 1973 and 1974 and for three months of 1975 show a total of 20 accidents on the road from Williamstown to Grant's Corners.

"One accident which was fatal was a single car accident and involved alcohol," it said.

The statement concluded the road in question is a heavily travelled road. It said no traffic count was available later than 1968 and the only evidence was that traffic had decreased substantially since that time.

Meanwhile, South Branch Road owners who opposed the expropriation of the 100 foot right-of-way have now received official notification of the decision of the council to proceed with the expropriation.

Nova Scotia's Annapolis Valley is traditionally a stronghold of the Baptist Church.

Play for ruins

The musical version of "Christ the Liberator" will be presented by the young people of Maxville in St. Raphael's Church Ruins on Sunday, July 6th at 9:25 p.m.

The musical based on "Jesus Christ, Superstar" and "Godspell" has been presented in Moose Creek and Kingston.

Entrance is free but there will be a collection for the Third World at the end of the performance.

The St. Andrew's Folk Group from St. Andrew's will present music before the performance.

Mrs. Howard McEwen has returned to her home in Maxville after spending a week with Mr. and Mrs. David McEwen, Dennis, Allen, and Colleen, in Harrington.

Mrs. C. Leenards of Arnheim, Holland, is enjoying a summer holiday in Canada with her daughter and her family. . . Mr. and Mrs. Charles Robert, Arthur and Ingrid, of St. Elmo East.

Mr. and Mrs. Harold Willis have returned from a two-week motor trip through the Maritime Provinces.

Recent visitors with Mr. and Mrs. John Sinclair and family were Mr. and Mrs. Jack Chardine of Hamilton, and Mr. and Mrs. John Kisbee of Queenswood Heights.

In a spectacular oversight last week the write-up on the Arts and Crafts Show at Maxville Fair forgot to mention that among the exhibitors were George and Doris Matsell, of Cornwall, with his copper tooling and doll furniture and her appealing collection of dolls, particularly the lovely old apple heads. Not only exhibiting,

but they had also organized and convened the whole show. The Matsell name has become synonymous with crafts in Glengarry . . . no excuse for taking them for granted.

Spending some time visiting Mr. and Mrs. David Danskin and family are her mother and father. . . Mr. and Mrs. Cameron of Edinburgh, Scotland.

Maxville WI Had Guests

More than 70 ladies were present at the June meeting of Maxville Women's Institute, which was held June 25th in the Community Hall. Invited guests were present from Moose Creek, Dunvegan, McCrimmon and Picnic Grove. The meeting was presided over by Mrs. Eva Kippen, assisted by the secretary Miss Gladys Roulston. A token of appreciation was given Miss Roulston for her faithful service since coming to Maxville.

Mrs. Robertson McRae spoke on the Motto . . . "He who plants kindness grows love". Mrs. Kip-

pen introduced the guest speaker . . . Mrs. D. McLachlan, who had been a voting delegate to the A. C. W. W. Conference in Australia last October. Mrs. McLachlan told of her trip and the hospitality received during her extensive tour of Australia, Fiji, and New Zealand. She later showed beautiful slides of these countries and gave a very descriptive and interesting travelogue of the tour. Mrs. McLachlan considered it a supreme privilege to have been sent as a delegate to the conference.

Mrs. Robert MacIntosh, accompanied by Mrs. Catherine MacEwen, sang the hymn used at the conference. "Come, Sing a Song of Joy," with all present joining in. The speaker was thanked by Mrs. John Sinclair who presented her with a gift. All the ladies spent a social hour together. This was convened by Mrs. C. McEwen, Mrs. J. Jamieson, and Mrs. J. McCartney.

The next meeting will be July 30th, which will be Grandmothers' Day, and all grandmothers are cordially invited to attend at the Community Hall at 2:30 p.m.

Band Did Well

Congratulations to the members of the Glengarry Pipe Band . . . who brought their good share of the trophies home from the 2nd National Highland Games in Ottawa. First in the Grade Four Canadian Open Piping, and first in the Grade Four Canadian Championship Drumming. There were fifteen hands competing in this grade. This gave them the Over-All championship in open contest, grade four. And on Friday Dave Danskin Jr. came second in the Canadian Open Amateur Solo Drumming.

Flower Pot Island forms an interesting unit of Georgian Bay Islands National Park. The Island owes its name to two large rock pillars that have been sculptured by erosion. They look like flower pots.

HAS LAW DEGREE—Elizabeth MacLennan, B.A., daughter of Mr. and Mrs. John D. MacLennan of Cornwall, has received her Bachelor of Laws degree at the convocation of the Faculty of Law of the University of Western Ontario. Miss MacLennan is articling with the firm of Adams, Bergeron and Palmer in Cornwall.

Blind picnic held at Manor

A very good time was had by all who were present at the annual picnic for the blind of Glengarry County on June 20.

The picnic was held in "The Grove" at Maxville Manor through the courtesy of the Administrator, Allan Vallance and the Board of Directors.

Mrs. Daphne Casselman of Maxville Manor, won the annual guessing contest—guessing how many candies were in a jar. Alex MacGregor, also of the manor, was the oldest man present and Mrs. Patrick McDonnell of Alexandria, had the honor of having the greatest number of years to her credit among the ladies.

Arrangements for the picnic were under the direction of Angus R. MacDonell, Chairman of the Glengarry County Advisory Board. He was assisted by Mr. and Mrs. John Reid who selected the prizes, and Mrs. Elizabeth

Widely known teacher died

A native of McCrimmon, Mrs. Stewart Grant died on Monday, June 23rd. She was the former Penelope Margaret McCrimmon and was born on May 2nd, 1900.

After attending local schools she graduated from Ottawa Normal School and followed the teaching profession for most of her life. She had taught at Whitney, Ontario; McCrimmon East; Chute a Blondeau; Lochiel; Alexandria Public School; Swastika and Kirkland Lake.

She married on May 30th, 1947 and her husband died on December 5th, 1948. Following his death she returned to teaching in Kirkland Lake and after retiring to McCrimmon she had also done some supply teaching at Laggan Public School.

She had travelled extensively in Europe, Asia, the British Isles, Canada, U.S.A. and the Caribbean. She was in numerous organizations in Kirkland Lake, in church groups, teachers' federation, and YWCA and as long as health permitted took part in McCrimmon WI and the Glengarry Historical Society.

The funeral was held in St. Columba Presbyterian Church on Thursday, June 25th where Rev. William Scott officiated at the service assisted by Rev. W. S. Sutherland, a cousin of the

Clingen who organized the refreshments. The volunteer workers already mentioned, as well as Mrs. John G. Hampson and others, assisted with serving the lunch. Mr. Vallance permitted the use of the auditorium, following the picnic, where Everett Rush of Cornwall, accompanied by George Patrick, gave a song recital. Those present joined in a sing-song afterward.

Every blind person present was given a prize either for winning a competition or on some pretext such as being the oldest man present. The prizes were donated by the Alexandria Branch of the Canadian Legion. The Legion provides prizes for the picnic every year.

Pine Grove won twice to take over first place in soccer

(By Nancy Ann Malkin)

Pine Grove won two important games this week to pull ahead in the see-saw battle for first place. They defeated Alexandria 2-0 and

GRADUATES IN OTTAWA—Alan A. Cameron, son of Mr. and Mrs. Douglas S. Cameron of Lancaster, received his Bachelor of Commerce Degree with honors from Carleton University on May 30, 1975. Alan is presently employed with the Office of the Auditor-General in Ottawa.

whipped Greefield 6-1. Scoring against the Clansmen were Rondo MacSweyn and Hugh MacGillivray.

