Deposed Lancaster Reeve Will Run Again For Office At New Nomination

His December election as reeve declared void in a legal action this week, Lancaster Village Reeve Lloyd Fawthrop will again seek the office at new nominations to be held Wednesday, January 19th. If an election is needed it will be held Thursday, January 27th.

The by-law setting dates for nominations was set at a special meeting of the Village Council Tuesday night. Veteran councillor Stewart McGillis is acting reeve. Judge G. E. Brennan Monday voided the election of Mr. Fawthrop as reeve of Lancaster.

Making his decision, Judge Brennan said, "I agree with the law. It doesn't matter how praiseworthy the motive. The municipality was indebted to Mr. Fawthrop on election day and he received payment two days after the election. It is in my mind sufficient to void the election."

The judge made it clear he did not believe Mr. Fawthrop had acted dishonestly or was attempting to make money out of the municipality.

He said, "I don't think any less of Mr. Fawthrop and I don't believe the other members of the municipality think any less of him."

The action to void the election was made to the court by Raymond Alan Munro, defeated candidate for reeve in the December election.

Mr. Munro's motion asked the election be voided because Mr. Fawthrop was not qualified for election. The lack of qualification was based on the fact Lancaster Lumber and Fuel Co., sold materials to the village of Lancaster.

Mr. Munro's attorney introduced evidence to indicate Mr. Fawthrop was the sole owner of Lancaster Lumber and Fuel Co.

The court heard evidence from clerk-treasurer Albert Seguin that fuel, coal and small quantities of lumber were purchased from Mr. Fawthrop's company.

Douglas A. Fawthrop, municipal auditor, testified his company noted the fact a member of council had dealings with the municipality in the annual financial statement.

Several members of council testified they were aware of the municipality's dealings with the lumber and fuel company.

They indicated they had approved payment of the invoices submitted by the company.

The court was told the company was the only company in the village which sold coal and lumber and to make purchases elsewhere would be inconvenient and more expensive.

Mr. Munro indicated Monday he will not be a candidate for office in the new election.

Three Escaped As Car Plunged Through Lake Ice

Francois Poirier, 22, of Green Valley, and two companions in his 1958 Ford had a narrow escape from drowning Sunday when his car went through the ice of the lake. The three managed to scramble to safety as the car plunged under the surface but they got a chilly soaking in the process.

According to Police Chief Dubois some 12 car owners were using the lake surface and the ice was firm enough to bear the weight. Poirier ventured up the weed-infested lake inlet, however, and found the ice there was not safe. A Glengarry Motor Sales tow truck rescued the car from the watery depth on Monday.

No Serious Injury In Two-Car Crash

Five persons were injured, none of them critically, in a Sunday afternoon two-car crash at Fassifern which involved Dr. John F. Mutch of Maxville.

A passenger in his own car, Dr. Mutch suffered a fractured collarbone. John MacLean of Ottawa, who was driving the Mutch car, is a patient in Cornwall General Hospital. He suffered several cracked ribs, bruises and lacerations.

Three residents of Lachute were in the second car and Mrs. Laura Cunningham 53, suffered bruised knees and possible concussion. She was detained in Glengarry Memorial Hospital here until Wednesday. Treated there and released were Mrs. Amy Lyster, driver of the car and her son, Stephen 9, who suffered a broken arm.

Dr. Yvon Bourdeau treated the injured.

The two cars collided at the intersection and came to rest on the doorstep of a nearby house. Damage to the Mutch car was estimated at \$1500 and to the Lyster car at \$800.

OPP Constable Ronald Graham of Lancaster, investigated.

Minor Committee Changes As Council Meets

Moving into its second year in office, town council held its first meeting of the year without ceremony Tuesday night. Principal business was a slight shuffle of committee heads to spread the load among some councillors who were new a year ago.

Committee chairmen are: Welfare and Sanitation—Paul E. Viau.

Court of Revision and Assessments—Sam Brunet.

Fire and Light—Sam Brunet.

Finance—Reeve Bruno Massie.

Public Welfare—Mayor Periard.

Community Centre Management—Lynn Costello.

Industrial—J. P. Touchette.

Park and Recreation—Mayor Periard.

Area Planning Board—Mayor Periard.

Members at large to the planning board were re-appointed—Donat Boisvenue, D. N. McRae, G. G. Aubry.

The Clerk was advised to seek the service of G. W. Gorrell, Morrisburg lawyer, to represent the town at a hearing before Judge Brennan on appeals against decisions of the County Assessment Board by the White Rock Motel and the Brewers Retail store.

A \$25 grant was made to the St. John's Ambulance.

Representatives of the Ontario Water Resources Board met with council for the annual review of the operating expense budget of the sewage lagoons for 1966. General operation is satisfactory, they declared and it was suggested a program of erosion control on the banks of the lagoons be carried out. Seeding down with grass and other improvements might be made on one lagoon each year, they suggested.

A complaint by local taxi drivers that a non-citizen was operating in town was turned over to the police chief for investigation.

Reeve Bruno Massie and Lloyd McHugh were re-appointed to represent council on the Glengarry Hospital Board.