On Saturday night, in mosquito country, Greenfield fell flat. They were no match for Barry MacSweyn's crew who played their best game of the season. John Malkin, a new member of the team, played a superb game scoring three. Campbell MacGillivray, Hugh MacGillivray and Rondo MacSweyn added singles. Garret McGillis got Greenfield's lone marker.

In the past Pine Grove has had a reputation for something less than clean play, but on Saturday night they were there to play soccer.

Last Tuesday night Greenfield once again failed to generate an effective offensive effort as they bowed to Glen Sandfield 3-1. Bert Massie got two and Leighton McDonnell booted the other. John Morris scored for Greenfield.

On Thursday night, a total of nine goals were scored as Greenfield nudged Lochiel 5-4. Scorers were not available at press time.

Games ahead:
July 3—Glen Sandfield vs Pine

Grove
July 4—Alexandria vs Greenfield

July 5—Lochiel vs Pine Grove

July 8—Glen Sandfield vs Alexandria

July 10—Greenfield vs Alexandria

Laggan Girls edged Alexandria 1-0 and Glen Sandfield 2-1 to maintain their winning streak. Greenfield won their first game of the season Saturday night defeating Lancaster 5-1.

Touch football league play

Results of games played on Sunday, June 29th:
Lochiel 51—Alexandria 0

Hugh MacGillivray played another great game at quarterback while leading his team to the lopsided win over Alexandria. He scored one touchdown himself and passed for seven more. Robert Levac scored three touchdowns while Barry MacSweyn, Paul Poirier, Brian Filion and Jerome Poirier scored one each.

WITH METRO POLICE—Luc Desjardins of Alexandria, has completed his course at the Ontario Police College in Aylmer, Ont. The son of Mr. and Mrs. Theodore Desjardins, Alexandria, he is presently with the Metropolitan Toronto Police Department working out of Weston.

North Lancaster 26—Glen Robertson 8.

This was the first loss suffered by Glen Robertson and their only touchdown was scored by Rene Leduc. Yves Pilon led North Lancaster with two touchdowns while Claude Godard and Henry Dumouchel scored one each.

Jr. calf club clinic held

by Doug Howes

Lochiel Junior calf club held their annual showmanship clinic on June 14th at the farm of John and Dougal MacLeod, from 10:30 till 3:30.

We were fortunate to have the help of some Senior members: Lyle Howes, Tracey Myers, Douglas MacLeod, Janice Hart- rick and David MacMillan. Our judge was Jim Vallance.

The Senior members gave us a few pointers while we clipped and washed our calves.

Several members Lancaster Legion are on the sick list

Members of the Claude Nun- ney, V.C. Memorial Branch 544, of the Royal Canadian Legion, Lancaster, met recently for the last general meeting until the first Thursday in September. The executive members will continue to meet once a month throughout the summer months of July and August.

The executive members over the past few weeks have been seriously affected by illness and the following have been hospital- ized. Comrade Sgt. at Arms John T. McLaren, Comrade D. Leonard MacLachlan, Branch Treasurer and acting manager, Comrade S. Murree, 2nd Vice-Pres., because of an earlier illness has been forced to resign from that post.

Com. I. R. Clark, Deputy Zone Commander Zone G-4 and former Branch manager, offered his resignation as manager because of ill health. It was reluctantly accepted and the responsibility assumed by Comrade MacLach- lan, until the September meeting.

It was brought to the attention of the members present that Comrade Wm. Beattie of Wil- liamstown was in hospital.

The business at hand was brought forward by acting pres- ident Com. Ray Markell and the agenda, minutes and correspon- dence was handled by the Branch secretary, Comrade G. C. Green.

The financial report was read by Treasurer MacLachlan and the report evidenced the sound struc- ture of the Branch.

Several Branch projects for the fall season were discussed and a committee named to act upon them.

A sign adorning the bulletin board at the Visitors Information Bureau at Lancaster and direc- tion signs were donated by the Branch.

The meeting concluded with a period of silence for our late Comrade and former Branch

president, W. Ray Steele, fol- lowed by the Legion ritual. Com. D. Leonard MacLachlan was the winner of the monthly 50-50 draw and Com. J. B. White the attendance draw.

Three Lancaster area public schools to receive physical education funds from board

Three public elementary schools in the Lancaster area will receive an additional allowance per student for rental of physical education facilities beginning in January.

The elementary panel of S D and G county board of education agreed last week that students at schools in Lancaster Village, Lancaster Township and Glen Walter would receive an allowance to be proposed by the board's administration.

The panel also agreed the allowance would be a budget priority of the finance committee and that a study be made of the allowance as it relates to similar situations.

A proposal from the board's ad hoc Char-Lan Arena Committee regarding use of Williamstown Community Arena by Char-Lan

District High School was received at the board's last regular meeting June 10 but a motion regarding rental of physical education facilities was defeated.

However, a motion for reconsideration of the defeated motion was presented by Trustees Sam McLeod, Lorne Thomphon and John Schultz.

A report from the administration last week stated that none of the three schools has a gymnasium and all rely on outdoor sports to fulfill physical education needs of students.

"Outdoor facilities provide opportunity for physical education programs for the students during the months of September, October, May and June," the report noted.

"However, there is a definite lack of facilities and consequently, a deficiency in programs during the winter months."

The report says the administration investigated the possibility of sharing facilities with other schools in the system as well as the possibility of renting outside facilities.

Director of Education Rosaire Leger told the elementary panel no provision had been made in this year's budget for facility rental.

"This could tax the budget considerably," he said, "but we definitely feel it should be a priority."

Trustee Sam McLeod said he realized there was pressure on the budget, "but this particular item is of minimal expenditure."

There are about 215 students at

the three schools.

Trustee Joan Findlay noted that if ice time was rented at an arena on a "lump sum" basis each principal would have a lot of money tied up for such a program.

"I would rather see the individual principals make provisions for ice time and pay for it out of their own budgets. This issue should be taken out of the hands of the board," she said.

Mr. Leger acknowledged it was dangerous to adopt a lump sum policy for all schools within the board's jurisdiction because each had different needs.

Trustee McLeod expressed consternation at the attitude of some of his colleagues on the issue.

"There are no other facilities available for the children," he said.

Mr. McLeod said the board had provided skating rinks during the past, "but nothing has replaced them."

Mrs. Findlay expressed concern that if a lump sum or block-time policy was proposed, it could set a precedent.

"By doing this for a particular school," she said, "How would you get out of it when other schools asked for the same thing?"

Scout News

Second Alexandria Boy Scouts elected a group committee for 1975-76 at the last regular scout meeting on June 18th. Those elected are: Chairman, Mrs. Karen Dicaire; Vice-Chairman, Louis Lauzon; Secretary, Mrs. Lorraine Cameron; Treasurer, Mrs. Monique Seguin; and other members, Mrs. Claire Lanthier, Mrs. Shirley Roach, Mrs. Hortense Charbonneau, Donat Wisel, Bill Buss, Mrs. Louis Bray, and Mrs. Jean-Marc Poliquin. Also at this meeting gifts of appreciation were presented by the boys to their leaders.

Twelve Cubs participated in a Cuboree at Camp Kagama on Morrison Island on the weekend of June 13th. They were accompanied by their leader Mike MacDonald and Louis Lauzon.

One week Summer Camp trip from July 12th to 19th at Camp Opemikon, 65 miles north of Ottawa will be taken by Cubs Roch Carriere, Marc Lacombe, Daniel Theoret, and Scouts Patrick Bray, Steven Davies, Marc Lanthier and Mitchell Dicaire.

Plans are being set to take all cubs and scouts on a bus trip to an Expo baseball game at Jarry Park, the week of July 20th.

Trees for Canada fund raising netted \$690. Cub Jamie Roach and Scout Marc Lanthier each received \$20 first prize for highest collection in Glengarry.

New information bureau at Lancaster busy

The visitors' Information Bureau in Lancaster is proving a success, according to reports submitted by curator Peter A. Shennett.

Semi-weekly reports are forwarded to Eastern Ontario Travel Association Manager W. Elliott at Lansdowne, Councillor Dorothy Fawthrop of Lancaster Village, co-ordinator for the Townships of Lancaster and Charlottenburgh and the Village of Lancaster, and to A.D.D. "Buster" MacDonald of South Lancaster, Glengarry representative on the Seaway Valley Tourist Council.

The site, with its well kept lawn and picnic tables has an office trailer filled with brochures, with ample room to browse about. A bulletin board, through the courtesy of the local Legion branch, lists items of interest, both local and throughout the Seaway Valley enabling visitors to the area to become aware of the many attractions and events that occur each day.

A recently revised brochure, points out the locations of parks, motels, hotels, dining rooms and recreation areas, historical plaques, sites, marinas, shops of all descriptions, antique establishments, churches, museums, lib-

ROULEAU WINS AGAIN—These Grade Eight girls from Rouleau School won the A trophy in the annual school softball tournament held at the Alexandria Park, June 30th. It was the third year Rouleau took this trophy in the tournament. Left to right, front row: Suzanne Levac, Ginette Poirier, Sylvie Chenier, captain; Nicole Depratto, Kim Dumochel. Back row: Nicole Ranger, Pierrette Decoeur, Coach Agathe Seguin, Lucie Poirier and Joanne Cleroux. The Grade Seven girls were also top winners in their division.

Everybody has the right to affordable housing.

This is what Ontario is doing to help them obtain it.

In recent months, the Ontario Government has introduced, or expanded, a number of measures aimed at putting home ownership within reach of greater numbers of people. That means doing two things—making more housing available and helping you to meet home ownership costs.

Four Ontario Government programs are directed right at these objectives:

- 1. Home Ownership Made Easy (H.O.M.E.)** brings home ownership within reach of many moderate-income earners. Houses are built on serviced lots which are then leased by Ontario Housing Corporation to new homeowners, who may buy the land after five years. This combination makes possible lower-than-normal down payments and carrying costs.
- 2. Ontario Home Renewal Program (OHRP)** offers grants and loans for home improvements through local municipalities to low and moderate income homeowners. This

plan works to rehabilitate sub-standard dwellings—especially those with faulty structural and sanitary conditions—and to upgrade plumbing, heating and electrical systems.

- 3. Ontario Housing Action Program (OHAP)** helps municipalities and developers to increase the supply of serviced land, thus lowering the cost of home ownership and rental accommodations. It also encourages the building industry to more closely match the housing mix to the purchasing power of the majority of the population.

- 4. Ontario Home Buyers Grant** provides a \$1,500 grant in three instalments to any Ontario resident who is 18 or older and buying a first home. There are no price or income restrictions but the home must be the buyer's principal residence and acquired at fair market value. The purchase must be completed by December 31, 1975 and the buyer must be living in the home by June 30, 1976.

If you would like more information or free literature on these four housing programs, write to:

Visiting Mr. and Mrs. R. MacLachlan are Mr. and Mrs. Murray MacLachlan and Haley of

Mrs Charlebois died at 68

A highly esteemed resident of Alexandria throughout her life, Mrs. John Charlebois died Friday in the General Hospital, Ottawa. Aged 68, she had been in failing health for some years and in hospital the last six months.

Mrs. Charlebois was widely known and as widely admired for her genial friendliness and cheerful spirit. She was especially valued as "Ma Lion" by members of the Alexandria Lions Club for whom she had sold draw tickets in quantity over the years. Mrs. Charlebois had been active in St. Finnan's CWL and other community organizations. She had been a valued employee of the Hub Restaurant over 29 years.

The former Teresa Ravary, she was born in Alexandria, a daughter of the late Damase Ravary and his wife, Aurore Lebrun. She married John Charlebois of Alexandria, who predeceased her some thirty years ago.

Two sons and three daughters survive: Raymond and Bernard Charlebois of Alexandria; Jackie, Mrs. Roy Honeywell, and Muriel, Mrs. Jacques Lalonde, both of Ottawa; Paulette, Mrs. Jim Big-nell of Toronto.

Two brothers and five sisters also survive: Roger Ravary of Montreal; Lucien and Mrs. Grace Lalonde of Alexandria; Mrs. Arthur Lemire of Pierrefonds, Que.; Mrs. Lucien Brazeau, Lachine; Mrs. Raymond Cosette, Montreal, and Mrs. Paul Fournier, Sturgeon Falls.

The funeral was held at 11 a.m. Tuesday, to St. Finnan's Cathedral where Rev. Leo MacDonell was assisted at the mass by Rev. Ronald Labonte and Robert Lemire of Montreal. A deacon, Mr. Lemire is a nephew of the deceased.

Six members of Alexandria Lions Club acted as pallbearers: President Jacques Trotter, Lloyd McHugh, J. P. Touchette, Claude Lemay, Mike Barbara and Doug Baxter.

Interment was in the parish cemetery.

Mrs Menard died at 79

A well respected resident of Alexandria, Mrs. Yvonne Menard died at Glengarry Memorial Hospital on Monday, June 23rd. She was born in St. Eugene 79 years ago, the daughter of the late Zotique Clement and his wife, Anna Campeau. She was predeceased by her husband, the late Adelard Menard.

She leaves to mourn her loss four sons and two daughters. They are Rolland and Rene of Alexandria; Leo and Roger of Ville LaSalle; Laurette, Mrs. Rolland Miron of Alexandria and Simonne, Mrs. Alphonse Lalonde of Ottawa.

Two brothers and three sisters Ottawa. Sunday evening, they had their new little daughter Cheri Lee christened in the Glen Sandfield United Church, Rev. Lloyd officiated. God parents to the Davies baby are Miss Donna Shay of Chesterville, and Fred Messerman, Ottawa. Mrs. M. Messerman and Ben, Ottawa, were here for the service. Mrs. Messerman is the baby's other grandmother. All attended an informal get together at Mr. and Mrs. R. MacLachlan's, and many friends and neighbours dropped in, for the happy occasion. Mrs. Libby MacLennan and Mrs. Neil MacLachlan, the two great grandmothers, were there as well, to complete the evening celebration.

Congratulations to Mr. and Mrs. Stephane Joly (Manon Brunet) who were married recently at St. Remi.

Mr. and Mrs. William Golden and Mr. and Mrs. Donald Golden and son are visiting Mrs. Nestor Menard.

Visitors with Miss Mary MacKenzie this past week were Mr. and Mrs. Jack Hutchison, Kirkland Lake, Mr. and Mrs. R. Schram and children from Whitby Ontario and her niece, Mr. and Mrs. Bill Krenik of Hemit, California.

Congratulations to Bruce MacKenzie and Miss Linda York who were married at Thunder Bay last Saturday

also survive: Oscar Clement of Lachine; Donat Clement, Montreal; Annette, Mrs. Georges Vincent of Lachine; Marie, Mrs. Arthur Vincent of Ville St. Pierre; Alice, Mrs. Romeo Rousseau of Pont Viau.

The funeral was held on Wednesday, June 25th, at 11 a.m. to Sacred Heart Church, Rev. Raoul Poirier offered the funeral mass assisted by Rev. Morin and Rev. Denis Vaillancourt.

Pallbearers were Rejean, Gilles, Roch and Jacques Menard; Jean Paul Miron and Marc Lalonde.

Died Montreal

Mrs. Paquette, the former Harriet McKinnon died in Montreal on Monday, June 16th. She was a sister of John Joseph McKinnon of Alexandria and an aunt of Mrs. Eldon McDonald, the former Margaret McKinnon of Montreal.