Barn And Cattle Lost To Flames Second Time

For the second time in 14 years, Clarence Borris, an Alexandria area farmer, lost his barn and cattle to fire yesterday. Resident some 3½ miles east of town on the Glen Robertson road, Mr. Borris lost 16 cows, a bull and three heifers in the Wednesday afternoon blaze which also destroyed some 1300 bales of hay.

It was the third fire loss for the Lochiel farmer in his career. Some time prior to his first barn loss, he had lost his home in the Dalkeith area to flames.

Mr. and Mrs. Borris had left to visit relatives at Dalkeith about a half hour before the flames were seen by neighbors, about 3 o'clock, and an alarm turned in. When they arrived at Dalkeith word of the blaze had already preceded them.

Alexandria Fire Brigade answered the call but had to content itself with preventing spread of the flames to the nearby house. It was scorched by the heat.

The loss is estimated at some \$12,000, partly covered by insurance.

IT'S COLD; BUT NOT THIS COLD—It's been a cold week with the mercury dropping to as low as 15° at least one night. But it's not as bad as the Chenier's Hardware truck, above, would lead one to believe. The Volkswagen was parked in the Chenier driveway, Sunday, some 20 feet from the municipal

standpipe when the standpipe overflowed. Freezing spray coated the truck with as much as four inches of ice. So many people have stopped to see it, Elie is in no hurry to melt the ice. He likes the publicity. Ice on the standpipe is seen at right. —Photo by Robert

Board Sees Further Expansion Of High School's Technical Plant

Expansion of the technical plant at Glengarry District High School is a probability this year.

At its inaugural meeting for the year last night, the board of trustees received word from Maxville High School board that it plans to use the vocational shop facilities here. Plans for added facilities had been tentatively discussed late last year and the board decided to meet with Dr. J. O. Proulx, chief district inspector, within the next month to decide what new plant will be required.

St. Polycarpe Mother Killed Saving Family From Fire

A mother of seven died in her blazing home Tuesday in a frantic bid to save her family.

Mrs. Gaetan Leger, 45-year-old wife of Jean Charles Leger, St. Polycarpe, Que., was killed after she had shoved five of the children to safety through an upstairs window of their wooden farmhouse. Two other children, Marise, six, and Claude, 10, died with their mother.

Mr. Leger suffered third-degree burns in his futile attempts to rescue his wife and family from the flames. He was taken to hospital in Valleyfield and later to Notre Dame Hospital in Montreal, where authorities said that his condition was good.

Police said that fire broke out at 5 a.m. Tuesday when a gas-powered water-heater exploded. The

Helicopter Iced In At Glen Sandfield

During last Thursday's sleet storm, a Department of Transport helicopter was forced to land on the farm of Gordon MacDonald, two miles east of Glen Sandfield.

The helicopter was en route from Ottawa to Three Rivers, Que., to assist ice breakers on the St. Lawrence but it developed its own ice problems.

An attempt to lift off proved dangerous and it was grounded overnight until Ottawa sent a service truck equipped with a heater to de-ice the 'copter.

Named Manager Hill Liquor Store

John R. Reid, a member of the local Liquor Store staff for many years, has taken over as manager of the store at Vankleek Hill, effective January 4th. He had been acting manager there since November 22.

A Vankleek Hill man, Wilfrid Seguin, is assistant in that store.

Mr. Reid will commute to his work for the present but expects to move his family to Vankleek Hill after close of the school year.

There has as yet been no replacement for him in the local store where Ben Proulx and Howard Kelly hold sway.

Moved To Dolbeau

Robert M. Sabourin of Alexandria, has received a transfer with the Royal Bank from Montreal to the Dolbeau, Que., branch where he will serve as management officer. He spent the weekend here with his parents, Mr. and Mrs. J. L. O. Sabourin, before leaving for Dolbeau.

For the past six months he had been a personal loan officer at the bank's head office in Montreal.

flames raced through the house, cutting off all exits before the family had been aroused.

"The water heater downstairs blew up the stairs so they couldn't get out," a police spokesman said. "Mrs. Leger woke up and she broke the glass upstairs and five of the kids jumped out. The other two didn't make it. But the five that got out are okay. They had slight burns around the face, but they're all right."

The fire was out of control by the time the fire department reached the scene. The house was destroyed. The Leger farm is at La Riviere two miles outside St. Polycarpe.

Mr. Leger is employed at the Ste. Anne de Bellevue Hospital.

The five children who escaped have been treated for superficial burns and released.

A cold spell has its compensations. Nothing like a January freeze for drying up a drippy nose.

EDITORIAL

IT'S OUR OPINION

If We Grow At The Same Pace

Rather startling it was to note in last issue's report of the building inspector that Alexandria gained 58 units in 1965. We had been aware of a lot of new bungalows were abuilding but we would have estimated a high of no more than 25.

Actually there were 34 single-unit dwellings, according to the report, and another 24 apartment units to help ease the crisis in accommodation.

Those 58 new housing units, added to 37 in 1964, point up the fact our town gained accommodation for almost one hundred families in the last two years. Project that over the decade and one would find our town doubling its population within ten years. It could develop at a faster rate than that, of course, if new industry moved in or our present plants expanded.

No wonder we are knowing a traffic problem on our narrow Main Street, and that is only one of the growing pains our elected have to contend with. Two of our schools are getting additions within one year and if our population continues to rise at this rate the day is not far off when we may require another school of two.