The funeral service was held on Thursday, June 19th at 10:30 a.m., from Morris Funeral Home to St. Finnan's Cathedral. Rev. Leo MacDonell offered the mass.

Pallbearers were Rodolphe Lefebvre, Joseph Lefebvre, Alexander Joseph Macdonell, Bruce, Michael and Gordon McDonald.

BY-LAW NUMBER 775-75

FOR THE CORPORATION OF THE TOWNSHIP OF LOCHIEL

A BUILDING BY-LAW

WHEREAS Section 38 of the Planning Act, R.S.O. 1970, Chapter 349, provides for the passing of a by-law by a municipality for regulating buildings to be erected, altered or repaired and for requiring the production of plans and for charging fees for inspection and fixing the amount of fees for the issuing of permits by a municipality.

NOW THEREFORE the Council of the Corporation of the Township of Lochiel HEREBY ENACTS as follows:

1. This By-law shall be called the Building By-law for the Township of Lochiel.

2. (a) Building shall mean a structure containing one or more dwelling units.

(b) Dwelling shall mean and include any building, tent, trailer or other covering or structure, the whole or any part of which is used or intended for use for the purpose of human habitation on the lands and premises pertinent thereto and all outbuilding, fence or erections thereon or therein.

(c) Dwelling unit shall mean any room or set of rooms used or intended for use for human habitation in any dwelling.

(d) Inspector shall mean the person or persons from time to time designated by the Corporation to enforce the provisions of this By-law.

(e) Work shall include erection, alterations and repairs to any building.

3. No person shall commence any work on any building or locate any building within the Township of Lochiel without having obtained a building permit from the inspector, except that no permit shall be required for repairs or alterations which do not exceed \$500.00 in cost.

4. Before any permit is granted by the inspector, the applicant shall furnish to the inspector—

(a) plans of the work to be carried out showing the location, size and dimension in detail of all building or buildings to be erected, altered or repaired;

(b) specifications outlining in detail the proposed method of construction and listing the materials to be used and the cost of the total work;

(c) all work shall conform to the National Building Code of Canada and amendments thereto, which Building Code shall form a part of this by-law as if herein specifically set out.

5. Applications for a building permit shall be made in writing and submitted to the inspector together with the required fee as hereinafter set out.

(a) Where the value of the work is not less than \$500.00 and does not exceed \$1,000.00, a fee of \$5.00;

(b) where the value of the work exceeds \$1,000.00 a fee of \$5.00 plus \$1.00 for each \$1,000.00 of work or part thereof in excess of \$1,000.00.

6. If, during the progress of the work, it is desired to deviate from the application, stamped drawings or specifications, notice of such intention to deviate shall be made in writing to the inspector having jurisdiction whose consent shall be first obtained before such deviation shall be made and if the inspector considers it necessary, a new or revised application, together with new or revised drawings and specifications shall be submitted for approval and levying a permit fee.

7. During the course of the work described in the permit, the person to whom the permit is issued shall keep posted in a conspicuous place in the premises a copy of the permit and shall keep a set of the drawings and specifications stamped with the official approval stamp of the inspector on the premises at all times during the construction for inspection of the proposed work, all of which shall be available to the inspector having jurisdiction or any of his assistants.

8. The inspector having jurisdiction may—

(1) Visit, enter and inspect or cause any of his assistants to visit, enter and inspect from time to time and at all reasonable times—

(a) any building which he has reason to believe is being erected, altered, re-constructed, repaired or relocated;

(b) any building which he has reason to believe is in a dangerous or defective condition in regard to its construction;

(c) any building which he has reason to believe is being used for the purpose for which it is not suited due to its construction or any violation of the permit issued.

(2) Order work stop on any building or structure when—

(a) the work is done or is being done contrary to the requirements of this By-law, or

(b) the work is done or is being done in a manner to create a dangerous or unsafe condition;

(c) the work is done or being done in violation of any condition under which the permit was issued;

(d) the inspector having jurisdiction or duly authorized members of his staff may order work immediately stopped by serving personally a written notice on any person engaged in doing or causing such work to be done and such notice shall state the reason therefor and the conditions under which work may be resumed.

If there is no person to whom notice may be given at the time of his inspection, such notice shall be placed in a prominent place on the building or structure on the site, and a copy of such notice shall be sent by registered mail to the permit holder at his address as given on the application for permit.

Upon the giving of such notice, no further work shall be carried out upon the premises in question until written permission to resume work is given by the inspector.

(3) The inspector or duly authorized member of his staff may revoke a permit if—

(a) the work being carried on under such a permit is being done in a manner that does not reasonably comply in every respect with the requirements of the By-law, or

(b) the construction referred to therein is discontinued for a period of six months or more, or

(c) the work is not being carried out in accordance with plans, specifications and drawings submitted in support of the application for a permit.

The inspector or duly authorized members of his staff may revoke a permit by serving a notice in writing, by registered mail, addressed to the permit holder at his address as given on the application for permit, or served by hand. Upon the giving of such notice, the permit shall cease to have further power or effect and no further work shall be carried out upon the premises in question without a new application or permit and a new permit fee obtained.

9. It is hereby declared that notwithstanding that any section or sections of this By-law or parts thereof may be found by any court of law to be bad or illegal or beyond the power of the Council to enact such section or sections or parts thereof shall be deemed to be severable and that all other sections or parts of this By-law are severable and independent therefrom and enacted as such.

10. Any person convicted of a breach of any of the provisions of this By-law is guilty of an offence punishable on summary conviction and liable to a fine not exceeding \$150.00 for each offence.

READ A FIRST and SECOND time in open Council this 24th day of June A. D. 1975.

Township Building Inspector—Jean L. Larocque,
R. R. #1, Glen Robertson, Ontario.

Appointments may be made by calling—874-2878.

Mrs. Beauchamp died suddenly

Mr. and Mrs. Linus McKinnon of St. Catharines spent Wednesday with Sara and Jean McKinnon.

Mrs. Ed Wylie and Mrs. Irene MacDonald spent last week in Windsor and Detroit where they visited with relatives.

Luc Desjardins of Weston is visiting with his parents, Mr. and Mrs. Theodore Desjardins.

Visiting with Miss Theodora MacDonald for the past few weeks is Sheila MacMillan of Seattle. Mr. and Mrs. Archie MacDonald and Janet of Mont-

real and Miss Anne MacDonald of Toronto were here on the weekend.

Stuart Macdonald of St. Augustine's Seminary, Toronto, was a weekend guest of his aunts, Mrs. Hubert Macdonald and Miss Mildred Dever.

Mrs. Rolland Sabourin and family of Montreal visited on Saturday with Mr. and Mrs. Solomon Sabourin and other relatives.

Weekend guests of Mr. and Mrs. Angus R. McDonell, Green Valley, were Mr. and Mrs. Donald McDonell of Maitland, Mrs. C. E. MacDonald, Mrs. Doreen Martin and daughter Cathy of Montreal.

The death of Mrs. Armand Beauchamp occurred unexpectedly in Glen Robertson on Saturday, June 21st in her 49th year.

A resident of the Fourth of Kenyon, she was the daughter of the late Charles de Bellefeuille and his wife, the former Yolande Lalonde.

She leaves to mourn her loss, her husband; one son, Clement; her mother, Mrs. de Bellefeuille; her sister Solange, Mrs. Leon Prieur of Dalhousie and three brothers, Roch of Dalhousie, Henri, Ville LaSalle and Jean Charles of Glen Robertson.

The funeral was held on Tuesday, June 24th for service in St. Martin of Tours Church, Glen Robertson where Rev. Maurice Lariviere offered the funeral mass. Burial was in Glen Robertson Cemetery.