Education is only one of the facilities that will have to be expanded to meet the needs of a growing population and it is comforting to know the town's assessment has passed the three million dollar mark. It has increased by a cool million over a two-year period as our industries took on a greater share of the tax load.

This rate of growth should be setting our citizens to thinking ahead. We are emerging from a small-town status and all of us should be setting our sights a bit higher. If we are to know a fairly comfortable transition from the slow pace of the life we knew only a few years back there should be comprehensive town planning. The advice of experts in that field should be sought now lest town council, the PUC or our school boards let us in for costly expenditures which might later prove to have been ill-advised.

Alexandria is growing, the year-end review of new building makes clear. Like Topsy we can continue to "just grow". But we may wake up a few years hence to the fact we have been developing in the wrong places.

Whether You Like It Or Not

Workmen's Compensation moved in on Ontario farms as of January 1st. Protection against accident is now extended, by government decree, to include all farmers providing they employ full or part time help. Farmers not employing help may get the same coverage for themselves and their wives on a voluntary basis but the protection for farm help is compulsory.

One area farmer with whom we were discussing this new regulation was anything but keen to seek the protection promised by Workmen's Compensation. He wanted no part of it and had no intention of paying the annual assessment.

We could be in sympathy with his view while still wondering if this was a wise course. For his own protection, in our opinion, any farmer employing help will have to be covered or he faces the prospect of heavy indemnity should an employee be injured or killed at some future time. Statistics on farm accidents are such that many farm employers could lose their farms if their annual assessments had not been paid when hit by a serious accident.

This is the compulsory feature of Work-

men's Compensation which has impelled us to pay our yearly assessment through all those years since the Act was first passed. This office has been blessedly free of serious mishap, but we could not afford to take the chance of having to indemnify the government should we be caught by accident with our assessment unpaid. Under the provisions of the Act, the government meets the costs of injuries or death of an employee. Then the employer is assessed the full amount if he is not in good standing with the Workmen's Compensation Board.

Perhaps coating the pill of compensation for easier digestion, government spokesmen suggest it will "place the farmer in a better competitive position in the labor mart with the more than 100,000 industrial and retail employers already reporting to the Board". Some Glengarry farmers may doubt they will ever be in a position to compete with business for good help at today's wage scales.

That should not preclude a thorough study of this new legislation. Whether they like it or not, farmers who employ full or part-time help will have to pay this annual assessment if only for their own protection.

Another Look At Imperturbability

The last time we wrote on imperturbability we received at least two letters to the editor, if we recall correctly. Such letters are warning to the editorial heart, especially when they enthusiastically agree with the editor's viewpoint.

So we are taking up the subject of imperturbability again after a ten year lay-off. We like the word because it's so big it helps to fill up a column simply by its repetition.

You are cognizant with the word, of course. In case you've forgotten, we looked it up in our dictionary. "Imperturbability" is the condition or quality of being imperturbable. And what means "imperturbable", you may still be wondering if your dictionary got lost? Mr. Webster explains it as a condition "that cannot be disconcerted, disturbed or agitated; impassive".

This is a condition which we have been striving to attain since first we heard of ulcers of the stomach. Ulcers are brought on by worry, among other things, seems we heard once. This was before cancer became so hideous a threat and we had definitely decided we didn't relish ulcers. So we decided to quit worrying, to be imperturbable, to make like an Indian practising yoga whenever trouble threatened to trouble us.

And how have we succeeded in these ten years since last we wrote on imperturbability? Have we developed that calm core capable of coping with all the agitations that might come our way? Have we kept cool, calm and collected, taking things as they came, our worries held to an absolute minimum?

There is evidence that we were not entirely successful. Seems we were so set on keeping ulcers out of our stomach we let down our guard a bit and the blood pressure went up. But our imperturbability, or something, did keep us clear of ulcers and our doctor had a pleasant approach to our pressure problem. "Get out on the golf course as often as you can", he suggested, "but don't overdo it." So we've been enjoying the cure.

The way we play golf we can remain almost imperturbable except when we three-putt too many greens. There's no use being disconcerted when we slice our drives; we do it all the time. Why get disturbed when one's approach shots insist on never reaching the green; why become agitated when the river swallows up two or three more balls? We hope to be imperturbable on that lucky day we get that hole-in-one on the short No. 7, even.

There are probably golfers snide enough to claim we're anything but imperturbable out on the course. We have been known to use our voice as an escape valve so our stomach won't suffer the consequences. It's worked well as far as ulcers are concerned. But our stomach seems to be a bit swollen with success, or something, since we last wrote on imperturbability.

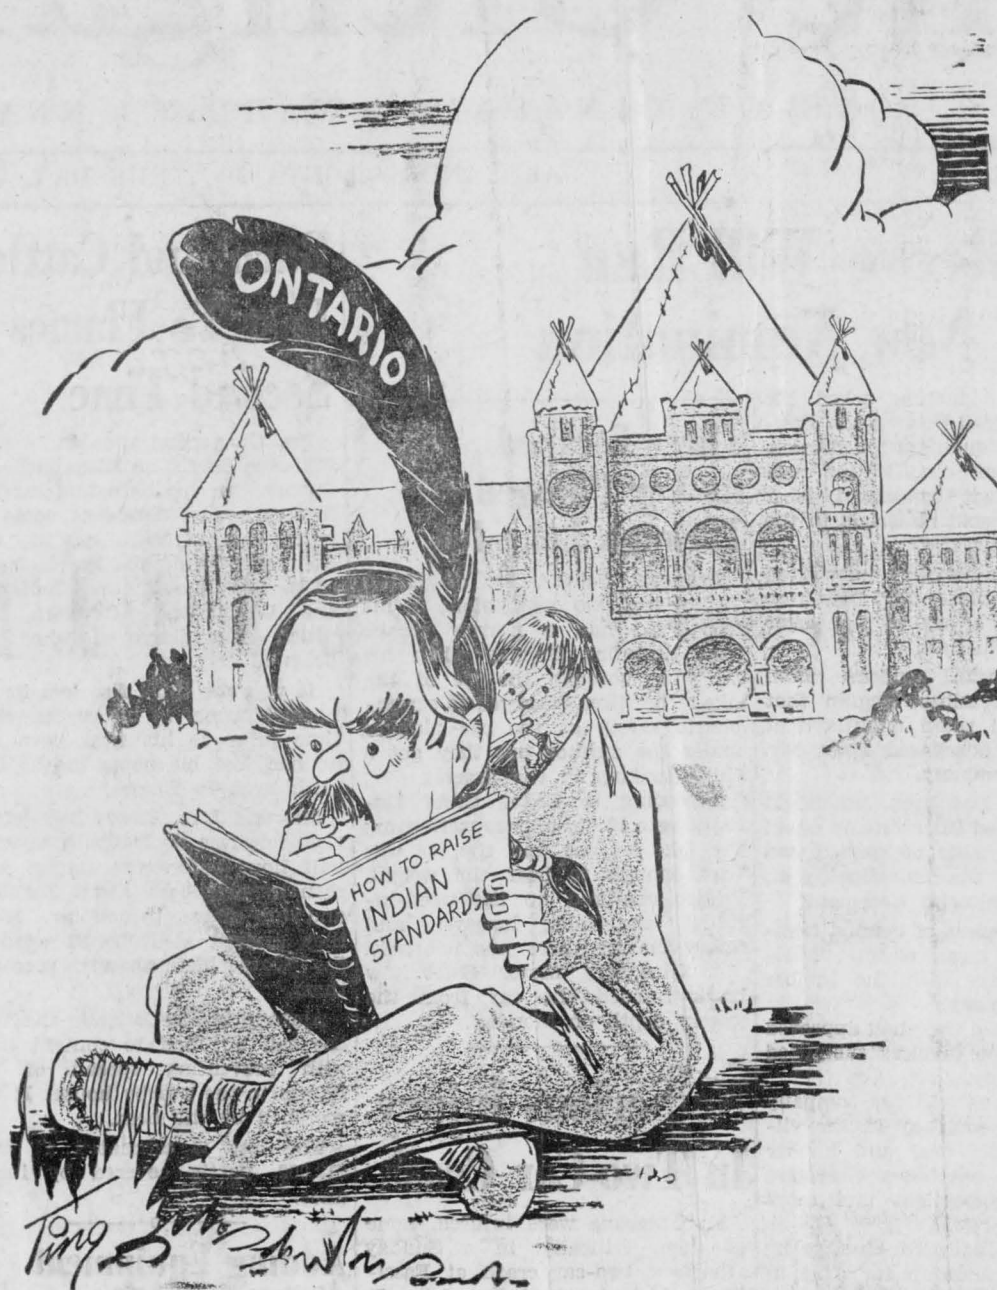

That decade has seen us more than once perturbed. The most disconcerting and disturbing factor in those ten years, we would say, has been the steady encroachment of government on our freedom of choice as an individual citizen. Socialism may be fine up to a point, but we have a hard time stomaching all these extra, expensive government give-aways that are more a bribe for re-election than a bromide for fancied ills of our society.

Last week we started deducting from salaries for a Pension Plan that may or may not offer some security to Canadians ten years hence. Our nation may price itself into a depression trying to pay for this future security, but who are we to argue? The government will take care of all our future needs, it promises us.

Looking back over those ten years it seems our imperturbability has been shaken most often by promising politicians and uncivil civil servants. We'll have to find some way to remain imperturbable in face of their ever-increasing demands.

Wouldn't it be ironical if we let them give us a case of ulcers just when they're promising us a national health plan?

WITH OUR RAMBLING REPORTER

Judging by the Quebec government's penchant for opting-out seems all they want from Ottawa is money.

A DECADE OF DIALING

There was no birthday party at our house last Saturday even though it was the 17th anniversary of our parlor screen. The television set had been with us for exactly a decade and perhaps as a reward for its longevity it was given a rest practically all day. All the boys were away, as it happened.

(The line forms at the left, you friendly TV salesmen; but you're warned in advance we're not in the market for a new one. We have an excuse; we're supposed to be breathlessly awaiting the coming of the color sets. It says here).