Pledged vows at Sacred Heart

BORRIS—QUESNEL

A lovely Spring wedding took place in Sacred Heart Church, Alexandria, on Saturday, May 3rd, when Miss Denise Quesnel became the bride of Andre Borris. Rev. Raul Poirier officiated at the 4 p.m. ceremony.

The bride is the daughter of Mr. and Mrs. Raymond Quesnel of Alexandria, and the groom is the son of Mrs. Clarence Borris and the late Mr. Borris.

Given in marriage by her father, the bride was gownned floor-length in white polyester sheer with lace yoke and collar. A pearl crown held her veil of tulle which was trimmed with lace and ended in a train. She carried a cascade bouquet of American Beauty roses.

She was attended by her

sisters, Liliane as bridesmaid and Natalie as flower girl and by Miss Estelle Charbonneau as bridesmaid. The attendants wore full-length gowns of polyester in white with pink flock print and carried pink and white carnations.

The best man was Gerald Carriere and ushers were Claude Borris, brother of the groom, Ronald Quesnel and Gerry Borris. Donald Carriere was ring bearer.

The reception following the ceremony was held at the Bonnie Glen Pavilion where guests were present from Montreal, Ottawa, Cornwall and the surrounding area.

The bride travelled in an off-white pant suit with brown accessories and corsage of yellow roses.

They will reside in Alexandria.

Teachers get extra salary starting in September

Secondary school teachers employed by the Stormont, Dundas and Glengarry county board of education will receive cost-of-living allowances ranging from \$1,000 to \$1,400 to supplement their salary schedules, effective Sept. 1.

A news release issued by the board's salary negotiating committee Tuesday night states this is an interim measure prior to expiration of the teachers' contract Dec. 31.

Teachers will receive 40 per cent of the increase during the September-December term and the balance in the January-June term, the release stated.

The total cost of the adjustment is approximately \$650,000, of which \$260,000 will be allocated this fall. Teachers will receive a total of \$1,000 to \$1,400 and principals and vice-principals will receive \$2,000 over the school year. The teachers will get \$400 to \$560 and principals and vice principals \$800 of the increment this fall.

At a meeting April 30, the board's salary negotiating committee rejected the teachers' request to reopen the existing contract and enter into negotiations for a new agreement.

However, the committee advised the teachers that upward revisions had been made on their salary schedule, effective Sept. 1.

The adjustment was the subject of a great deal of discussion at a general meeting of Seaway Valley District 21 of the Ontario School Teachers Federation June 5.

As a result of new legislation regarding teacher-school board relations, recently introduced by Education Minister Thomas Wells, negotiations are expected to open soon for a new contract which will date from Jan. 1, 1976, the release stated.

Couple wed at Breadalbane

RODDICK—CAMPBELL

Breadalbane Baptist Church was the setting for a lovely wedding on Saturday, May 31, when Kena Gail, younger daughter of Mr. and Mrs. Kenneth Campbell of Vankleek Hill was united in marriage to Terrence H. Roddick of Vankleek Hill. He is the son of Mr. and Mrs. Stan Roddick of Yarmouth, Nova Scotia. Officiating at the double ring ceremony were Pastor Leroy Soper and Rev. Doug Kinsman. Mrs. Della Soper, as soloist, was accompanied at the piano by her daughter Miss Dana Soper.

The bride was given in marriage by her father. She wore a gown of silk ligoda and guipure lace. The bodice, fashioned on empire lines, had a high neckline with long sleeves edged with lace. Her headdress of tulle illusion had a floor length veil with flowing train. She carried a bouquet of white and pink carnations with stephanotis and baby's breath.

Mrs. Wayne McArthur, of Toronto, sister of the bride, as Matron of Honour, Miss Eleanor Forbes, of Vankleek Hill, and Mrs. Mike MacLennan, of Green Valley, friends of the bride, were her bridesmaids. They were gownned in pink and green or gandy with slight high-rise waists, high necklines and long sleeves. They wore white picture hats with green streamers and carried nosegays of pink and white carnations with baby's breath.

Little Tammy Roddick, the groom's niece, of Vankleek Hill, was charming in a floor length gown of pale pink with short sleeves and bib of white, with lace trim. She carried a basket of miniature flowers and lily of the valley.

Frank Brodie, of Vankleek Hill, friend of the groom, was best man. Ushers were Robin Campbell, of Vankleek Hill, brother of the bride, and Sandy Roddick, of

Yarmouth, N.S., brother of the groom.

A reception followed at Pleasant Corners Public School, where Les MacNaughton acted as Master Of Ceremonies. Sid Hay proposed the Toast to the Bride. Following the reception the happy couple left on a trip to Quebec City.

For travelling the bride wore a navy blue dress with white trim and wore a corsage of sweetheart roses. They will reside in Ottawa where the bride will be attending Teacher's College in the Fall.

Out of town guests were from Oshawa, Ottawa, Ancaster, Toronto, Ormstown, Que., Hemmingford, Que., Montreal, St. Bruno, Yarmouth, N.S., Truro, N.S., New Jersey and Mass., U. S.A.

Prior to her marriage the bride was entertained at a kitchen shower hosted by Misses Eleanor and Dorothy Forbes and Mrs. Frank Brodie at Breadalbane Church Hall.

A trousseau tea was given by her mother at her home on Sat. May 17, at which about 65 friends attended. Among those pouring Tea for this occasion were Mrs. Roy Soper, Mrs. Bruce Roddick, Mrs. Lilia MacLaurin, Mrs. Nicol Kettles, Mrs. Ivan Graham, Mrs. A. E. Moll, and Mrs. Dave Geddes.

The young couple were also presented with a purse of money by their church friends at a Social gathering at Vankleek Hill Baptist Church on June 13.

HONORS B.A.—Karen Marie Palmer graduated on June 11th from the University of Toronto, with an Honors Bachelor of Arts degree in Urban Studies. The daughter of Walter and Eileen Palmer of Goderich, Ont., Karen is a granddaughter of Mrs. F. Thauvette of Alexandria.

APPROACHING MARRIAGES

FORBES—HIGGINSON

Mr. and Mrs. Leslie D. Forbes announce the approaching marriage of their eldest daughter, Mary Dale, to Richard Lewis, youngest son of Mr. and Mrs. Howard P. Higginson, all of Vankleek Hill. Wedding to take place Saturday, July 26th, 1975, at 3:00 p.m., in Breadalbane Baptist Church.

DA Grant died in 95th year

One of the oldest residents of Williamstown passed away at Cornwall General Hospital on June 9th in the person of Donald A. Grant. He was in his 95th year and was a life long resident of that community.

He was the son of the late Donald Grant and Ellen Munroe. Mr. Grant was the last surviving member of his family.

Left to mourn his loss are his wife, the former Laura Ferguson; a son Milton of Toll Gate Road, Cornwall, and a daughter Edith Grant of Williamstown. A son, Munroe, predeceased him in 1945.

Mr. Grant was a member of the Lancaster Masonic Lodge and was given his fifty-year pin in 1972.

The funeral service was held in the McArthur & MacNeil Funeral Home Chapel on June 11th, at 2 p.m., with Rev. Fred Rennie, minister of St. John's Church, Cornwall, officiating. Cremation

Council limits share of lagoon costs, awaits agreement

Residents of Alexandria will pay no more than 3.9 mills towards the cost of improvements to the sewage lagoons, it was decided at last Tuesday's meeting of council. That rate would constitute a three-mill increase over the .9 mill share the municipality was to pay at the time of the last agreement with the textile firm in 1971.

The resolution moved by Reeve

Jean Paul Touchette last week will amend the June 3, 1971 agreement so as to allow the town and Consolidated Textiles Ltd., to participate in a joint venture. The town's proviso is that the mill rate for residents is "increased no more than three mills and that the balance of the project is paid by Consolidated Textiles Ltd."