It hardly seems like ten years since we made that vital decision to raise an aerial on our roof. We'd been fighting for years the almost daily demands of the young fry but they finally found a way. They got to pestering our TV-owning friends so regularly we just had to buy a squawk box to keep them at home.

The thing we've enjoyed most in those ten years of TV was the ability we had to turn the darn thing off when no one was looking. There were other times we turned it off, too; but what an argument would precede and follow the edict that the late, late show wasn't worth losing sleep over.

Must admit we've enjoyed the odd hour of football or golf in front of that parlor screen. Time was when we liked to finish up the day with Jack Paar, but the kids discouraged that by learning to like him too well. We've watched a few newsworthy events on that screen, too; but summing up a decade of dial turning we'd have to guess that society has lost more than it gained when video was invented.

We lost a lot of time with the boys and that must be true of every home where TV watching has become a way of life. Visiting has become almost obsolescent since one may be bargaining in on a favorite program.

Our TV has needed a minimum of repairs in that decade, we must admit. It served us well — with ten years of tripe.

People will believe anything if you whisper it.

WE'RE RESOLUTE

The holidays were so hectic and we got so tired we forgot to make our usual quota of resolutions to better ourselves in this new year. Maybe it's not too late yet.

Now, let's see: Well, we're firmly resolved to win more curling games this winter than we did last. That won't have to be too many.

The editor still dreams of making a hole-in-one on that short seventh at the golf course. We're resolved, to get ahead of him on that one. Actually neither of us hits that green too often off the tee but if we put enough prayer into addressing the ball we just might do it.

The boys drink far too many cokes and pepsis and such for their own good health. We're resolved to set them a good example by not touching a drop.

And we won't smoke a cigarette in their presence, either.

We're also resolved to ramble more in the year ahead if our aching feet will let us. Hope you'll be interested enough to follow us.

The weather now in circulation is only good for hibernation — Christmas is past and New Year's too, so now there's nothing left to do but snuggle in my easy chair and just pretend that I'm a bear retired in some snug retreat — not walking 'round on bear-foot feet.

Of course once in a while I'll wake, enough to have a coffee-break. Once more doze off and dream of Spring with birds and bees and everything. You active folks must often wissue could pile on lots of fatty tissue by saving energy like I who lets the rat-race pass me by.

MRS. DEWAR DIED

Mrs. Reuben Dewar passed to her eternal reward in Cornwall on Friday, Dec. 24, 1965, following a very brief illness. She was 82 years of age.

She was the former Catherine MacRae, a daughter of the late Donald MacRae and Janet MacKenzie of Monkland. Her husband predeceased her in 1949.

Her remains rested at the Hoople Funeral Home in Maxville where her funeral service was held at two o'clock on Monday afternoon, conducted by Rev. I. D. MacIver of St. Andrew's Presbyterian Church.

Pallbearers were Jack Kennedy, Bryce MacRae, Duncan Cameron and John Dore. The remains were placed in the local vault to await burial in the family plot in Maxville cemetery in the spring.

Mrs. Dewar is survived by two brothers: Donald MacRae in Monkland and John MacRae in Bowmanville. She also leaves ten nieces and two nephews.

DIED FOLLOWING FALL

Allan MacDonald of Maxville, passed to his eternal reward, Tuesday, Dec. 28th, in the Cornwall General Hospital where he was taken by ambulance several weeks earlier when he fell while walking along Maxville's Main Street and fractured a hip bone.

Mr. MacDonald was the son of the late Alex MacDonald and Jane MacDonald and was born three miles west of Laggan in 1880. He moved with his parents to Fisk's Corner's at an early age and farmed in the area till his retirement in 1943 when he moved to Mechanic Street East in Maxville. He was married to Katie Bennett of Haylake, England in 1916. Mrs. MacDonald predeceased him in July, 1950.

He is survived by a daughter Elsie, Mrs. Stewart Urquhart, three grandchildren and seven great grandchildren, all in Kapuskasing.

His remains rested at the Hoople Funeral Home in Maxville where his funeral service was held on Thursday afternoon, December 30th, conducted by Rev. I. D. MacIver of St. Andrew's Presbyterian Church.

Pallbearers were Donald Archie MacCrimmon, Dan R. Cameron, Alex R. Stewart, Hugh Stewart, Tommy Phillips and Wilmer MacRae.

The remains were placed in the local vault to await burial in St. Columba Church cemetery in the spring. Floral offerings from relatives and friends were silent tributes of sympathy and regret.

Friends attended the funeral from Kapuskasing, Ottawa, Riceville, Hawkesbury and the surrounding district.

NEW AUXILIARY SLATE IN OFFICE

Mrs. W. S. McLean was hostess

to the Afternoon Auxiliary of St. Andrew's WMS on January 4th. Mrs. James Cumming conducted the service of Worship, opening with prayer followed by a hymn.

Mrs. I. D. MacIver read a poem entitled "Reflections". The scripture reading was from Psalm 150. Mrs. Cumming gave a meditation directing our thoughts on "Praise". She pointed out that we should begin the year with praise and continue through the year. She said religion is telling the truth without even counting the cost and we should turn our back on wrong with a prayer in our hearts for the right. Mrs. H. Cameron led in prayer.

The newly elected president, Miss Bella MacLeod, presided for business and extended New Year's greetings and a welcome to all. Seventeen members were present.