Copies of the resolution will go

to both Consolidated Textiles and A. J. Forsyth, municipal projects officer from the environment ministry's projects co-ordination branch. A start on the improvement will await agreement by the textile firm.

If there is agreement it will end almost seven years of argument between town and the industry over improvements to the sewage lagoon.

On June 3, 1971, an agreement between both parties was reached where Alexandria and the textile manufacturer would split the cost of building new processing facilities for the badly-overworked lagoon.

When bids on the project were inspected in September of that year, costs had skyrocketed and neither town council nor the company wished to shoulder the expenditures which would incur. The resulting disagreement

postponed the project until two months ago when Consolidated vice-president of manufacturing, Peter W. Benn and his company's consulting engineer met with council and thrashed the matter out once more.

Since then, the Ontario ministry of the environment officials have applied pressure to both parties in order to resolve the disagreement which had already forced Alexandria to slow down home construction. Without improvements to the lagoon, town officials said, there was no way to accommodate new sewer installations.

The original 1971 cost of the project had been set at \$115,000 with the town having to increase its mill rate by 0.77 mills. The project, if costs remain relatively stable for the next several months should be around \$448,840 which is 3.9 times more than the original estimate.

Another disrupting factor in the long-standing dispute between council and Alexandria's largest employer was that the parties could not agree on the type of improvements needed.

The choice was between sub-aeration units over surface aeration and their cost factors. For a long time the sub-aeration system (where oxygen is pumped

through the lagoon, thereby purifying the sewage) was thought much more expensive than the surface aeration system.

At the meeting two months ago, ministry of the environment officials pointed out that either system could now be installed at a cost about par with each other. Sub-aeration might require much more maintenance charges, it was said, but then it would also operate more efficiently.

The resolution now accepted by council will fix a limit on the mill rate which can be levied to ratepayers for construction of the project and total costs will be pro-rated.

Lancaster 4-H horse club met

The Lancaster 4-H Horse Club held its June meeting on the 19th at VLN Farm, Lancaster. Margie Peters opened the meeting with the 4-H pledge, then the treasurer gave a financial report of the club's activities.

Jim Humphries was the club's guest this month. He taught members the different aspects on how to judge a horse and demonstrated how a horse should be shown in a ring. He discussed the various breeds and how they differ from one another.

A vote of the members was

taken for the August trip. Two choices had been suggested: Ottawa Exhibition, or Blue Bonnets. The trip to the Ottawa Ex. won a majority of votes.

Horse shows and preparation for summer activities seem to fill

most of the members' time. Each and every one of them is eager and willing to show their horse to its fullest ability. We wish luck to all of them and hope that this summer's showing will be better than last year's.

Take the lumps out of farm income

Money received in lumps is great, but with them comes the heavy burden of income tax.

A Sun Life Income-Averaging Annuity has been designed to reduce that burden. It enables you to defer taxes on certain lump sum income receipts by spreading them forward. This will generally result in tax saving and higher disposable income.

Many types of income are eligible, for example: income from the sale of inventory or accounts receivable when you sell all or part of your farming operation; or capital gains.

In cases like these, Income-Averaging Annuities can save tax, earn interest and guarantee future income.

Give me a call and I'll fill you in on all the details.

Horse riding is becoming ever more popular on the Glengarry scene. We're for it, if only because the youngster could develop horse sense.

IT'S ABOUT TIME

Blue jeans have probably given way to shorts during this heat wave and if it wasn't uncomfortably warm we could wish the hot spell might continue if only to give us a holiday from those ugly jeans.

Perhaps there's hope, though, that teenagers are wising up to the poor impression they make in their faded denim pants.

The current Newsletter of the Glengarry Junior Farmers notes that this year's Provincial Conference in Toronto was the first of several Ontario junior farmer programs that will be governed by a dress code, specifically, "no blue jeans".

The suggestion that such a dress code be adopted came from several counties who felt it had been an effective step in improving self-discipline of some members at local programs.

Last year Bruce County Junior Farmers followed the trend of other local organizations and establishments in eliminating the blue jeans at their dances and county meetings. Things did "shape up" according to one county executive member. People's behaviour was more reserved and this seemed to give more credibility to the idea that "a person acts the way they dress".

In other words, as a delegate of Provincial Conference worded it, "When you go to your closet and pick out what you're wearing, you're deciding your mood in a way—and with blue jeans, anything goes!"

Perth County Junior Farmers have incorporated "no blue jeans" as one of several attempts to improve upon their community image.

An editorial appearing in a local paper commented on the subject:

"For some reason the Junior Farmers have found that if young people are required to make plans to attend a function and to wear something other than their reglemental blue jeans, then their behaviour improves accordingly."

Why this should be, we haven't the slightest idea. It is rather ironic, however, that it should prove to be the fact among the very generation that made a habit of shuffling its elders for their emphasis on clothes, maintaining that it doesn't matter what you wear.

Yet, the proof of the pudding is in the eating and the Junior Farmers report that since they implemented their rules, conduct has improved immeasurably.

That such a fun-loving group of young people has the guts to face up to a problem and try to correct it is nothing short of heartening in our follow-the-crowd kind of society. We're sure the Junior Farmers' experiment will be watched with great interest...

To all of which your Rambling Reporter adds his hope blue jeans have had their day.

It's the writer of the *Seventh Column* in the *Winchester Press* who opines—and you're nearly as old as we are if you remember when blue jeans were called overalls—and were worn by men.

WE THE PEOPLE PAY

That 10-cent a gallon extra tax on gasoline is anything but popular with the people. It's designed to take \$350 million from the nation's car drivers this fiscal year and it will be as Joes who'll be paying it. Big business and the guy who knows his way around will be having that extra tax refunded to them while the rest of us pay through the nose.

But the Turner budget has plans for a change in unemployment insurance financing that will wallop us a lot harder than the gas tax. Canadian employers and employees may be paying an extra billion dollars next year in payroll tax to help meet the huge deficit in the unemployment insurance fund. This could add up to an average of \$89, a year or more on the wages and salaries of all who work.

When more generous benefits were built into the unemployment insurance system by Mackasey

LETTERS to the EDITOR

WANTS WOMEN'S COLUMN

The editor,
The Glengarry News,

I am a newcomer to this district, having moved with my husband to rural Glengarry over three years ago. As we lived most of our lives in larger cities, great changes and adjustments had to be made in our lifestyle. We never missed the city, nor did we ever regret having made the move.

I have found great inner satisfaction growing our own food and flowers, renovating and re-decorating our old homestead. I enjoy the peace and quiet of the countryside and love the fresh, pure air around me. We have made many new friends and our neighbors have always been kind and helpful. The only part of country living I have trouble getting used to are the lonely winter months. As the days are getting shorter, the weather fouler and the roads more hazardous, the isolation gets more intense. For those of us whose children are in school all day, or worse, whose children have left home and often live far away, the dark, long winter days never seem to end.

Talking to other women who feel the same way, I started to wonder if there was something I could do about this. 1975 is International Women's Year, what would be more fitting than to begin a project which would help the rural woman feel less lonely and isolated, during the winter months in particular. Then it occurred to me that this very paper, the Glengarry News, could become the tool to achieve just such a goal.

A woman's column, each week a little space dedicated to special information, interests, projects, household hints and tips, book reviews, all sorts of other items concerning only women. To beat the winter blues the women of Glengarry, Dundas and Stormont have to become part of this new project by actively participating in it.

I have to know what you, the female readers, want to read and to know to make the content of this column meaningful to most of

(continued on page 12)

They'll Do It Every Time

Will they cope with the dye?