Very excellent reports were given by the secretaries of the various departments, showing a very successful year had just ended.

Miss Bella MacLeod and Mrs. R. F. McRae were appointed delegates to attend the annual meeting of the WMS in St. Johns Church, Cornwall, on January 11th.

The World Day of Prayer will be held in St. Andrew's Church on February 25th at 2.00 p.m.

At the close of the meeting the members signed a birthday card to be sent to Mrs. James Vallance.

Following the meeting Mrs. McLean served a delicious lunch.

The following is the slate of officers for 1966: President, Miss Bella MacLeod; vice president, Mrs. R. F. McRae; secretary, Mrs. I. D. MacIver; treasurer, Mrs. W. A. MacEwen; supply secretary, Mrs. J. A. Cumming; glad tidings secretary, Mrs. Alex Kennedy; welcome and welfare secretary, Mrs. A. D. Stewart; home helpers secretary, Mrs. W. S. McLean; bursary fund treasurer, Mrs. A. R. Stewart; press secretary, Mrs. R. F. McRae; organist, Mrs. R. T. O'Hara.

LETTERS

(Continued From Page 2)

sive "private enterprise" should have waited so long.

I shall cover the same three points: 1. Selecting players is unfair; 2. This upsets minor hockey schedules; 3. Money is donated from a source that should be left for minor hockey organizations.

Selecting of players need not be unfair, no one disagrees with the concept that a player who is blessed with native talent should have the opportunity to develop it to the fullest extent. However this in our opinion, can be accomplished within the context of the local minor hockey associations. On Jan. 8th there were two games played between Alexandria PeeWees and Bantams vs. the St. Andrews and Cornwall clubs respectively. The Alexandria squads made a fine showing. Is this not matching the better players with more experienced talent from outside Alexandria? Does it not provide for the development of the better players? It is our contention that a good player truly interested in advancing will be recognized under the rules of organized minor hockey.

With regard to minor hockey schedules, we agree fully that these would be disrupted by drafting players from the local associations. The suggestion was made to select possibly thirty players and then cut back to eighteen. What then is supposed to happen to the twelve who are eventually cut? Are they to be welcomed with open arms by the teams they left? Where will they fit?

In discussing the Glens Hockey team it is our opinion that such a team would not be legal in the definition of the CAHA. Rules state that "a player must compete with the team nearest his place of residence which is entered in a division for which he is qualified to play". Players for the proposed Glens Hockey team would not be affiliated, and not qualified under CAHA.

An example of what can happen was brought to light in Dan Rosenberg's column of the Jan. 7th, 1966 issue of the Montreal Star. It seems that even though the International Bantam Hockey tournament is to be held in Montreal there are to be entries from that city. The absence of Montreal squads in the tourney is the result of an impasse between the QAHA and the City of Montreal Recreation Dept.

There was a request by Montreal's Recreation Dept. for a cross-Canada change in age limit dates and this was refused outright by CAHA. Montreal adopted the new rule anyway. Their action has caused them to be barred from participation in the International Competition.

This is what can happen in minor hockey when you go against the CAHA. You cannot even play in your own backyard.

Revenue to be accrued from the surrounding area certainly should be available to the Minor Hockey Association. After all, it is admitted that players would necessarily have to be drafted from minor hockey. Therefore, why shouldn't the association have first crack at the financial support?

Three Rivers, Lake Placid, Quebec City and others are all in the realm of possibility under the pres-

ent set-up. Why prepare the special "private enterprise" team? Is it for personal aggrandizement? The "sportsmen" so willing to support the Glens squad could just as well offer funds to support the official All-Star teams when they travel.

By the way, do the farmer, lawyer, teacher, policeman, and businessmen show at the arena on Saturdays to offer moral support and survey the budding talent? I wonder, as there have been many Saturdays when we have seemed strangely alone.

How about it sport fans, if you think the boys from this area showing ability should be supported, what do you say to showing up on Saturdays at the Glengarry Gardens to see for yourselves what a fine crop of youngsters we have in minor hockey. Join with those who are already in a sense "big league" in their efforts to support minor hockey for ALL the boys in the area.

Yours truly
Andrew McNulty

HOSPITABLE HOSPITAL

The editor,
Glengarry News,

On behalf of all the patients and myself who spent Christmas and New Year's in the Glengarry Memorial Hospital, I can say that it was a home away from home.

The hospital was well decorated and on several evenings prior to Christmas groups of caroler came in to sing — the ladies from the Church on the Hill, the Alexander School pupils, the choir of Maria Goretti Academy and the Maxville Girl Guides. Their caroling left the Christmas spirit in the air.

Christmas day there was a complete turkey dinner with all the trimmings for the patients and two relatives or friends by our dietary supervisor J. Chamberland who volunteered to serve and help the kitchen staff. The nurses and nurses aides made the patients feel at home with their excellent care. Administrator Gale, Msgr. Kerr, Father Leblanc, Doctors Roman and Bourdeau, relatives and friends came in to wish everyone greetings of the day. Each patient received a special gift compliments of the IGA.

It is wonderful to have such a

lovely hospital in our own town. A big thank-you to those who made it possible by giving so much of their time and effort.