Town council and Consolidated Textiles Limited appear to be closer to agreement on a joint venture to improve the sewage lagoons to the extent they may cope with the effluent from the local textile plant. Details have still to be worked out but council seems to be committing the taxpayers to pay no more than three mills toward the cost while the industry meets the balance of outlay for improvement.

It is probably fair that the municipality pay part of the cost if the sewage system is to be improved.

We are less concerned with the costs than with the end results. Ministry of the environment officials seem more than a bit

vague as to the best system of aeration to be used and council should have assurance aeration will do the job before waste dye from the textile plant is allowed into the lagoons. Otherwise there is the possibility the lagoon system will be unable to cope with any of our sewage and it will be returned en masse to the Garry. That would be a backward step.

Successive councils have been bargaining with the industry and government officials for years over improvements to the lagoons. We have yet to read of any assurance the improved lagoons will be able to cope with the dye. Surely council will seek some guarantee as to that.

To clip, and keep, and quote

Once in a while a profound truth clothed in beautiful but simple language is spoken by a godly man, notes an editorial in the United Church Observer. It may be heard and read by many and preserved in permanent form for those who follow after. More often it is lost and forgotten.

Such a truth in such language was spoken by Governor General Jules Leger at the Convocation of the University of Sherbrooke a few hours before he suffered a stroke. He and his brother Paul-Emile Cardinal Leger were being honored. His Excellency said:

"A certain man had two sons. He was our father. To one he gave the gifts of words, to the other the gift of silence."

"He imbued each with a belief in God and assured them that this was all the inheritance they needed to make their way in life."

"The sons departed—one in the service of the church, the other in the service of the state."

"Although their destiny often took them to the farthest horizons, they always returned to where they were born, partly to

catch their breath, but mainly to renew their dreams."

"In inviting those two brothers here today, the University of Sherbrooke pays homage to the family virtues practised in our modest home by a devoted couple whose ambition was for their children. These virtues and this ambition have opened doors everywhere."

"If there is a lesson to be drawn from this, . . . it is that the world belongs to those who approach it with an honest heart."

"Only with faith is the capacity to love and persuade, to live and to die with dignity possible."

Now a year later, on the occasion of our church's and nation's birthdays, notes the Observer editorial, we publish this fine testimony. We thought some of you might like to read, clip and quote from it. That such a statement, spoken by a French-speaking Canadian Catholic, representing an English Protestant Queen, appears in a United Church paper, is we believe a reflection of something of the mood of our times.

There to be used

Enlarging of the showhall at Maxville fairgrounds provided not only roomier accommodation for the showhall exhibits at the annual Fair. The enlarged hall better copes with the Highland Games throngs and the benefits of having so large a hall available are being felt by other Glengarry organizations.

Guy Lombardo would not have played in Glengarry had not the enlarged showhall been made available to the Laggan Recreation Association. Area dance fans will also have a chance to trip the light fantastic to the music of the Sammy Kaye band next month and no

doubt in time other name bands will also put in an appearance in the Maxville hall.

The younger set are also taking advantage of the fine facilities at Maxville fairground. An Alexandria group has booked the hall for a folk festival in August with half the proceeds ticketed for the new arena fund here.

The Maxville Fair Board wants to see the new hall used for the benefit of the entire area and that is as it should be. It was a bequest from a Dunvegan area man that made possible the new Angus Gray Memorial Hall.

Who economizes?

It was written weeks before Finance Minister Turner brought down last week's budget but that wishy-washy bit of government non-policy makes this editorial from the Ridgeway Dominion no less relevant. Certainly the Ottawa Government is showing no indication of a need to economize. The editorial reads:

Growing concern has been expressed across the nation in recent weeks, about the state of the Canadian body politic. It has been brought into focus by the discouraging news about the state of the Canadian economy. The strikes and loss of days of production have brought loss of income and loss of good faith among would-be buying nations.

Finance Minister Turner as he warns of the dangers of rising cost of production, decreasing production, and the loss of confidence in our contracts with importing nations, can be likened to the prophets of old who got no thanks for their warning of doom, or to the more modern Churchill who called in vain for preparations for war, only to have to fight the war for the people who ridiculed him, with the inadequate preparations they had allowed him.

It is a matter of which came first, the chicken or the egg. Who starts the necessary retrenchment and economy measures.

Each has his share of blame. We had thought that years ago when Mr. Diefenbaker came in with such a resounding majority he could have called for restraint and sacrifice. For some reason the call was not given. Now he and a few others have

called in vain for Members of Parliament to set an example of wage and price control.

Salary increases from \$18,000 to \$24,000, an increase in tax-free expense allowance from \$8,000 to \$10,600, a cost-of-living increase of up to 7 per cent each year starting next year, built-in machinery for future increases, \$7,000 in back pay, and a pension fund that at least, for a member who has sat six years in two Parliaments would pay that member \$8,400 the day he quit or was defeated and continue to pay him for the rest of his life. A member who had entered the House at age 40 and sat 20 years will receive at least a 5% increase in post-retirement pension each year.

With an example like this who are we to condemn the strikers who are ruining the economy of the nation by refusing to produce and demanding as much per hour as we used to get per week. Or the school teachers who are demanding that after an additional seven or eight years expensive and disciplined education, they receive equal pay with workmen who have started work without further training or education.

It is a case of "a pot calling the kettle black" or of "Let George do it". It seems to prove that too much democracy and socialism ruins a country. A bit of benevolent dictatorship, a little rule of law and some discipline that we have taken out of our society, would probably be good for all of us, reduce the prevalence of crime, vandalism, irresponsibility, and make for a better society all around.

Must be improved

(The Wingham Advance-Times)

Postmaster General Bryce Mackasey, tough guy that he is, has expressed for the rest of Canada a sentiment that is becoming more insistent with each passing week. He has declared that the idlers within the post office system will not be tolerated and that efficiency and good service must be re-established before there is an increase in postal rates. He rightly assumes that we are becoming increasingly impatient with paying more money for a poorer product.

The same minister recently tried to reassure us with the announcement that the Canadian postal system is the third best in the world. For the person who has been waiting weeks for a parcel stranded in Montreal PO that is very small comfort.

Why, we cannot but wonder, are postal systems all over the world in such a horrendous mess? Surely there must be a common denominator which is the underlying cause.

With the development of sophisticated means of transportation and the use of computers to unsnarl the minute-by-minute problems of sorting and routing, postal systems should be efficient now as they have never been before—rather than being less dependable than they were in the days of the pony express.

Is it possible that the denominator is government management, with all its implications of indirect political influence? Possibly so, because postal services are just about the one and only public service which is handled by government in all modern nations. The state in which so many postal departments find themselves today may provide the strongest argument against government ownership of any vital phase of production or service.

Be all that as it may, we're right behind Bryce when he says that Canada's postal service has to be improved. If it can't be we might just as well go back to the breeding of homing pigeons.

The editor,
The Glengarry News,

Perhaps you can help me locate the descendants of the Isadore

Beaulne family. Alexandria has been their home for many years, to the best of my knowledge, and I believe they may still live there. I am trying to locate them as I am a relative of the Beaulne family and I have not seen them since I was a small child. Any aid that you could give me, such as information from the Bureau of Vital Statistics, etc., or the addresses of these agencies would be appreciated.

Sincerely,
Shirley A. Beaulne King

PUBLICITY AVAILABLE

The editor Lancaster, Ont.
The Glengarry News

As you and most of your readers well know, a new Visitor's Information centre has been set up just south of Lancaster Village through the combined efforts of Charlottenburgh and

Lancaster Townships, Lancaster Village, Eastern Ontario Travel Association and the Ontario Government's student summer employment program 'Experience 75'. Perhaps the name, Visitor's Information, is slightly deceiving for though the main function of this information centre is to help people who are visiting in the local area, it is also attempting to act as a place where all people, local and visitors, will come to find out the coming events in the Seaway Valley and perhaps even to learn of some attraction in the local area which may have been forgotten.