Yours truly
Mrs. Raymond Jette

SPORTS

in the GLENS

by ANGUS H. McDONELL

The desire and ability to fight back in any given sport, and this includes race horses as well as athletes, is the trademark of champions.

As we write this stint, a biting January wind prevails, but the sun shines brightly on the north shore of Lake St. Francis because Mrs. Janette Abbey (skip) and her rink representing the Lancaster lady curlers came from behind to defeat the Cornwall gals on Alexandria ice two games in three and will enter the Silver "D" Eastern Ontario District finals in Deep River, January 23-24-25.

In Monday's opener, Lancaster could do no wrong with besom and stane to go one up on Cornwall 17-4. In the after lunch round it was Mrs. Gwen Bateman (skip) and her Cornwall ladies who took over the lead on the first end and held a wide margin to even the series at one game each with a 13-4 tally. At this point they appeared headed to win the series.

These two rinks met in the final on Tuesday morning and the Lancaster club went all out for their skip. Mrs. Abbey could be calling the shots in the house for her last season as the Abbys are slated to leave Lancaster at the close of the school term.

The winners picked up two on the first end and never looked back adding singles on the third, fifth, sixth, seventh and 10th for a total of seven. Cornwall won the second, fourth, eighth and ninth ends with single shots to count four.

So now its on to Deep River where Lancaster's and four other lady rinks, will play a four-game elimination series to declare the Eastern Ontario finalists in the Dominion (no relation to Jean-Paul Touchette and IGA) Silver "D" playdowns.

Sport fans from the Glens and far beyond the hills will be rooting

for our champs: Mrs. Isabel McGillis, Mrs. Kay Throsby, Mrs. Mary Matheson and skip Mrs. Janette Abbey.

GLENS SPORTS GO GO

With Christmas decorations tucked away, sports in the Glens hit a mid winter pace last weekend. Lancaster, like other places with open air rinks, finally got an ice bed under way that brought glee to the minor hockey players, and a lift to those two fine sportsmen, Jim Smith and Ron Graham. When Jim and Ron are not looking after the youngsters, they saddle the OPP pinto and herd traffic along 401 and 34.

On Thursday Vankleek Hill's high school basketball gals and boys played the GDHS hoopsters. The VCI girls were short in the final count by 20 points, but the boys from the Hill won both games. The seniors won over Ourltown's five 32-28, while juniors also lost 51-24.

On Friday night Alexandria's double rink Governor-General's entry was declared when Aime Menard topped Dunc Macdonnell's four and Roger Roy eked by Laurent Crevier in the second match.

Now the boys are tuning up for the first round play soon to be announced and Aime will have as vice-skip Paul Roy, with Cameron McCormick second and Hubert Hay tossing the first rocks. On the other side our new citizen and sportsman, Paul (Glen's Game Warden) Endress will lead for Roger. Don Cameron is second, and Len Inglis in the number three slot.

Saturday was a full day for minor hockey in the Glens featuring three exhibition games. Cornwall bantams were in Maxville in the morning and won a squeaker 5-4. Left wing Nick Harniss scored a hat trick three for Maxville, while Myles Harrigan on the right flank tallied a single. Mike Harniss at center set up all the scoring plays to earn

four assists, and Bobby Gutoskie was a standout on defence.

An indication of how much hockey these youngsters can endure was shown by Bob Appleton's team. They returned to Cornwall to play a second game and then back here to meet Ourltown's bantams in the Gardens. The Seaway little fellows won this game, too, 5-4. Alexandria scorers were "Ricky" Lavigne, Andre Poirier, "Pee Wee" Poirier, and Ronald Brunet. Lee Taillefer, Jim MacDonald and Michel Boisenue played improved defence.

St. Andrews and Alexandria Pee-wees staged a curtain raiser that resulted in a 2-2 tie. Blair MacDonald scored both goals for Alexandria.

But the real highlight of the weekend was the showing of Glen's basketball teams, including Vankleek Hill in the EOSSA "B" post Christmas tournament at St. Lawrence High in Cornwall on Saturday.

Williamstown's Char-Lan senior students won all three games and the tournament championship. In their final round Char-Lan defeated Perth Rideaus who had won the opener over GDHS.

Vankleek Hill juniors also won their three games and ironically defeated Williamstown in the final. Alexandria seniors lost their first game to Rideau but came right back in the consolation round to win over Kingston Regiopols and Athens. GDHS juniors lost both their games.

So our basketball squads kept Glengarry on the sport map.

Border League hockey is bounding back. Gardens manager Ray Ouellette made a wise move when he enlisted the help of Maurice Lapierre, Lancaster, as president and Gerry Cuerrier, Green Valley, as secretary-manager to reorganize this hockey loop.

The players are grads, generally speaking, of minor hockey in the Glens and the increase in attendance of late is proof that fans are supporting the style of play and efficient refereeing by Cornwall officials.

Single games are played on Sunday with a double-header on Monday night. So last weekend was added to the sport whirl when Laggan on Sunday toppled Williams-town 5-4 to set up a two-way tie at 12 points each.

Bar-B-Q won over Green Valley on Monday night and are now one point behind Clements. Lancaster moved up to within a single point of the Valley team as they defeated Clements 5-3.