It is at this point that I need your help. For this centre to be truly effective in its purpose, notice of local events must be brought here so that it may act as a central place where a person can go to find out what's on in the area. Therefore I am asking all churches, service clubs and local organizations who put on any events to which all are welcome to bring notice of these events to Lancaster Visitor's Information where they may get free advertising or to contact myself, Peter Shennett, South Lancaster, Ontario, 347-2416. With your help, it will be possible to make Lancaster Visitor's Information into a centre where notice of most or all coming events in the Seaway Valley can be found.

New hours have also been established at the Visitor's Information centre and effective Thursday, July 3, the hours are: Thurs. 11:00 a.m. to 5:00 p.m. Fri. 11:00 a.m. to 8:00 p.m. Sat. 8:00 a.m. to 7:00 p.m. Sun. 9:00 a.m. to 5:00 p.m. Mon. 11:00 a.m. to 5:00 p.m. Tues. and Wed. closed. Thanking you very much for your continued cooperation, Peter Shennett

Rambling . . .

(continued from Page 9)

in 1971, the federal government changed its commitment to one under which it was to pay all costs attributable to unemployment over four per cent. Now those costs have sky-rocketed under too generous disbursement of the fund and the government is reneging. It's passing on to we the people the extra burden of coping with unemployment that has reached levels the bureaucrats apparently didn't think possible.

It's another reminder that we the people pay all costs of government.

Auld lang . . .

McIntyre, 19, son of Mr. and Mrs. H. A. McIntyre, lost his life while bathing. Burton was employed with the Bank of Ottawa at Buckingham. — John Obelman has completed his fine new barn at Kirk Hill.—Spr. Ronald L. McDonald has arrived at Plymouth, England, according to word received by his mother, Mrs. Finley McDonald, Alexandria.—H. Bellefeuille is busily engaged erecting a new blacksmith shop at Glen Sandfield.

SEVENTY YEARS AGO

Friday, June 30, 1905

Main Street in Alexandria was changed to Glengarry Street at the meeting of municipal council on June 20th. By-law No. 46 covering the change, was introduced and given three readings at that meeting.—Alexandria's fine new Post Office, corner of Glengarry and Catherine Streets, was taken possession of, on Monday, by Postmaster Macdonald and the staff. The handsome 3-storey

building houses the Post Office quarters and on the second and third floors are living rooms, armory and other rooms for the public service.—Rod. McMillan has severed his connection with the News staff and will farm in Lochiel.—Finlay Campbell has the contract for putting the cover and railing on the MacMillan bridge, Laggan.—Donald T. Munro, Maxville, had a bee on Wednesday, raising the frame of a new bank barn which will be the first of its kind in the district.—A. and J. McNaughton and Duncan McEwen left Lancaster on Tuesday to join a survey party on the new GTP road.—Allan McCrimmon has opened a tinsmith shop at Fisk's Corner.—Geo. A. Watson, B.A. of Williamstown, has successfully passed the first year examinations at Osgoode Hall.

The St. Clair River Tunnel, linking Michigan and Ontario, was built in 1890.

Subsidy on cows not sought by many dairymen

It would appear that many cattlemen are unaware of, or have still failed to claim for, the subsidy of \$5.08 per cwt. on eligible cows sold for slaughter between November 16th, 1974 and April 30th, 1975.

Application forms are available from commission agents, country commission sales and Ontario Ministry of Agriculture and Food offices. Claim forms must be supported with settlement forms or cheque stubs from your sales agency and signed by a Provincial or Federal Agriculture official.

All cows sold for slaughter between November 16th and December 13th, 1974, are eligible for a deficiency payment. Claims can be made for a total of 5% of

the herd or sales up to 2% per month from December 13th,

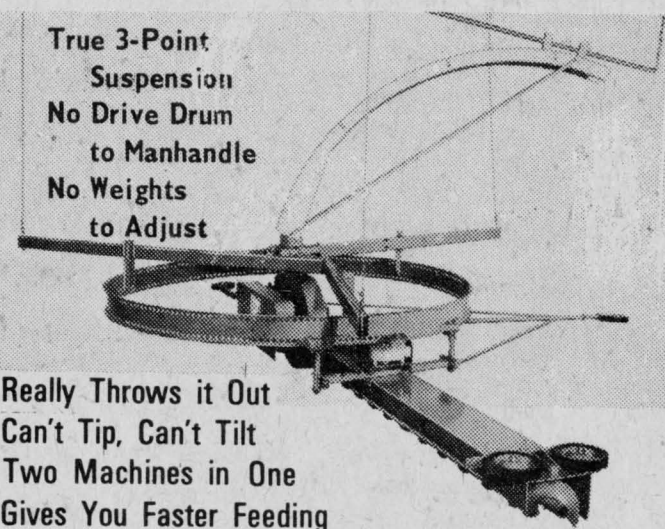

1974 to April 30th, 1975.

For further information check with your commission agent or Ontario Ministry of Agriculture and Food office.

In 1931, Canada had a population of 10,377,000.

Auditor's Report - Township of Charlottenburgh

To the Reeve, Members of Council, Inhabitants and Ratepayers
of the Corporation of the Township of Charlottenburgh

We have examined the 1974 financial statements of the Corporation of the Township of Charlottenburgh which are listed on the attached Index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Charlottenburgh as at December 31, 1974 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Capital outlay to be recovered in future years	505,742	83,278
	827,014	335,617

LIABILITIES

CURRENT LIABILITIES

Temporary loans	344,000	
Accounts payable and accrued liabilities	131,589	19,852
Other current liabilities	5,299	6,636
	480,888	26,488
Net long term liabilities	100,599	53,044
Reserves and reserve funds	235,430	226,147
Accumulated net revenue (deficit) and unapplied capital receipts	(9,903)	29,938
	827,014	335,617

NOTES TO FINANCIAL STATEMENTS

1. CHARGES FOR NET LONG TERM LIABILITIES

Total charges for the year for net long term liabilities were as follows:

Principal payments	\$15,745
Interest	2,662
	\$18,407

Of the total charges shown above, tile drainage debenture payments amounting to \$8,507 were included in expenditure for drainage and were recovered on the tax roll for the year, and \$9,900 was paid on the long term liability for bridges and is included in expenditure for transportation services—roadways.

2. PROVISION FOR RESERVES

A provision of \$20,000 for the reserve for working funds and \$67,500 for the reserve for capital expenditure is included in the statement of Revenue and Expenditure as follows:

Financial expenses	\$20,000
Conservation of health	20,000
General government	47,500

3. BASIS OF CONSOLIDATION

The Consolidated Balance Sheet reflects the assets and liabilities of the revenue fund, the capital fund, the Police Village of Williamstown and the Garbage Collection and Street Lighting areas but does not include the assets and liabilities of the Martintown Hydro Electric System.

4. NET LONG-TERM LIABILITIES

Total long term liabilities incurred by the municipality and outstanding at the end of the year amount to \$582,599

Of the long term liabilities shown above, the responsibility for payment of principal and interest charges on the school debentures has been assumed by Stormont, Dundas and Glengarry County Board of Education for a principal amount of \$482,000

Net long term liabilities at the end of the year \$100,599

5. CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS

The capital outlay for municipal drains of \$137,367 under the Drainage Act and tile drainage loans of \$100,149 under The Tile Drainage Act do not represent a burden on the municipality as the municipal drain expenditures will be recovered in part from Province of Ontario and A.R.D.A. subsidies and the balance together with the tile drainage loans will be recovered from special charges on the benefiting landowners.