In senior hockey on Sunday at Maxville, Morrisburg again found the Highlanders tough to handle, including Neil Scott, but came through with a 6-3 win.

Mrs. Orland Kyle thanked Mrs. MacDiarmid for the use of her home and the hostesses who assisted in the lunch.

NEW PRESIDENT LADIES' AID

The election of Mrs. James Tinkess as president and cash donations to worthy causes at this Christmas season highlighted the monthly meeting of the Ladies' Aid Society of St. Andrew's Presbyterian Church, held in the church hall in Avonmore on Tuesday night.

Mrs. Tinkess succeeds Mrs. Duncan J. MacKinnon as president.

The business meeting was preceded by an impressive worship service on the theme of Christmas, planned by Mrs. Tinkess and Mrs. Clifford McElheran.

At year's end the ladies approved a \$25 donation to the Canadian Bible Society; \$100 to the Famine Relief Fund in India inaugurated by the General Assembly of the Presbyterian Church in Canada.

The members also approved the purchase of more hymn books for the church and Christmas boxes

to be sent at Christmas to the shut-ins of the local congregation.

Mrs. George McElheran, treasurer, reported that the recent turkey supper had been one of the most successful in the society's history in terms of attendance and proceeds. Mrs. McElheran reported a substantial balance in the treasury. It was decided not to hold a bazaar in 1966.

Mrs. Hugh Wilson reported that seven Bibles had been given in 1965 to date to families in which a death had occurred.

Officers for 1966, as set forth in a report presented by Mrs. Calvin Grant and Mrs. Glenn McIntyre, are as follows:

Honorary president—Mrs. Hugh Wilson; past president—Mrs. D. J. MacKinnon; vice-president—Mrs. M. F. MacRae; recording secretary—Mrs. Clifford McElheran; corresponding secretary—Mrs. Clifford MacRae; treasurer—Mrs. George D. McElheran.

Worship convener—Mrs. Hugh Wilson; lunch convener—Mrs. John R. MacGregor; flowers for sick—Mrs. Fraser MacRae; cards—Mrs. John A. Cameron; bibles for bereaved—Mrs. Hugh Wilson; baby gifts—Mrs. M. F. MacRae.

Mrs. Tinkess expressed on behalf of Mrs. MacKinnon, the retiring president, her thanks and those of the other members of the executive to the members and to the congregation for loyal support during the past year. Mrs. Tinkess asked for the same co-operation and loyalty in 1966.

Mrs. Tinkess also thanked Mrs. E. M. Miller for her fine contribution in decorating the trees outside the church for the Holiday Season and the ladies responsible for decorating the church sanctuary.

There was a preliminary discussion on the World's Day of Prayer service to be held next February 25th.

Group leaders for 1966 were appointed as follows: Mrs. Stanley Wert, Mrs. George A. McElheran, Mrs. Elmer Park, Mrs. Wesley Mel-drum and Mrs. Donald Pipe.

It was decided to donate the sum of \$350 to the Board of Stewards. Mrs. MacDiarmid gave a reading on the "Requirements for a Good Meeting".

Important news... Mutual Life of Canada dividends increased again!

Dividends to ordinary policyholders in 1966 will total \$19,700,000—an increase of \$1,450,000 over the amount paid in 1965.

In addition, the interest rate paid on accumulating dividends will be increased to 5.1 per cent.

This is the 11th time in the last 13 years that The Mutual Life of Canada has increased

dividends to policyholders—a reflection of the Company's efficient operation and sound policies.

If you are not now a Mutual Life of Canada policyholder, you may share in this success and, at the same time, economically fulfill your life insurance needs. Just talk to your nearest Mutual Life of Canada representative.

8-In Memoriam

LACOMBE—In loving memory of a dear husband and father, Norman Lacombe, who passed away January 8th, 1961.

Five sad and lonely years have passed Since our great sorrow fell. The shock that we received that day

No one can ever tell. God gave us strength to meet it And courage to bear the blow. But what it means to lose you, No one will ever know. It's lonely here without you, We miss you more each day. For life is not the same to us Since you were called away.

You bade no one a last farewell, Nor even said "goodbye". You were gone before we realized And only God knows why.

—Ever remembered by wife and family. Glen Robertson, Ont. 2-1p

MACDONALD, Mary Ann—In loving memory of a dear mother and grandmother who passed away January 14th, 1960.

Just a prayer from those who loved you, Just a memory fond and true. In our hearts you'll live forever Because we thought the world of you.

—Always remembered by daughter, Marie, son-in-law John, granddaughters, Edna and Donna. Williamstown, Ont.

MORRISON—In loving memory of Mrs. Real Morrison who passed away one year ago on January 11th, 1965.

The depths of sorrow we cannot tell Of the loss of one we loved so well. And while she sleeps a peaceful sleep

Her memory we shall always keep. —Fondly remembered and sadly missed by husband, children and grandchildren. Dalhousie Mills. 2-1p

SAUVE—In loving memory of a dear husband and father, Paul Sauve, who passed away on January 15th, 1960.

The garment of his soul passed away. The spirit and the love light stay.

The echo of his voice, his smile, Just as if they were with us all the while.

—Ever remembered by his wife and family. Alexandria. 2-1p
